Prosecutor And The Prey:

Stalin's Prosecutor Arkadi Vaksberg, 1990 Dark Persuasion Joel E. Dimsdale, 2021-08-10 A harrowing account of brainwashing's pervasive role in the twentieth and twenty first centuries This gripping book traces the evolution of brainwashing from its beginnings in torture and religious conversion into the age of neuroscience and social media When Pavlov introduced scientific approaches his research was enthusiastically supported by Lenin and Stalin setting the stage for major breakthroughs in tools for social political and religious control Tracing these developments through many of the past century's major conflagrations Dimsdale narrates how when World War II erupted governments secretly raced to develop drugs for interrogation Brainwashing returned to the spotlight during the Cold War in the hands of the North Koreans and Chinese In response a huge Manhattan Project of the Mind was established to study memory obliteration indoctrination during sleep and hallucinogens Cults used the techniques as well Nobel laureates university academics intelligence operatives criminals and clerics all populate this shattering and dark story one that hasn't yet ended **Scoundrels to the Hoosegow** Morley Swingle, 2007 Morley Swingle veteran prosecuting attorney combines true crime and legal analysis with a healthy dose of humor as he re-creates more than thirty stories of villains heroes and ordinary citizens taking readers from the crime scene to the courtroom and sharing the occasional Perry Mason moment Provided by publisher **Fear Itself: The New Deal and the Origins of Our Time** Ira Katznelson, 2013-03 An exploration of the New Deal era highlights the politicians and pundits of the time many of whom advocated for questionable positions including separation of the races and an American dictatorship *The Kravchenko Case* Gary Kern, 2013-10-18 Victor Kravchenko the most discussed Soviet defector at the height of the Cold War The Evolving Role of the Public Prosecutor Victoria Colvin, Philip Stenning, 2018-09-24 The modern public prosecutor is a figure both powerful and enigmatic Legal scholars and criminologists often identify three essential components of criminal justice systems police courts and corrections Yet increasingly the public prosecutor occupies a distinct role independent from any of these branches Acting outside of the court and therefore largely out of the public eye the prosecutor's control over whether and what charges proceed to court can limit judicial discretion on sentencing open pathways to alternative measures and even deny entry into the criminal justice system entirely In this sense the prosecutor serves as a true gatekeeper to the criminal process This book addresses key aspects of the evolving role of domestic and international prosecutors in common law and civil law systems in the twenty first century and the challenges posed by this evolution This collection of chapters from respected scholars takes an international comparative approach and explores how these different legal systems have borrowed theorisations and articulations of the prosecutorial role from each other in adapting the office to changing conditions and expectations The volume is structured around four main themes relating to the role of the modern prosecutor the nature of the prosecutor's office the role of the prosecutor in investigations prosecutorial discretion and how it is exercised and politicisation and accountability of prosecutors This book is essential for

novel by one of the most provocative Dutch writers of the twentieth century Albregt a frenzied and lovelorn public prosecutor speeds through Hook of Holland in his black Renault on May 9 1940 the eve of the German invasion of the Netherlands Guiding his every move is a guardian angel With unflappable patience the angel flits from the hood of the Renault to the rim of his windswept hat determined to quell his every anxiety and doubt The angel s momentary distraction however sets off a chain of events that spins a nightmarish web Albregt s elusive companion serves both as narrator and meddlesome driver of the plot though not without the interventions of a rotating cast of devils **Prosecution Complex** Daniel S. Medwed,2013-11 American prosecutors are asked to play two roles within the criminal justice system they are supposed to be ministers of justice whose only goals are to ensure fair trials and they are also advocates of the government whose success rates are measured by how many convictions they get Because of this second role sometimes prosecutors suppress evidence in order to establish a defendant s guilt and safeguard that conviction over time In **Prosecution Complex** Daniel S Medwed shows how prosecutors are told to lock up criminals and protect the rights of defendants This double role creates an institutional prosecution complex that animates how district attorneys offices treat potentially innocent defendants at all stages of the process and that can cause prosecutors to aid in the conviction of the innocent Ultimately **Prosecution Complex** shows how while most prosecutors aim to do justice only some hit that target consistently **People of the State of Illinois V.
