Protection Security And Safeguards Practical Approaches And Perspectives:

Protection, Security, and Safeguards Ann Hutchinson Guest, 2012-10-05 Much has changed on the security landscape since the last edition of this book was published in 2000 Today s security personnel face greater demands than ever before and are expected to be more highly trained and educated Updated to reflect the heightened security climate of the current age Protection Security and Safeguards Practical Approach **Protection, Security, and Safeguards** Dale L. June, 2000-06-28 Our need for security has not waned since the dawn of civilization it has only increased and become more complicated Protection Security and Safeguards Practical Approaches and Perspectives draws on the security prowess of former secret service agents and other notable security professionals as the authors touch on nearly every facet of the industry Written to satisfy the practical needs of anyone in the business of protection the text covers areas such as personal protection security in the workplace residence security healthcare security aviation security and many more Special chapters detailing the experiences of an identity theft victim as well as a woman who must employ 24 hour security to insure she doesn t harm others cover security issues from the client s viewpoint Other chapters on quick threat assessment and defensive tactics will help agents protect themselves and their clients Although other publications discuss and analyze security none focus on both the professional and personal perspectives of this critical industry Editor Dale L June shares his vast knowledge and lucid insight into the business of protection A former U S Secret Service agent in the Presidential Protection Division he also worked with the U S Customs Service as a terrorism intelligence specialist and was a former police officer He has more than 30 years experience in various fields of protection and security including owning and operating an executive protection and security consulting business He teaches university courses as well as security related topics at private vocational academies **Practical Police Psychology** Laurence Miller, 2006 *Celebrity Protection and Touring* Elijah Shaw, Dale June, 2018-10 Introduction to Celebrity Protection and Touring offers a peek behind the scenes of the close protection industry more commonly known as the bodyguard business More than the stereotypical bullet blocker the modern protection specialist is a skilled practitioner who utilizes verbal judo much more than its physical counterpart This book written by industry experts Elijah Shaw and Dale June also narrows the focus centering in on an exciting but misunderstood sector that involves working with celebrities ranging from actors to musicians and entering into their world of touring filming and promotional appearances While many may think that celebrity protection is one size fits all nothing could be further from the truth as you are not only dealing with the protection of the client but the client s reputation All this with the added pressure of the entire world looking over your shoulder just waiting for a misstep With real world advice tactics and techniques on how to identify and defeat potential attackers as well as covering everything from dealing with overzealous fans to hyper aggressive paparazzi this book offers proven solutions from two experts that have covered the gambit from the Grammy Awards to the White House **What They Didn't Teach at the Academy** Dale L.

