Identity and Education in Central Asia Pınar Akçalı, Cennet Engin-Demir, 2013 Focusing on the areas of politics identity and education this book looks at some of the most pressing and challenging issues that Kyrgyzstan faces in the post Soviet era It argues that Kyrgyzstan is challenged with oscillations between the old and the new on the one hand and domestic and international on the other The book analyses the process of post Soviet transition in today s Kyrgyzstan by focusing on the political elites some of the major identity problems and educational issues It discusses how Kyrgyzstan s first president in the post Soviet era had already been an exceptional leader even prior to the collapse of the Soviet Union in terms of his democratic and liberal tendencies The book goes on to look at how identity is a major factor in the country shaped to a large extent by genealogical factors and patron client mechanisms on the one hand and religious considerations on the other Finally it highlights how education has been perceived as a very influential agent of socialization that develops not only literacy and other skills but also common attitudes and values that are considered essential to any society By evaluating these three areas the book argues that Kyrgyzstan cannot isolate itself from the demands priorities and pressures of international actors which sometimes are in conflict with the country s domestic conditions It is of interest to students and scholars of Asian Studies Politics and International Relations *Globalizing Central Asia* Marlene Laruelle, Sebastien Peyrouse, 2015-02-12 In this global era Central Asia must be understood in both geo economic and geopolitical terms The region s natural resources compel the attention of rivalrous great powers and ambitious internal factions The local regimes are caught between the need for international collaborations to valorize these riches and the need to maintain control over them in the interest of state sovereignty Russia and China dominate the horizon with other global players close behind

meanwhile neighboring countries are fractious and unstable with real potential for contagion This pathbreaking introduction to Central Asia in contemporary international economic and political context answers the needs of both academic and professional audiences and is suitable for course adoption *Central Asia in Retrospect & Prospect* Mushtaq A.

Kaw,2010-01-01 Central Asia assimilated several alien traditions and trends and also forged conflicts and contradictions among the peoples of the region Therefore it cannot be understood without comprehension of its glorious past and budding present This compendium of thirty five papers presented at an international conference organized by the Centre of Central Asian Studies University of Kashmir Srinagar attempts to examine the various dynamics of Central Asia It addresses a wide range of issues concerning Central Asia s geo politics and geo strategy geo economics historico cultural relations and its relations with other countries of the world **Ethnographies of the State in Central Asia** Madeleine Reeves,Johan

Rasanayagam,Judith Beyer,2014-01-10 With fresh and provocative insights into the everyday reality of politics in post Soviet Central Asia this volume moves beyond commonplaces about strong and weak states to ask critical questions about how democracy authority and justice are understood in this important region In conversation with current theories of state power the contributions draw on extensive ethnographic research in settings that range from the local to the transnational the mundane to the spectacular to provide a unique perspective on how politics is performed in everyday life *Critical*

Approaches to Security in Central Asia Edward Lemon,2020-05-21 Central Asia remains on the periphery both spatially and in people s imaginations When the region does attract international attention it is often related to security issues including terrorism ethnic conflict and drug trafficking This book brings together leading specialists from a range of disciplines including geography anthropology sociology and political science to discuss how citizens and governments within Central Asia think about and practise security The authors explore how governments use fears of instability to bolster their rule and how securitized populations cope with and resist being labelled threats through strategies that are rarely associated with security including marriage and changing their appearance This collection examines a wide range of security issues including Islamic extremism small arms interethnic relations and border regions While coverage of the region often departs from preconceived notions of the region as dangerous obscure and volatile the chapters in this book all place emphasis on the way local people understand security and harmony in their daily lives This book will be of interest to students and researchers of Central Asian Studies as well as Security Studies and Political Science The chapters were originally published in the journal Central Asian Survey **Water and Security in Central Asia** Virpi Stucki,Kai Wegerich,Muhammad Mizanur

Rahaman,Olli Varis,2016-04-08 Examining the water development and security linkages in Central Asia can feel a bit like solving a Rubik s cube The Rubik s cube starts to usually find structure and the different pieces find their places when its solver adopts a systematic approach Still solving the whole cube takes time and perseverance This is also the case with water and security in Central Asia as demonstrated by the chapters in this book In the case of water and security in Central Asia

there are many faces including not only the Central Asian states but also the neighbouring countries and other players of global geopolitics stickers such as policies practices causes and impacts and colours such as the different stakeholders ranging from the micro and meso levels to the macro level Understanding all these or getting clarity on the nexus can seem extremely challenging Even though none of the chapters alone answers the question of what constitutes water and security in Central Asia each of them gives thoughtful ideas and information on the complexity of the issue This book was published as a special issue of the International Journal of Water Resources Development

