China and Ashkenazic Jewry: Transcultural Encounters Kathryn Hellerstein, Lihong Song, 2022-04-04 In the past thirty years the Sino Jewish encounter in modern China has increasingly garnered scholarly and popular attention This volume will be the first to focus on the transcultural exchange between Ashkenazic Jewry and China The essays here investigate how this exchange of texts and translations images and ideas has enriched both Jewish and Chinese cultures and prepared for a global inclusive world literature The book breaks new ground in the field covering such new topics as the images of China in Yiddish and German Jewish letters the intersectionality of the Jewish and Chinese literature in illuminating the implications for a truly global and inclusive world literature the biographies of prominent figures in Chinese Jewish connections the Chabad engagement in contemporary China Some of the fundamental debates in the current scholarship will also be addressed with a special emphasis on how many Jewish refugees arrived in Shanghai and how much interaction occurred between the Jewish refugees and the resident Chinese population during the wartime and its aftermath

Twentieth-century Colonialism and China Bryna Goodman, David S. G. Goodman, 2012 Colonialism in China was a piecemeal agglomeration that achieved its greatest extent in the first half of the twentieth century the last edifices falling at the close of the century The diversity of these colonial arrangements across China's landscape defies systematic characterization This book investigates the complexities and subtleties of colonialism in China during the first half of the twentieth century In particular the contributors examine the interaction between localities and forces of globalization that shaped the particular colonial experiences characterizing much of China's experience at this time In the process it is clear that an emphasis on interaction synergy and hybridity can add much to an understanding of colonialism in Twentieth Century China based on the simple binaries of colonizer and colonized of aggressor and victim and of a one way transfer of knowledge and social understanding To provide some kind of order to the analysis the chapters in this volume deal in separate sections with colonial institutions of hybridity colonialism in specific settings the social biopolitics of colonialism colonial governance and Chinese networks in colonial environments Bringing together an international team of experts Twentieth Century Colonialism and China is an essential resource for students and scholars of modern Chinese history and colonialism and imperialism

Westward Bound Lesley Erickson, 2011-08-01 Westward Bound debunks the myth of Canada's peaceful West and the masculine conceptions of law and violence upon which it rests by shifting the focus from Mounties and whisky traders to criminal cases involving women between 1886 and 1940 Erickson's analysis of these cases shows that rather than a desire to protect official responses to the most intimate or violent acts

betrayed an impulse to shore up the liberal order by maintaining boundaries between men and women Native people and newcomers and capital and labour Victims and accused could only hope to harness entrenched ideas about masculinity femininity race and class in their favour This fascinating exploration of hegemony and resistance in key contact zones draws prairie Canada into larger debates about law colonialism and nation building **Sexual Perversions, 1670-1890 J.** Peakman,2009-07-30 A fascinating glimpse into the history of sexual perversions and diversions including fetishism cross dressing effeminate men and masculinized women sodomy tribadism masturbation necrophilia rape paedophilia flagellation and sado masochism asking how these sexual inclinations were viewed at a particular time in history **Interrogating Popular Music and the City** Shane Homan,Catherine Strong,Seamus O'Hanlon,John Tebbutt,2024-06-03 How does popular music influence the culture and reputation of a city and what does a city do to popular music Interrogating Popular Music and the City examines the ways in which urban environments and music cultures intersect in various locales around the globe Music and cities have been partners in an often clumsy sometimes accidental but always exciting dance Heritage and immigration noise and art policy and politics are some of the topics that are addressed in this critical examination of relationships between cities and music The book draws upon an international array of researchers encompassing hip hop in Beijing the city favelas of Brazil from Melbourne bars to European parliaments to heritage and tourism debates in Salzburg and Manchester In doing so it interrogates the different agendas of audiences musicians and policy makers in distinct urban settings **Health Insurance Reforms in Asia** Sabrina Ching Yuen Luk,2014-03-26 This book empirically examines health care financing reforms and popular responses in three major cities in East Asia Shanghai Singapore and Hong Kong It adopts a new revised version of the theory of historical institutionalism to compare and explain the divergent reform paths in these three places over the past three decades It also examines forces that propel institutional change The book provides three detailed case studies on the development of health care financing reforms and the politics of implementing them It shows that health care systems in Shanghai Singapore and Hong Kong were the products of Western presence in the nineteenth century It illustrates how greater attention is paid to the roles played by ideas actors and environmental triggers without abandoning the core assumptions that political institutions and policy feedback remain central to impact health care financing reforms It shows that health care financing reform is shaped by a complex interplay of forces over time It also provides the most updated material about health care financing reforms in Shanghai Singapore and Hong Kong The central argument of this book is that health care financing reform is both an evolving process responding to changing circumstances and a political process revealing an intricate interplay of power relationships and diverse interests It shows that institutional changes in health care financing system can be incremental but transformative in nature It argues that social policies will continue to develop and welfare states will continue to adapt and evolve in order to cope with new risks and needs This book sheds new lights on understanding the politics of health care financing reform and sources and modes of institutional change

