No Place For Heroes: (The Unbarrening Trilogy, 1) Justin Harnick, 2023-03-15 Nick Shamus has lived his entire life in the slums of Horner and has chosen to spend it as a lying cheating conniving thief Unbeknownst to Nick his life is about to be turned upside down when he discovers that he is blessed with enchanting abilities Unfortunately for Nick this also makes him a wanted man Ester Rayther a mercenary hasn't had the best run of luck lately Her dad is dead and she is out of a job Looking to start anew Ester ventures to the independent state of Seaport where she meets the mysterious Berend Finch a man looking to uncover a twenty year old conspiracy that could be the death of her Notorious for all the wrong reasons Weston Fairchild has spent the last two decades drinking away his sorrows So when asked to muster up an army to rebel against King Antony the man who killed his wife and child the chance to see the king's head on a spike is an opportunity he cannot pass up Samuel Guidry revels in the fact that he is the smartest pupil at the University of Horner But his arrogance is about to meet its match when he encounters Princess Catalina Woller a woman with deadly powers not known for her compassion With the paths these characters find themselves on secrets will be revealed old powers brushed aside for new and the world as it is known will be changed forever

Paths to Contemporary French Literature John Taylor, 2011-12-31 The first volume of Paths to Contemporary French Literature offered a critical panorama of over fifty French writers and poets With this second volume John Taylor an American writer and critic who has lived in France for the past thirty years continues this ambitious and critically acclaimed project Praised for his independence curiosity intimate knowledge of European literature and his sharp reader's eye John Taylor is a writer critic who is naturally skeptical of literary fashions overnight reputations and readymade academic categories Charting the paths that have led to the most serious and stimulating contemporary French writing he casts light on several neglected postwar French authors all the while highlighting genuine mentors and invigorating newcomers Some names Patrick Chamoiseau Pascal Quignard Jean Philippe Toussaint Jean Rouaud Francis Ponge Aim C saire Marguerite Yourcenar J M G Le Cl zio may be familiar to the discriminating and inquisitive American reader but their work is incisively re-evaluated here The book also includes a moving remembrance of Nathalie Sarraute and an evocation of the author's meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English speaking countries Taylor's pioneering elucidations in this respect are particularly valuable This second volume also examines a number of non French originally non French speaking writers such as Gh rasim Luca Petr Kr l Armen Lubin V nus Ghoura Khata Piotr Rawicz as well as Samuel Beckett who chose French as their literary idiom Taylor is in a perfect position to understand their motivations struggles and goals In a day and age when so little is known in English speaking countries about foreign literature and when so little is translated the two volumes of Paths to Contemporary French Literature are absorbing guides for literary scholars writers poets students of French culture and readers of contemporary fiction and poetry Henri Duchemin and His

There Is No Place for Us Brian Goldstone, 2025-03-25 Through the unforgettable stories of five Atlanta families this landmark work of journalism exposes a new and troubling trend the dramatic rise of the working homeless in cities across America Read this extraordinary book If you're lucky you'll be changed Adrian Nicole LeBlanc author of *Random Family* The working homeless In a country where hard work and determination are supposed to lead to success there is something scandalous about this phrase But skyrocketing rents low wages and a lack of tenant rights have produced a startling phenomenon People with full time jobs cannot keep a roof over their head especially in America's booming cities where rapid growth is leading to catastrophic displacement These families are being forced into homelessness not by a failing economy but a thriving one In this gripping and deeply reported book Brian Goldstone plunges readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice and Natalia make a fresh start in the country's Black Mecca after being priced out of DC Kara dreams of starting her own cleaning business while mopping floors at a public hospital Britt scores a coveted housing voucher Michelle is in school to become a social worker Celeste toils at her warehouse job while undergoing treatment for ovarian cancer Each of them aspires to provide a decent life for their children and each of them one by one joins the ranks of the nation's working homeless Through intimate novelistic portraits Goldstone reveals the human cost of this crisis following parents and their kids as they go to sleep in cars or in squalid extended stay hotel rooms and head out to their jobs and schools the next morning These are the nation's hidden homeless omitted from official statistics and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem By turns heartbreaking and urgent *There Is No Place for Us* illuminates the true magnitude causes and consequences of the new American homelessness and shows that it won't be solved until housing is treated as a fundamental human right
