Night Magic Leigh Ann Henion, 2024-09-24 From a New York Times bestselling nature writer comes a celebration of what goes on outside in the dark from blooming moon gardens to nocturnal salamanders from glowing foxfire and synchronous fireflies that blink in unison like an orchestra of light In this glorious celebration of the night New York Times bestselling nature writer Leigh Ann Henion invites us to leave our well lit homes step outside and embrace the dark as a profoundly beautiful part of the world we inhabit Because no matter where we live we are surrounded by animals that rise with the moon and blooms that reveal themselves as light fades Henion explores her home region of Appalachia where she attends a synchronous firefly event in Tennessee a bat outing in Alabama and a moth festival in Ohio In North Carolina she finds forests alight with bioluminescent mushrooms neighborhood trees full of screech owls and valleys teeming with migratory salamanders Along the way Henion encounters naturalists biologists primitive skills experts and others who've dedicated their lives to cultivating relationships with darkness Every page of this lyrical book feels like an opportunity to ask How did I not know about this before For example we learn that it can take hours not minutes for human eyes to reach full night vision capacity And that there are thousands of firefly species on earth many with flash patterns as unique as fingerprints In an age of increasing artificial light Night Magic focuses on the amazing biodiversity that still surrounds us after sunset We do not need to stargaze into the distant cosmos or dive into the depths of oceans to find awe in the dark There are dazzling wonders in our own backyards And readers of *World of Wonders* *Entangled Life* and *The Hidden Life of Trees* will discover joy in Night Magic

The Saturday Evening Post, 1918 SCC Library has 1974-89 plus scattered issues

Lobizona Romina Garber, 2020-08-04 Garber's gorgeous novel combines the wonder of a Hogwarts style magic school with the Twilight esque dynamics of a hidden magical species that has strict rules about interacting with the human world

BOOKLIST Starred Review Some people ARE illegal Lobizonas do NOT exist Both of these statements are false Manuela Azul has been crammed into an existence that feels too small for her As an undocumented immigrant who's on the run from her father's Argentine crime family Manu is confined to a small apartment and a small life in Miami Florida Until Manu's protective bubble is shattered Her surrogate grandmother is attacked lifelong lies are exposed and her mother is arrested by ICE Without a home without answers and finally without shackles Manu investigates the only clue she has about her past a mysterious Z emblem which leads her to a secret world buried within our own A world connected to her dead father and his criminal past A world straight out of Argentine folklore where the seventh consecutive daughter is born a bruja and the seventh consecutive son is a lobizón a werewolf A world where her unusual eyes allow her to belong As Manu uncovers her own story and traces her real heritage all the way back to a cursed city in Argentina she learns it's not just her U.S. residency

that's illegal it's her entire existence With vivid characters that take on a life of their own beautiful details that peel back the curtain on Romina's Argentinian heritage and cutting prose Romina Garber crafts a timely tale of identity and adventure
Tomi Adeyemi New York Times bestselling author of *Children of Blood and Bone* **Miss Mapp** E.F. Benson, 2020-07-30
Reproduction of the original *Miss Mapp* by E. F. Benson *Queen Lucia & Miss Mapp* E. F. Benson, 2015-11-10 E. F. Benson's beloved *Mapp* and *Lucia* novels are sparkling classic comedies of manners set against the petty snobberies and competitive maneuverings of English village society in the 1920s and 1930s Benson's series revolves around two unforgettable characters both forceful and irrepressible women who dominate their respective villages in southern England and who will eventually end up hilariously at war with each other *Lucia* is the more deadly of the two with her pretentious tastes treacherous charm and lust for power *Miss Elizabeth Mapp* on the other hand is younger and more forceful and able to terrify her opponents into submission Benson introduces these splendid comic creations in the first two novels of the series *Queen Lucia* 1920 and *Miss Mapp* 1922 **Mapp & Lucia: Complete Series** E. F. Benson, 2023-12-28 In *Mapp Lucia Complete Series* E. F. Benson deftly weaves a tapestry of social satire set in the idyllic yet competitive English town of Tilling during the 1920s The narrative centers around two equally formidable women Emmeline Lucia Lucas and her rival *Mapp* as they navigate the complexities of social status gossip and petty rivalries through a series of humorous and cleverly crafted episodes Benson's sharp prose and keen observations reveal the nuances of middle class life and the absurdities of human behavior all while employing a rich descriptive style that immerses readers in the charming yet cutthroat world of quaint provincial life The series serves as both a critique and a celebration of the societal norms of its time providing insight into the dynamics of class and gender roles in interwar Britain E. F. Benson an English novelist and biographer thrived in an era that celebrated wit and leisure perhaps reflecting the social landscapes he observed in his own life An Oxford alumnus and a member of the Bloomsbury Group Benson's experiences with society class issues and the subtleties of personal relationships imbue *Mapp Lucia* with authenticity and enduring relevance His background in both literature and the intricacies of societal interaction informs his character driven storytelling making his work a nuanced examination of social hierarchies For those seeking a blend of humor intrigue and sharp societal commentary *Mapp Lucia Complete Series* is an essential read Benson's enchanting characters and delightful plots not only provide entertainment but also invite reflection on the nature of ambition and the lengths to which individuals will go for social supremacy Dive into this timeless classic and relish in the entertaining rivalries and intricate plots that define Tilling's social scene
