## **Prosaic Soul Of Nikki Giovanni:**

The Prosaic Soul of Nikki Giovanni Nikki Giovanni, 2009-10-06 From one of the most commanding luminous voices to grace America's political and poetic landscape comes a brilliant and searing collection of essays, articles, meditations, and recollections. This omnibus edition collects celebrated poet and activist Nikki Giovanni's adult prose: *Racism 101*, *Sacred Cows and Other Edibles*, and seven selections from *Gemini*. An Extended Autobiographical Statement on My First Twenty-Five Years of Being a Black Poet, which was nominated for the National Book Award in 1971. *Racism 101* (1994) contains essays that indict higher education for the inequities it perpetuates and contemplates the legacy of the 1960s. Giovanni gives searing commentary on Spike Lee and the making of Malcolm X. W. E. B. DuBois, affirmative action, President JFK, and the state of urban schools. *Racism 101* adds an important chapter to the debate on American national values. *Sacred Cows and Other Edibles* (1988) received the Ohioana Library Award. In it, Nikki's essays and articles take on the loftiness of higher education and personal major life crises. In *Gemini* (1971), Giovanni explores one of the most tumultuous periods in our history. Her essays take us from her childhood in Knoxville, Tennessee, through her work in the Black revolution of the sixties to her emergence as an acclaimed poet. Nikki interweaves warm recollections of her personal history with incisive vignettes of cultural and political history, including her often surprising opinions of Amiri Baraka, Angela Davis, Lena Horne, Stokely Carmichael, H. Rap Brown, and others. If there was a need for poetry that galvanized and inspired, there was also a demand for poetry that comforted and unified, and Ms. Giovanni provided on both counts. *The Washington Post* **Nikki Giovanni** Virginia C. Fowler, 2013-01-24 This book offers a comprehensive examination of the life and work of Nikki Giovanni, one of the most prolific and well-known poets to emerge during the Black Arts Movement. *Nikki Giovanni: A Literary Biography* focuses on one of the most widely read poets to emerge from the Black Arts Movement, providing a thorough examination of Giovanni's life and work from her earliest volume of poetry, *Black Feeling, Black Talk*, to the recent *Bicycles*. The book addresses Giovanni's preoccupation with historical themes and the past and demonstrates the pervasiveness of music in Giovanni's poetry. Drawing on extensive interviews with Giovanni's friends and family, this book offers biographical information not previously available in other publications. It references material from Giovanni's prose works to illuminate and contextualize the analysis of her poetry, examining its highly allusive and topical nature. The book also shows the intersections of Giovanni's biography and the public history of the United States from the 1960s to the present, making it of interest to general readers as well as those studying American and African American poetry or black feminism **A Study Guide for Nikki Giovanni's "Ego-Tripping"** Gale, Cengage Learning, 2016 A Study Guide for Nikki Giovanni's *Ego-Tripping*, excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. taste became intertwined with class race gender and region While many historians and music critics have criticized the segmentation of pop radio Weisbard finds that the creation of multiple formats allowed different subgroups to attain a kind of separate majority status for example even in its most mainstream form the R B of the Isley Brothers helped to create a sphere where black identity was nourished Music formats became the one reliable place where different groups of Americans could listen to modern life unfold from their distinct perspectives The centers of pop it turns out were as complicated diverse and surprising as the cultural margins Weisbard s stimulating book is a tour de force shaking up our ideas about the mainstream music industry in order to tease out the cultural importance of all performers and songs     **Appalachian Heritage** ,2008
