Night Calypso:

Night Calypso Lawrence Scott, 2014-08-21 LONGLISTED FOR THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD 1938 is a tumultuous year on the small Trinidadian island of El Caracol which houses a leper colony and a convent In the sultry heat of the dry season a young orphan Theo is sent to live with the island's doctor Vincent Metivier The doctor knows little of Theo's past only that it has been troubled and that he now needs love and attention As Theo settles into the rhythm of life in El Caracol he begins to unburden himself of his demons Every night he sleepwalks his own strange disturbing calypso about his childhood Vincent listens and gradually learns what demons still haunt the boy's mind And as his friendship with the passionate unpredictable nurse Sister Weil intensifies Vincent finds his settled life spirally dangerously out of control as war in Europe looms on the horizon A richly sensual heartfelt novel **Night Calypso** is the work of one of the world's most imaginative writers

The Night Watch Benjamin Scarlato, 2003-05-07 The most rebellious book of the 21 Century Turning a cold shoulder towards contemporary mainstream art this fox fire of art sings to a harmony that will forever be remembered **The Night Watch** is about ancient astronauts tangling the world bringing fury into this planet The plot takes place after the world began opening into Atlantis during its down fall this just being the start of the trek to understand humanity and to cease the complex wars of one's haunted imagination one's haunted destiny into another **The Seven Wonders of the Ancient World** is to be the setting for this complicated epic adventure This leads to an unmentioned man named Leonardo

Phonographic Memories Njelle W. Hamilton, 2019-05-03 **Phonographic Memories** is the first book length analysis of Caribbean popular music in the Caribbean novel Tracing a region wide poetics that attends to the centrality of Caribbean music in retrieving and replaying personal and cultural memories Hamilton offers a fresh perspective on musical nationalism and nostalgic memory in the era of globalization

Between the Bocas Jak Peake, 2017-07-19 Situated opposite the mouth of the Orinoco River western Trinidad has long been considered an entrepôt to mainland South America Trinidad's geographic position seen as strategic by various imperial governments led to many heterogeneous peoples from across the region and globe settling or being relocated there The calm waters around the Gulf of Paria on the western fringes of Trinidad induced settlers to construct a harbour Port of Spain around which the modern capital has been formed From its colonial roots into the postcolonial era western Trinidad therefore has played an especial part in the shaping of the island's literature Viewed from one perspective western Trinidad might be deemed as narrating the heart of the modern state's national literature Alternatively the political threats posed around San Fernando in Trinidad's southwest in the 1930s and from within the capital in the 1970s present a different picture of western Trinidad one in which the fractures of Trinidad and Tobago's projected nationalism are prevalent While sugar remains a dominant narrative in Caribbean literary studies this book offers a unique literary perspective on matters too often perceived as the sole preserve of sociological anthropological or geographical studies The legacy of the oil industry and the development of the suburban commuter belt of East West