Everyday Life in Central Asia Jeff Sahadeo, Russell Zanca, 2021-12-22 This illuminating anthology provides a range of perspectives on daily life across Central Asia and how it has changed in the post Soviet era For its citizens contemporary Central Asia is a land of great promise and peril While the end of Soviet rule has opened new opportunities for social mobility and cultural expression political and economic dynamics have also imposed severe hardships In this lively volume contributors from a variety of disciplines examine how ordinary Central Asians lead their lives and navigate shifting historical and political trends Provocative stories of Turkmen nomads Afghan villagers Kazakh scientists Kyrgyz border guards a Tajik strongman guardians of religious shrines in Uzbekistan and other narratives illuminate important issues of gender religion power culture and wealth A vibrant and dynamic world of life in urban neighborhoods and small villages at weddings and celebrations at classroom tables and around dinner tables emerges from this introduction to a geopolitically strategic and culturally fascinating region

Myth and Rhetoric of the Turkish Model Anita Sengupta, 2014-05-02 The volume discusses what the Turkish Model or Turkish Development Alternative was and why it was promoted in the Central Asian republics immediately following the dissolution of the Soviet Union It argues that the Turkish Model was a myth that transferred the ideal of a secular democratic liberal society as a model for the post Soviet Turkic world and in the process encouraged a Turkic rhetoric that emphasized connection between the two regions based on a common ancestry The volume begins with an understanding of the reality of the Model from a Turkish perspective and then goes on to examine whether the Turkic world as a cultural civilizational alternative makes sense both from a historical as well as contemporary perspective It concludes by looking at the re emergence of the Model in the wake of the events in West Asia in early 2011 and examines how in the light of a search for options the Turkish Model is once again projected as viable

Nationalism in Central Asia Nick Megoran, 2017-10-04 Nick Megoran explores the process of building independent nation states in post Soviet Central Asia through the lens of the disputed border territory between Uzbekistan and Kyrgyzstan In his rich biography of the boundary he employs a combination of political cultural historical ethnographic and geographic frames to shed new light on nation building process in this volatile and geopolitically significant region Megoran draws on twenty years of extensive research in the borderlands via interviews observations participation and newspaper analysis He considers the problems of nationalist discourse versus local vernacular elite struggles versus borderland solidarities boundary delimitation versus everyday experience border

control versus resistance and mass violence in 2010 all of which have exacerbated territorial anxieties Megoran also revisits theories of causation such as the loss of Soviet control poorly defined boundaries natural resource disputes and historic ethnic clashes to show that while these all contribute to heightened tensions political actors and their agendas have clearly driven territorial aspirations and are the overriding source of conflict As this compelling case study shows the boundaries of the The Ferghana Valley put in succinct focus larger global and moral questions of what defines a good border Language Change in Central Asia Elise S. Ahn, Juldyz Smagulova, 2016-01-15 Twenty years after the dissolution of the Soviet Union Kazakhstan Uzbekistan Kyrgyzstan Tajikistan and Turkmenistan are still undergoing numerous transitions This book examines various language issues in relation to current discussions about national identity education and changing notions of socio cultural capital in Central Asia

The Russia-Ukraine War and Its Implications on Central Asia Assylzat Karabayeva, Ikboljon Qoraboyev, 2024-10-15 The Russia Ukraine War and its Implications for Central Asia Resilience Connectivity and Decolonization embarks on a comprehensive exploration of the profound impacts of the Ukraine conflict on Central Asia viewed through the prism of the region s scholars This book assesses the geopolitical transformation economic shifts and the evolving narratives of national and regional identities underpinned by thirty years of nation building and current socio economic realities This collection critically navigates between the dual forces of emerging expectations for change decolonization and the strong undercurrents of path dependence and local socio economic constraints Furthermore it provides a nuanced examination of the intricate relationships between state society and media illustrating how these dynamics are reshaped in the face of the war s ongoing impact Through a balanced perspective this volume unveils an emerging vision of Central Asia marked by resilience and a strategic quest for a more pronounced role in global affairs This work stands as a crucial resource for understanding the multifaceted consequences of the Ukraine Russia conflict on Central

