*Confessions of a Black Man's Soul* Brian Hawkins, 2009-11-09 After being a cheat and a womanizer for most of his life a young man attempts to better himself by marrying his longtime girlfriend but he soon finds out that his past must be reconciled to his present before he can truly have a future **Redemption** Princetta Muhammad, 2013 *A New World Order* is the topic of discussion for politicians and many others There is a constant push by those in authority and their cohorts to force a particular mind set and world view on the masses This speaks primarily to the ambitions of the Western world white world to increase and continue their dominance over the Black and darker peoples of the Earth through a method or science we refer to as Tricknology the science of tricks and lies It speaks to their desire to continue their parasitic existence off of the natural and human resources of the Black Nation who are the Original Owners of the earth The American so called Negro has suffered a mental and spiritual death as a consequence of falling into the hands of such a clever and cunning open enemy for over four hundred years The slave master robbed the Blackman and woman of their God religion name language and culture The worst kind of crime has been committed against the so called American Negroes by the white race It is written in the slave codes and black codes of the United States of America that the Negro will never be redeemed restored to his Own and that he is ever to be the property of the American white man And this mentality did not simply disappear from the slave masters and their children after having held black people in chains under the most horrific conditions for over 310 years And

neither did the so called Emancipation Proclamation alter their mentality of wanting to forever dominate and mistreat the so called Negroes Redemption Redeeming The Blackman And Woman In America discuss integration manifest destiny and the grafting of the white race slavery and Emancipation Ezekiel s vision of the Wheel in a Wheel and what it represents the Coming of God to Redeem and restore the so called Negro back to his Own and to destroy His enemies among other topics It is written in both Bible and Holy Qur an that God Himself will Come to Redeem the so called American Negroes and to place them back on top of Civilization never to be ruled by an enemy again And as a matter of fact there is a New World Order unfolding at the present time wherein Righteousness and Peace will dwell after the Almighty Supreme Being Allah God Himself bring to naught the works of the devil and put an end to the peace breakers mischief makers and the blood shedders on our planet