Women and China's Revolutions Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries how does this change our understanding of what happened This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatter uses two key themes to frame her analysis The first is the importance of women's visible and invisible labor The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China's modern history

Gender and Education in China Paul J. Bailey, 2007-02-12 Gender and Education in China analyzes the significance impact and nature of women's public education in China from its beginnings at the turn of the twentieth century Educational change was an integral aspect of the early twentieth century state building and modernizing reforms implemented by the Qing dynasty as a means of strengthening the foundations of dynastic rule and reinvigorating China's economy and society to ward off the threat of foreign imperialism A significant feature of educational change during this period was the emergence of official and non official schools for girls Using primary evidence such as official documents newspapers and journals Paul Bailey analyzes the different rationales for women's education provided by officials educators and reformers and charts the course and practice of women's education describing how young women responded to the educational opportunities made available to them Demonstrating how the representation of women and assumptions concerning their role in the household society and polity underpinned subsequent gender discourses throughout the rest of the century Gender and Education in China will appeal to students and scholars of Chinese history gender studies women's studies as well as an interest in the history of education

Sexuality in China Howard Chiang, 2018-06-15 What was sex like in China from imperial times through the post Mao era The answer depends of course on who was having sex where they were located in time and place and what kind of familial social and political structures they participated in This collection offers a variety of perspectives by addressing diverse topics such as polygamy pornography free love eugenics sexology crimes of passion homosexuality intersexuality transsexuality masculine anxiety sex work and HIV AIDS Following a loose chronological sequence the chapters examine revealing historical moments in which human desire and power dynamics came into play Collectively the contributors undertake a necessary historiographic intervention by reconsidering Western

categorizations and exploring Chinese understandings of sexuality and erotic orientation **Gender in Chinese Music**

Rachel A. Harris, Rowan Pease, Shyr Ee Tan, 2013 Gender in Chinese Music draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture **Newspapers and the Journalistic Public in**

Republican China Qiliang He, 2018-10-08 Offering an entirely new approach to understanding China's journalism history this book covers the Chinese periodical press in the first half of the twentieth century By focusing on five cases either occurring in or in relation to the year 1917 this book emphasizes the protean nature of the newspaper and seeks to challenge a press historiography which suggests modern Chinese newspapers were produced and consumed with clear agendas of popularizing enlightenment modernist and revolutionary concepts Instead this book contends that such a historiography which is premised on the classification of newspapers along the lines of their functions overlooks the opaqueness of the Chinese press in the early twentieth century Analyzing modern Chinese history through the lens of the newspaper this book presents an interdisciplinary and international approach to studying mass communications As such this book will be useful to students and scholars of Chinese history journalism and Asian Studies more generally **Women in China's Long**

Twentieth Century Gail Hershatter, 2007-03-29 An important and much needed introduction to this rich and fast growing field Hershatter has handled a daunting task with aplomb Susan L. Glosser author of Chinese Visions of Family and State 1915-1953 *Border Crossing in Greater China* Jenn-hwan Wang, 2014-07-25 China's transformation from a poor and underdeveloped country into a global market power has profoundly altered its socioeconomic power relations with the other countries in the Greater China region namely Taiwan and Hong Kong Indeed this economic shift has resulted in the massive flow of capital and people from Taiwan as well as Hong Kong to China to seek business opportunities and new lifestyles These flows have in turn completely transformed longstanding borderlines in the region This book examines the transformation of Taiwan and Hong Kong's socioeconomic relationships with China as their economies have become more deeply integrated into Greater China Across three key sections it explores the impact of increasing social interaction and the shrinking of existing borderlines to ask whether these changes will bring about a convergence of identity among the people involved Production examines how investments from Taiwan and Hong Kong to China have transformed production networks Community explores the impact of cross boundary mobility and the integration of migrants into Chinese communities and finally Identity engages with what is one of the most important issues in contemporary Taiwanese society Border Crossing in Greater China contributes not only to theoretical debates on border crossing issues but also provides valuable insights on the practical concerns regarding social and political integration and tensions in the region As such it will be of great interest to students and scholars of Taiwan studies Chinese studies Chinese society and Chinese economics **The Selected Papers**

of Margaret Sanger, Volume 4 Margaret Sanger, 2016-10-01 When Margaret Sanger returned to Europe in 1920 World

War I had altered the social landscape as dramatically as it had the map of Europe. Population concerns, sexuality, venereal disease, and contraceptive use had entered public discussion, and Sanger's birth control message found receptive audiences around the world. This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation. The documents reconstruct Sanger's dramatic birth control advocacy tours through early 1920s Germany, Japan, and China in the midst of significant government and religious opposition to her ideas. They also trace her tireless efforts to build a global movement through international conferences and tours. Letters, journal entries, writings, and other records reveal Sanger's contentious dealings with other activists, her correspondence with the likes of Albert Einstein and Eleanor Roosevelt, and Sanger's own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat. A powerful documentary history of a transformative twentieth-century figure, *The Selected Papers of Margaret Sanger, Volume 4* is a primer for the debates on individual choice, sex education, and planned parenthood that remain all too pertinent in our own time.