June,2017-07-27 While professional courses and how to manuals can prepare us for expected events that will occur in the course of our careers there remains an untapped reservoir of life experience that cannot be prepared for in training or study Revised to include more information on analytical models for wavelength independence Radiation Heat Transfer Augmented Edition has been rearranged providing problems within each chapter rather than at the end of the book Written by Ephraim M Sparrow a generalist who works on a very broad range of problems that encompasses almost all mechanical engineering topics the book presents key ideas without being exhaustive Sparrow is in charge of the Laboratory for Heat Transfer and Fluid Flow Practice whose function in to undertake both industrially bases and fundamental problems that fall within the bounds of heat transfer and fluid flow **State Looteries** Kasey Henricks,David G. Embrick,2016-08-12 Fifty years ago familiar images of the lottery would have been strange as no state lottery existed then Few researchers have uncovered the obscure role lotteries play in the changing composition of American taxation Even less is known about what role race plays in this process More than simply taxing those on the social margins the emergence of state lotteries in contemporary American history represents something much more fundamental about state fiscal policy This book not only uncovers the underlying racial factors that contextualize lottery proliferation in the U S but also reveals the racial consequences that lotteries have in terms of redistributing tax liability **The Re-Evolution of American Street Gangs** Dale L. June,Mohamad Khatibloo,Gregorio Estevane,2015-09-25 The problem of gangs and gang subculture is a growing threat to the stability of neighborhoods and entire communities During the past two decades gang members have increasingly migrated from large urban centers to suburban areas and other countries This book addresses the intricacies and diversities of street gangs drawing on the expertise of high ranking law enforcement officials monitoring terrorist activity and gang related crimes as well as professional private investigators who have spent several decades investigating gangs and learning their subculture lifestyle motivations and relationships Ideal for supplemental reading in gang violence courses on criminal justice sociology law and psychology this comprehensive anthology presents thorough coverage of a notoriously difficult subject It explores the following key topics Social psychological and criminal impact of street gangs on juveniles Psychology of gang membership and the pathways that lead into and out of gang culture Relationship between religion and dangerous criminal gangs How U S based gangs are using technology to advance their operations Use of graffiti by street gangs Evolution of gangs and recommendations for preventing future growth Gang enhancement crimes and associated misconduct of police and prosecutors Like any type of crime street gang criminal activity cannot be totally eliminated This book aims to provide a better understanding of gangs so that we can influence today s potential gang members to make the right decisions for their sake and the sake of society Safeguarding in Social Work Practice Charlotte Chisnell,Caroline Kelly,2019-03-11 This book brings together common safeguarding themes and knowledge across social work with children young people and adults to help social workers understand safeguarding across different contexts and age groups **Watchdogs and Whistleblowers**

Stephen Brobeck, Robert N. Mayer, 2015-07-20 This book is the most comprehensive and up to date source of information about ways in which consumer activism has reshaped the economic and political well being of citizens in the United States and around the world This all encompassing collection of information about consumer activism and the consumer movement will provide students public officials business groups and other activists with a one stop source of facts and insights The contributors explore hundreds of major consumer protections that have significantly enhanced the quality of life and safety for all Americans showing how these protections were won through the skillful and determined work of leading activists and activist organizations Many of the stories told here are related by the activists themselves often for the first time More than 140 entries offer a comprehensive treatment of the consumer activism of specific organizations their leaders and strategies The book also includes more than 40 entries about consumer movements in Europe Asia Africa and Latin America A timeline of key events and a listing of the most important books on the subject of consumer activism help provide context for the individual entries as do two introductory essays Cross references in each entry establish linkages among topics

Safeguarding Black Children Claudia Bernard, Perlita Harris, 2016-05-05 Providing an exploration of the key issues this book offers practical advice on how to improve the safeguarding and welfare of black children and young people in need With contributions from academics researchers and practitioners it promotes an understanding of the particular cultural and social issues that affect black children in relation to child protection It highlights how race and racism as well as culture faith and gender can influence the ways need and risk are interpreted and responded to Drawing on insights from research evidence case examples and practice guidelines it outlines the range of factors that contribute to the vulnerability of black children and describes how to improve techniques of working with minority ethnic families The book covers issues such as the effects of parental mental health problems living with domestic violence child maltreatment and demonstrates how these might be understood differently for black children and young people There are also chapters on topics such as female genital mutilation witchcraft and forced marriage Essential reading for all social workers and child protection workers as well as students and support managers Safeguarding Black Children provides the tools and understanding needed to better support these children

Child-Centred Social Work: Theory and Practice Vivienne Barnes, 2018-02-09 With an emphasis on professional expectations values and practice skills such as building trust listening and advocacy this textbook helps enable social workers base their practice with children and young people on a truly child centred model Drawing on contemporary knowledge about childhood and children s rights it provides a critical understanding of the theoretical and legal basis for child centred practice and examines the dilemmas faced by professionals in maintaining their focus on promoting children and young people s participation in decision making Child Centred Social Work is essential reading for students and professionals helping the reader understand what we can learn from the tragic deaths of children such as Baby P and Victoria Climbié and from children and young people in care who need their voices heard

