Night Gardening Passionate Poems For The Beloved:

Night Gardening Therèse Tappouni, Lance Ware, 2000-11-15 Unusually passionate and ecstatic collaboration of two poets writing to each other through their love relationship Follows a couple through the search the meeting the physical love the fear and the ultimate deepening into life long love Designed for couples to read to each other or for gifts on engagement wedding or anniversary Larger type for reading in low light *The Promise* Therèse Tappouni, 2008 There is only one of you and everything about your appearance your desires and your purpose is intentional Before we were born we each made a promise as to whom and what we would become on this earth Encapsulated in your soul and hinted at during childhood this Promise becomes more urgent as you age Children express passionate emotions in every waking moment but this passion is gradually buried under layers of expectations You begin to call that passion a dream and create a life separate from your dream Many of life's occurrences shine light into the soul's purpose some are mystical some part of everyday life and some are traumatic Your soul is revealed through telling your truth and recognizing when you are out of step with your real purpose The difficulties we face as people on this planet have accelerated the urgency of recognizing our Promise **Songs**

Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity
