Prospective Wife:

Before You Say I Do Again Benjamin Berkley, 2009 Bookshelves are filled with warm and fuzzy titles authored by psychologists and family counselors Their message is to teach how to listen to each other and improve the relationship Before You Say I Do Again is not a how to book to get back together or to stay together Instead it takes the gloves off and provides insight as to the issues one must consider before walking down the aisle a second time Tackling a serious subject but presented in a sometimes whimsical fashion it puts the brakes on the wedding ceremony and provides the reader with the questions that must be answered before he or she drives down the path of destruction

Polygamous Families in Contemporary Society Irwin Altman, Joseph Ginat, 1996-07-26 This groundbreaking book examines marital relationships in contemporary Mormon polygamous families

The Nobility of Toulouse in the Eighteenth Century Robert Forster, 2020-03-24 Originally published in 1960 This is a regional study of the nobility of Toulouse in the eighteenth century The complex notion of class and the peculiarities of each region in France during the Ancien Régime make it difficult for historians to render a general portrait of the provincial French aristocracy This study describes the economic interests and investments of noblemen in Toulouse Some of their activities follow the classic pattern of seigniorial reaction and thus illustrate ideas posed by Marc Bloch Others suggest that the Toulousian gentlemen were conscientious landlords The Toulousian noble was essentially a gentilhomme campagnard a country gentleman in regard to his source of revenue his outlook and his mode of living This book should make clear the full meaning of this expression