Safeguarding Adults in

Nursing Practice Ruth Northway, Robert Jenkins, 2017-01-20 All nurses whatever setting will encounter people who are at risk Harrowing examples of abuse and neglect are frequently in the headlines and the nursing profession has a crucial responsibility to play in ensuring that vulnerable patients are cared for and safeguarded This Second Edition answers all of the key questions including What is neglect What makes someone vulnerable What role does safeguarding play What does good safeguarding look like Why can safeguarding fail How can positive practice be developed What are the professional and legal responsibilities facing nurses This helpful resource will improve readers understanding of the policy practice and research underpinning safeguarding while also preparing them for their important role as an advocate for and safeguarder of the people in their care *The Adult Safeguarding Practice Handbook* Kate Spreadbury, Rachel Hubbard, 2020-05-20 This is an essential practical guide to best practice in adult safeguarding which supports students and practitioners to develop the skills knowledge and ethical awareness to confidently address the challenges of adult safeguarding across a wide range of practice contexts in the UK The authors explore the current context of adult safeguarding in the UK together with the legislation rights and principles that are the basis of best practice and with a focus on developments in practice following the implementation of the Care Act 2014 Practitioners are supported to develop their practice by exploring new research and innovative ways of working within the field while promoting the importance of learning from experience and building resilience in adult safeguarding work This book includes helpful case studies and examples of professional decision making from experienced adult safeguarding practitioners top tips and models to enable confident application of knowledge to practice tools for reflection to extend the practitioner s development **Developing Child-Centred Practice for Safeguarding and Child Protection** Rachel Buckler, 2023-02-28 Placing children at the centre of safeguarding principles and practices is vital for ensuring the best child protection This essential resource provides early years practitioners with all that they need to be confident and competent as they fulfil their roles and obligations to safeguard and protect children Exploring the main factors that impact on the lives of young children in the current safeguarding climate this book is a starting point for understanding the risks and categories of abuse and neglect Grounded in best practice it gives practitioners encouragement and advice to help shape and drive practice forward with child centred motives practices and perspectives The book offers Insights into the current safeguarding climate backed by practical examples An introduction to managing the different safeguarding challenges faced by early years professionals Methods for contextualising these for children in the early years Guidance on supporting vulnerable children their families and other agencies working alongside them Reflections case studies and a wide range of example scenarios Voices and insights from across the sector woven throughout for a holistic understanding of safeguarding With accessible chapters drawing on best practice from across the sector at every level this is a valuable resource for all those working in the early years whether just starting out or highly experienced in the field Blaber's Foundations for Paramedic Practice: a Theoretical Perspective Amanda

Blaber,2018-11-19 This bestselling undergraduate level book is an ideal resource for student paramedics looking for an excellent introduction to the main theoretical subjects studied in paramedic courses and links practice issues to the all important theory base The chapters bring to life a wide variety of academic subjects making complex subjects easily readable and encouraging reflection on how theory fits with practice This 3rd edition has been expanded throughout and includes five new chapters on research and evidence based practice human factors affecting paramedic practice developing resilience caring for people with dementia and public health perspectives This new edition also covers Ethics and law for the paramedic Reflective practice and communication Professional issues including clinical audit and governance and anti discriminatory practice Psychological perspectives on health and ill health Social factors Care of vulnerable adults and end of life care Safeguarding children Managing change decision making and leadership theory Written by a team of experienced paramedics specialist health care professionals and doctors from across the UK the book includes numerous links to practice a wide selection of case studies and examples which encourage you to stop and think and reflect upon your practice experience Blaber s Foundations for Paramedic Practice A theoretical perspective 3rd Edition is a core text for student paramedics and a valuable resource for students of all allied health professions This book should be considered essential reading material for student paramedics endeavouring to understand the vital core concepts that underpin paramedic science This clear concise and user friendly text is also invaluable for newly qualified paramedics experienced paramedics looking to continue their own professional development and those acting as Practice Educators Sarah Christopher PGC LTHE BSc Hons MA Ed FHEA MC Para Programme Lead for Paramedic Science The University of Lincoln UK Protecting and Safeguarding Children in Schools Mary Baginsky,Jenny Driscoll,Carl Purcell,Jill Manthorpe,Ben Hickman,2022-07-27 Schools play a vital role in safeguarding children and young people yet there has been little research into how schools identify and respond to child protection concerns and their engagement with local authority children s services This book highlights the findings of a major ESRC funded study on the child protection role played by schools their decision making processes and involvement in inter agency working Crucial reading for academics practitioners and managers in children s social care and education it evaluates the impact of recent policy developments including the Academies and Free Schools programme as well as the restructuring of local authority children s services Child-Centred Practice Tracey Race,Rebecca O'Keefe,2017-05-30 Since the Munro report 2011 a greater emphasis has been placed on the value of child centred practice in social work with children young people and families It has come to be recognised that social workers cannot make an assessment or intervene to safeguard children and promote positive outcomes without engaging with the children themselves This involves recognising the rights of the child getting to know who they are what they need how they feel about their situation and what they want for their future Split into two distinct sections this authoritative text focuses on the foundational knowledge required for child centred work unpacking the ethical and theoretical principles that form the basis

