Valliere,2022-12-30 This book unmasks the sexual offender by providing clear comprehensible information about the

motivations techniques and dynamics of sexual offenders and their behavior It not only explores the biases and myths that the reader may rely upon to understand deviance but also explains pathways to offending the distorted thinking and relating that offenders engage in and the ways offenders manipulate and exploit others Sexual offenders are surrounded by mythology fascination and revulsion People who commit sexual offenses present difficult and complicated issues interpersonally as well as in treatment and management denial victim blaming aggression and blatant chronic deception are inherent in interactions with them Unfortunately the failure to truly understand their motives and techniques helps provide excuses for and further camouflage of their deviance The first part of the text explores the presumptions commonly adopted about sexual offenders and shows how misinformation supports the inappropriate behavior of the sexual offender The second section focuses on exposing the sexual offender using straightforward language and tangible examples A final third section includes safety and management strategies for dealing with sex offenders for those both inside and outside the realms of law enforcement and offender supervision This book is intended for anyone interested in learning about sexual offenders It is useful for both professionals and non professionals including students paralegals victim advocates and others involved in the criminal justice system or mental health field      *How to Protect Young People Against Sexual Abuse and Risky Sexual Behaviors* Rosemary Oshiomah Ogedengbe,2012-02-23 This Book How to Protect Young People Against Sexual Abuse and Risky Sexual Behaviors is an effort to reduce the sexual abuse of minors as well as their involvement in harmful sexual behaviors The book is the outcome of in depth research as well as the authors encounter with victims of sexual abuse You will find in it X How to protect your wards against sexual abuse and harmful sexual behaviors X How to help a victim of sexual abuse X How to help a child who is involved in harmful sexual behaviors      **Protect Your Child from Sexual Abuse** Janie Hart-Rossi,1984 Presents facts about sexual abuse and teaches children key phrases to use to resist being molested

**Becoming a Church that Cares Well for the Abused** Brad Hambrick,2019-06-04 Is your church prepared to care for individuals who have experienced various forms of abuse As we continue to learn of more individuals experiencing sexual abuse domestic violence and other forms of abuse it s clear that resources are needed to help ministries and leaders care for these individuals with love support and in cooperation with civil authorities This handbook seeks to help the church take a significant step forward in its care for those who have been abused Working in tandem with the Church Cares resources and videos this handbook brings together leading evangelical trauma counselors victim advocates social workers attorneys batterer interventionists and survivors to equip pastors and ministry leaders for the appropriate initial responses to a variety of abuse scenarios in churches schools or ministries Though the most comprehensive training is experienced by using this handbook and the videos together readers who may be unable to access the videos can use this handbook as a stand alone resource      *Acts of Violence in the School Setting* Kimberly A. McCabe,2020-01-08 Since the year 2000 there have been approximately 200 school shootings in the United States Unfortunately this is not simply a U S problem In 2017 a 15 year old

Canadian male student committed suicide after shooting two other students and a teacher During that same year in Brazil a private school student fatally shot two classmates and injured four In 2018 a 13 year old Russian girl opened fire with a gas pistol and injured seven 7th graders Hence school violence is a problem of global concern Acts of School Violence in the School Setting addresses this international problem from a crime and criminal justice perspective The history of school violence follows the pattern of what most would consider the history of education According to the U S Department of Justice current research has shown a decline in the rates of school violence over the past three years however the few high profile cases broadcast repeatedly in the media lead the public to other conclusions All individuals agree that a child attending school should be concerned with the process of learning not with avoiding victimization and that the school environment should be a safe and secure location for both students and teachers In addition and most central to this text without a safe school environment students and teachers may be assaulted injured or killed Included in this textbook are definitions related to the types and categories of school violence including bullying stalking and crimes against students that involve the internet discussions on victims and offenders and case examples Also included in this textbook is information on criminal justice system responses to school violence from both a national and international perspective Finally this textbook discusses adult perpetrators of school violence and the explanations for such attacks *Health Media Review Index, 1984-86* Deborah
