Hours of Devotion Dinah Berland, 2008-11-26 Written in the nineteenth century rediscovered in the twenty first timeless in its wisdom and beauty Hours of Devotion by Fanny Neuda the daughter of a Moravian rabbi was the first full length book of Jewish prayers written by a woman for women In her moving introduction to this volume the first edition of Neuda s prayer book to appear in English for more than a century editor Dinah Berland describes her serendipitous discovery of Hours of Devotion in a Los Angeles used bookstore She had been estranged from her son for

eleven years and the prayers she found in the book provided immediate comfort giving her the feeling that someone understood both her pain and her hope Eventually these prayers would also lead her back to Jewish study and toward a deeper practice of her Judaism Originally published in German Fanny Neuda's popular prayer book was reprinted more than two dozen times in German and appeared in Yiddish and English editions between 1855 and 1918 Working with a translator Berland has carefully brought the prayers into modern English and set them into verse to fully realize their poetry Many of these eighty eight prayers as well as Neuda's own preface and afterword appear here in English for the first time opening a window to a Jewish woman's life in Central Europe during the Enlightenment Reading A Daughter's Prayer for Her Parents On the Approach of Childbirth For a Mother Whose Child Is Abroad and the other prayers for both daily and momentous occasions one cannot help but feel connected to the women who've come before For Berland Hours of Devotion served as a guide and a testament to the mystery and power of prayer Fanny Neuda's remarkable spirit and faith in God displayed throughout these heartfelt prayers now offer the same hope of guidance to others **SPIRITUAL DOORS TO GENESIS**

recipe but a multifaceted exploration of your innate abilities aspirations and personal truths These books though well intentioned can only serve as signposts along the way guiding lights that illuminate the possibilities that lie before you They provide frameworks and insights empowering you to forge your own path to carve out a destiny that resonates with your deepest desires Success is not found within the confines of a book but within the depths of your own being It is a journey of self awareness a process of unearthing your unique strengths and passions and aligning them with purposeful action It requires the courage to step beyond the pages to venture into the uncharted territories of your own potential As you navigate this exhilarating voyage remember that the real secret lies not in the accumulation of knowledge but in the application of that knowledge It is not enough to passively consume the words of others you must actively engage with the concepts internalize them and integrate them into your daily life Embrace the realization that success is not a destination but a lifelong pursuit a dynamic ever evolving dance between aspiration and accomplishment It is a symphony of dedication perseverance and adaptability conducted by your unwavering commitment to growth and personal evolution So dear seeker of true success let these books serve as stepping stones not as final destinations Embrace them as catalysts for introspection and inspiration but do not confine yourself to their teachings alone Explore experiment and forge your own path one that is uniquely tailored to your dreams passions and aspirations The real secret of success lies not in the words of others but in your willingness to embark on an inner journey of self discovery It is in the moments of introspection the leaps of faith and the relentless pursuit of your dreams that the true essence of success reveals itself Unlock the hidden chambers of your potential and let the symphony of your own achievements resound throughout the world Remember that you hold the key to your own success The motivational books with all their wisdom and guidance can only serve as a compass It is you and you alone who must embark on the extraordinary adventure of self discovery unraveling the secrets of your unique journey and emerging triumphant on the other side