of the approach and exploring current debates around working with children and families Benefitting from the authors extensive experience in academia and practice settings each chapter Provides insightful practitioner testimonials and case study examples to help the reader apply what they have learned to everyday practice Highlights important research studies that give voice to children and young people providing the reader with background knowledge of the evidence base for child centred approaches Includes engaging questions and activities to enable the reader to reflect on what they have learned and make links to their own practice values and beliefs With a strong focus on developing the reader s practice skills particularly in engaging and communicating with children Child Centred Practice is an essential handbook for students and professionals involved in this complex yet rewarding area of social work practice

Safeguarding and Protecting Children in the Early Years Steven Burton,James Reid,2017-10-09 This new edition provides a comprehensive guide for safeguarding and child protection in the early years Aimed at both students and practitioners it offers clear insight and guidance into the legal and policy foundations for effective safeguarding practice together with both the historical context and also more contemporary developments in safeguarding practice in the early years sector This second edition has been fully updated to reflect current legislation and includes new material on interagency work supporting children s resilience and safeguarding all children Drawing on the everyday dilemmas and experiences of early years professionals it helps you to find solutions to both practical and moral issues in a context of legal duties and responsibilities The chapters consider the historical context of safeguarding and child protection the legislative framework around safeguarding and child protection safeguarding through inter professional and multidisciplinary work the identification of neglect in early years children the consequential abuse that can occur as a result of parental behaviours safeguarding children s health and wellbeing safeguarding as a member of a team and the importance of communication safeguarding against the misuse of technology Safeguarding and Protecting Children in the Early Years has been written by a multidisciplinary team of academics from a breadth of UK universities with a wealth of experience in safeguarding and child protection the EYFS health visiting social work the police and in leading and managing services for children and families This second edition is essential reading for anyone working with or aspiring to work with children in the early years

Subject Guide to Books in Print ,1993 **Contextual Safeguarding and Child Protection** Carlene Firmin,2020-05-20 This book offers a complete account of Contextual Safeguarding theory policy and practice frameworks for the first time It highlights the particular challenge of extra familial routes through which young people experience significant harm such as child sexual exploitation criminal exploitation serious youth violence domestic abuse in teenage relationships bullying gang association and radicalisation Through analysing case reviews observing professionals and co creating practices with them Firmin provides a personal philosophical strategic and practical account of the design implementation and future of Contextual Safeguarding Drawing together a wealth of practice examples case studies policy references and practitioner insights for the first time this book articulates a new safeguarding framework and

provides a detailed account of its translation across an entire child protection system and its relevant component parts It will be of interest to all scholars students and professionals working within social work youth justice and youth work policing and law enforcement community safety council services forensic and clinical psychology counselling health and education
