POWER RINA MELO ZAFE,2023-03-11 Prayer is common to all faiths It is not exclusive to the Christian believer The Jews pray Catholics pray Muslims pray Hindus pray Buddhists pray Scientologists pray The question is when you pray what is your purpose What s your goal what is your intended result Is it done as a part of a religious activity or is it done just to calm the soul or appease the mind Or are you praying expecting an answer a result Well if you are like me I utter prayer whether spoken or unspoken for the purpose of being heard and getting an answer Even to the natural mind or a mere logical person doing an activity that does not end in having a positive result or outcome is a meaningless activity The sad reality is even among believers we have settled to the idea that prayer is just a meaningless pursuit simply because we are so accustomed to praying and not having any result connected to prayer Where have we been remiss I wrote this book not to claim that I am an expert when it comes to prayer but to share what I discovered when it comes to this art of prayer I call it an art simply because just like any art i e drawing or painting you become better at it as you keep on doing it May we not lose this powerful tool given to us by our resurrected Savior and continue to wield it to advance His Kingdom and fulfill His purposes on earth Thank you for taking this short journey with me and I am hoping that in the pages ahead you will discover nuggets of valuable truth that you can apply in your daily living May this bring you bowing at His feet or just like John laying your head upon His heart
