Night pleasures Sherrilyn Kenyon, 2013 *Montreal After Dark* Matthieu Caron, 2025-06-13 Sex and jazz liquor and gambling Montreal in the early twentieth century was a city that offered an exceptional nighttime scene in North America By mid century that scene came under scrutiny and Montreal's influential mayor Jean Drapeau would be elected for the first time on a reformist platform that promised to end corruption Over more than three decades Drapeau would endeavour to transform Montreal into a world class global city by regulating its nightlife Montreal After Dark chronicles the spaces where nighttime regulations were enforced and contested City authorities understood the night as enabling disorder and they reorganized policing and crafted bylaws to gain control over it Police and politicians mutually reinforced each other's drive to morally cleanse the urban landscape especially for international events like Expo 67 and the 1976 Olympics But in an era of social unrest Drapeau's administration also found itself responding to the protective services discontent The political culture of the city was quickly transformed following terrifying nights without their services Matthieu Caron shows how in an effort to incorporate the night into the expansionary tendencies of consumer capitalism municipal authorities took sides in a debate over who had the right to public space at night what constituted acceptable behaviour or expression whose sexual activity sustained the social order and whose threatened to destroy it In terms that are strikingly familiar today Montreal After Dark elucidates how the desires of politicians would come to reorganize how consumption and leisure labour and dissent noise sex and art were lived in Montreal after the sun went down Dance With the Devil Sherrilyn Kenyon, 2010-04-01 Zarek's Point

of View Dark Hunter A soulless guardian who stands between mankind and those who would see mankind destroyed Yeah right The only part of that Code of Honor I got was eternity and solitude Insanity A condition many say I suffer from after being alone for so long But I don't suffer from my insanity I enjoy every minute of it Trust I can't trust anyone not even myself The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way Truth I endured a lifetime as a Roman slave and 900 years as an exiled Dark Hunter Now I'm tired of enduring I want the

truth about what happened the night I was exiled I have nothing to lose and everything to gain Astrid Greek meaning star An exceptional woman who can see straight to the truth Brave and strong she is a point of light in the darkness She touches me and I tremble She smiles and my cold heart shatters Zarek They say even the most damned man can be forgiven I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again Made me want to love and be loved But how can an ex slave whose soul is owned by a Greek goddess ever dream of touching let alone holding a fiery star

The Guardian Sherrilyn Kenyon,2011-11-01 Dream Hunter Lydia has been charged with the most sacred and dangerous of missions To descend into the Nether Realm and find the missing god of dreams before he betrays the secrets that could kill her and her kind What she never expects is to be taken prisoner by the Realm s most vicious guardian Seth s time is running out If he can t hand over the entrance to Olympus his own life and those of his people will be forfeit No matter the torture Seth hasn t been able to break the god in his custody Then there s the beautiful Dream Hunter Lydia She isn t just guarding the gates of Olympus she s holding back one of the world s darkest powers If she fails an ancient curse will haunt the earth once more and no one will be safe But evil is always seductive
