Night Ride And Other Journeys:

Night Ride and Other Journeys Charles Beaumont, 1960 *America Noir* David Cochran, 2016-06-21 In *America Noir* David Cochran details how ten writers and filmmakers challenged the social pieties prevalent during the Cold War such as the superiority of the American democracy the benevolence of free enterprise and the sanctity of the suburban family Rod Serling's *The Twilight Zone* featured victims of vast faceless bureaucratic powers Jim Thompson's noir thrillers such as *The Grifters* portrayed the ravages of capitalism on those at the bottom of the social ladder Patricia Highsmith in *The Talented Mr Ripley* placed an amoral con man in an international setting implicitly questioning America's fitness as leader of the free world Charles Willeford's pulp novels such as *Wild Wives* and *Woman Chaser* depicted the family as a hotbed of violence and chaos These artists pioneered a detached ironic sensibility that radically juxtaposed cultural references and blurred the distinctions between high and low art Their refusal to surrender to the pressures for political conformity and their unflinching portrayal of the underside of American life paved the way for the emergence of a 1960s counterculture that forever changed the way America views itself *Running from the Hunter* Harold Lee Prosser, 1996-01-01 Charles Beaumont 1929-1967 burst upon the science fiction scene in the 1950s writing award winning short stories teleplays for *The Twilight Zone* and other TV programs and screenplays for *The Seven Faces of Dr Lao Burn* *Witch Burn* *The Premature Burial* and many others This reprint of the 1996 edition provides a comprehensive survey of the author's work with chronology bibliography and index *Index to Science Fiction Anthologies and Collections* William Contento, 1978 **American Supernatural Tales** S. Dave Thompson,2015-11-01 The Twilight Zone is among the most beloved shows in American television history a pioneering fantasy behemoth that bridged the cultural gap between the 1950s and 1960s with thought provoking mystery mind boggling theorems and occasionally outright horror The Twilight Zone FAQ takes the reader back to that halcyon era looking back on the show and its impact as a force for societal change via reflections on the manifold topics and controversies that the show took on from the space race to the Red Menace from paranoia to madness and beyond Dave Thompson traces the history of the show from its earliest flowering in the mind of then unknown Rod Serling through its slow birth shaky beginning and breathless five season run and he shows how it became the blueprint for so much of the fantasy television that has followed Chapters deal with the comic books novels and many other spin offs including the movie the TV revamps and even the amusement park ride In addition this FAQ offers a full guide to every episode providing details on the cast and music and pinpointing both the best and the worst of the series all adding up to a brightly opinionated time machine that catapults the reader back to the true golden age of American television
