Prospering Parachurch Enlarging The Boundaries Of Gods Kingdom:

Faith in the Halls of Power : How Evangelicals Joined the American Elite Religion and Urban Life Rice University D. Michael Lindsay Assistant Professor of Sociology and Assistant Director and Faculty Fellow at the Center on Race, 2007-09-24

Evangelicals once at the periphery of American life now wield power in the White House and on Wall Street at Harvard and in Hollywood How have they reached the pinnacles of power in such a short time And what does this mean for evangelicals and for America Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they re doing with their clout Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot and from those lofty perches they have used their influence money and ideas to build up the evangelical movement and introduce it to the wider American society They are leaders of powerful institutions and their goals are ambitious to bring Christian principles to bear on virtually every aspect of American life Along the way the book is packed with fascinating stories and striking insights Lindsay shows how evangelicals became a force in American foreign policy how Fortune 500 companies are becoming faith friendly and how the new generation of the faithful is led by cosmopolitan evangelicals These are well educated men and women who read both The New York Times and Christianity Today and who are wary of the evangelical masses penchant for polarizing rhetoric apocalyptic pot boilers and bad Christian rock Perhaps most startling is the importance of personal relationships between leaders a quiet conversation after Bible study can have more impact than thousands of people marching in the streets Faith in the Halls of Power takes us inside the rarified world of the evangelical elite beyond the hysterical panic and chest thumping pride to give us the real story behind the evangelical ascendancy in America

The Prospering Parachurch Wesley K. Willmer, J. David Schmidt, Martyn Smith, 1998-11-13 My friends and colleagues Wes Willmer and David Schmidt have done a marvelous job of capturing the essence of this parachurch movement I commend this book to you Billy Graham The first book to take a comprehensive look at one of the profound paradigm shifts that is redefining religion the parachurch what it is where it came from how it operates who supports it and what is its future Foreign missions social services health care relief and development camps prisons ministry evangelistic outreach schools and colleges rescue missions and television and radio broadcasting are just a few of the forms that this burgeoning movement has taken Willmer and Schmidt provide a new understanding of the transforming of God's Kingdom beyond traditional boundaries They offer practical guidance to parachurch leaders on managing their complex mix of stakeholders in planning for a more strategic future Those involved in both church and parachurch ministries and those who study religion will find the instructive text essential reading

The Oxford History of Protestant Dissenting Traditions, Volume V Mark P.

Hutchinson, 2018-10-18 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of

dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century's major themes such as race and gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and in particular Christianity

The Surprising Work of God

Garth M. Rosell, 2020-03-18 The Surprising Work of God tells the story of how America's mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

Jesus Springs

William J. Schultz, 2025-10-07 In the years after World War II American evangelicals flocked to the once sleepy mountain town of Colorado Springs Drawn by cheap property beautiful scenery and the encouragement of civic leaders who saw religion as a path to prosperity evangelicals planted new churches and built religious nonprofits with a global reach They preached their message in churches and schools even in the United States Air Force Academy Their efforts transformed the city into what some called the Evangelical Vatican and others dubbed Jesus Springs But in the early 1990s as the evangelical movement shifted its focus from saving souls to securing political and economic power relations between the movement and the local community fractured Today the city faces the prospect of reinvention grappling with the challenges of America's fast changing religious landscape Jesus Springs reveals the power and influence of American evangelicalism within the nation's spiritual economy Linking the Cold War and the culture wars William J Schultz tracks how a deluge of defense spending helped Colorado Springs become the organizational heart of American evangelicalism This story taking place as evangelicalism transformed from a primarily religious movement into the social and political force we

know today illuminates the movement's potential impact as its participants seek ever greater power

Beyond the Congregation Christopher P. Scheitle, 2010-09-09 Christianity in the United States has long been organized around congregations and denominations. However, a different type of organization operating outside of these traditional structures is claiming an increasingly important place in the religious market. The growth of Christian nonprofits, popularly called parachurch organizations, has been recognized by churchgoers and social scientists alike as an important development that is transforming the composition and dynamics of American Christianity. The size, resources, and activities of this population have made it the public face of American Christianity and altered the relationship between individuals, churches, and denominations. *Beyond the Congregation* utilizes data on almost 2,000 of the largest and most influential Christian nonprofits in the United States to answer some of the key questions raised by these organizations: What explains the growth of Christian nonprofits? What activities are they pursuing? How are they funded, and how do they use those funds? *Beyond the Congregation* provides a much-needed examination of these issues that is accessible and informative for scholars, nonprofit executives, religious leaders, and the general public.

The Ministry of Development Cf. Frank, 2010-09 The Ministry of Development provides the 101 course for development professionals who are just getting started or want a ready reference for the scope of their work. Dr. John R. Frank describes the work, provides a biblical underpinning for those carrying out this work in a ministry context, provides proven theory and practice for how the work might be carried out, and provides a gateway of references for those wanting to grow in the profession. John Frank is passionate about stewardship. He studies, teaches, and consults on stewardship and believes it is the key to a holistic approach to life for individuals and organizations. A nationally and internationally recognized speaker and teacher, John's expertise includes stewardship, leadership, nonprofit organizations, as well as biblical training in various topics. He speaks with churches, ministry leadership boards, and retreats. His life experience includes ministry in 23 countries, pastor of worship, teaching stewardship in third-world countries, evangelistic outreach behind the Iron Curtain, as well as church leadership. He consults with and provides training for many ministries ranging from start-ups to those with 100 million annual budgets. He has authored numerous articles on stewardship, development, and leadership. His second book, *The Monthly Partner*, was published in 2005. Good and Faithful Servants David Pollock, 2010

The Priesthood of All Students Timothée Joset, 2023-06-30 Drawing on archival records and firsthand accounts this work explores the history theology and missiology of the International Fellowship of Evangelical Students IFES It examines how IFES's commitment to immediacy mediation and participation are grounded upon a firm belief in the priesthood of all believers and a missional ecclesiology that presupposes God's involvement in all aspects of life including the university It traces the impact of diverse cultures and theologies upon the manifold expressions of mission IFES has engaged and the role of IFES in extending the presence of God's people in places and among ideologies where traditional church structures have limited access This book is a powerful reminder of the transformative impact created when believers whether students or otherwise participate in the missio Dei as

faithful and creative witnesses in their own contexts Bearing relevance for all those interested in a Christian perspective on the university or the theological reverberations of student ministry it also offers a robust theological framework for understanding the legitimacy of parachurch organizations and lay ministry Contesting the Body of Christ Myles Werntz, 2025-08-05 The church changed tremendously in the twentieth century with new churches emerging and old churches being renewed This period encompassed the birth of the World Council of Churches the rise of American evangelicalism the Second Vatican Council the coming of age of charismatic Christianity and more In this book Myles Werntz explores the landscape of twentieth century ecclesiology and shows how the four marks of the church were remade contested and reaffirmed in surprising and innovative ways in the course of this turbulent century Werntz asks what it means to say that the church is one holy catholic and apostolic amid so many diverse alternatives He explains how the many dynamics of the twentieth century posed both theological and ethical challenges for confessing the marks of the church but also what promise comes from expanding our vision of how God might be at work across traditions Werntz shows that the four marks of the church can help us see what the last century brought and what we might learn from it now He also provides guidance for the future of the twenty first century church The book includes a foreword from Ephraim Radner