Asia enriched by authentic regional voices **Power and Change in Central Asia** Sally Cummings, 2004-01-14 This volume offers the first systematic comparison of political change leadership style and stability in Central Asia The contributors all leading international specialists on the region offer focused case studies of Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan comparing how the regimes have further consolidated their power and resisted change **Institutional Change and Political Continuity in Post-Soviet Central Asia** Pauline Jones Luong, 2002-04-29 The establishment of electoral systems in Kazakhstan Kyrgyzstan and Uzbekistan presents both a complex set of empirical puzzles and a theoretical challenge Why did three states with similar cultural historical and structural legacies establish such different electoral systems How did these distinct outcomes result from strikingly similar institutional design processes Explaining these puzzles requires understanding not only the outcome of institutional design but also the intricacies of the process that led to this outcome Moreover the transitional context in which these three states designed new electoral rules necessitates an approach that explicitly links process and outcome in a dynamic setting This book provides such an approach Finally it both builds on the key insights of the dominant approaches to explaining institutional origin and change and transcends these approaches by moving beyond the structure versus agency debate Central Asia: The Heart of the Turkic World and the Stage for Geopolitical Rivalry Memet Emin Hazret, 2025-04-03 Central Asia is not merely a geographic region but a strategic hub where history culture politics and geopolitics intersect Over the centuries these ancient lands have witnessed dominance struggles among great powers from the Gokturks to the Timurids from Tsarist Russia to the Soviet Union and re-emerged on the historical stage with independence at the end of the 20th century However independence has brought both significant opportunities and challenging legacies along with deep contradictions This book *Central Asia The Heart of the Turkic World and the Stage for Geopolitical Rivalry* aims to analyze Central Asia's historical layers political transformations security threats societal fractures and relations with global powers from a multidimensional perspective Today Central Asia finds itself economically encircled by China's Belt and Road Initiative on one side and exposed to Russia's military and cultural influence on the other Simultaneously Turkey's rising influence the West's limited yet strategic interest and the Islamic world's spiritual connections are reshaping regional dynamics While Central Asian Turkic republics grapple with authoritarian political legacies border conflicts demographic pressures unemployment brain drain radicalism threats and cultural identity issues inherited from the past they are simultaneously striving to rebuild their futures through modernization digital transformation energy partnerships and regional alliances These dynamics have captured attention beyond academic curiosity becoming focal points for political analyses economic strategies and cultural commentaries *Central Asia The Heart of the Turkic World and the Stage for Geopolitical Rivalry* is not merely informative it also represents an analytical effort that encourages critical thinking questioning comparison and guidance Each chapter connects transformations in Central Asia to their historical roots combines current developments with in depth analyses and presents

different countries experiences in comparative terms The aim is not just to narrate events but to explore their backgrounds and potential outcomes This book serves as both a reference source and a visionary guide for decision makers academics journalists students and a wide readership Understanding Central Asia today is crucial not only for regional expertise but also for interpreting global developments accurately Lastly I hope the analyses in this work contribute to constructing a more just freer and collaborative vision for Central Asia beneficial not only to Turkey and the Turkic world but also to global actors To understand Central Asia is to build the future Central Asia in Transition: Dilemmas of Political and Economic Development Boris Z. Rumer, 2024-11-01 The economic political and geopolitical future of Central Asia has been subject to speculation since the region emerged from under the Soviet banner With contributions from Central Asian Russian US and Japanese experts this book gives an analysis of the issues and choices facing the region Regional Economic Outlook, October 2019, Middle East and Central Asia International Monetary Fund. Middle East and Central Asia Dept., 2019-11-06 Growth in the near term remains subdued for oil exporters in the Middle East North Africa Afghanistan and Pakistan MENAP region amid volatile oil prices precarious global growth elevated fiscal vulnerabilities and heightened geopolitical tensions In addition declining productivity is dampening medium term growth prospects To reduce dependence on oil prices and pave the way for more sustainable growth fiscal consolidation needs to resume underpinned by improved medium term fiscal frameworks In parallel structural reforms and further financial sector development would boost foreign direct investment FDI and domestic private investment and foster diversification thus contributing to improved productivity and potential growth
