Protéger Les Droits Humains:

Lexicon Of Human Rights / Les Définitions des Droits de l'Homme Cédric Viale, 2008-10-31 This volume contains terms often found in international human rights instruments together with clear authentic objective and easily understandable definitions of them Human rights are so fundamental and so important for everyone that all human rights documents should be understood by anyone old or young educated or uneducated expert or non expert Yet many human rights conventions declarations instruments and volumes and papers are extremely hard to comprehend or are easily misunderstood because certain expressions and terms are not clearly defined or are written in such a way that only those familiar with UN jargon can understand This publication is a useful tool for those who face such difficulty in understanding UN human rights documents and other texts The volume is easy to use yet rich in detail and will be an indispensable tool for practitioners researchers and students of human rights law

African Human Rights Yearbook / Annuaire africain des droits de l'homme 3 (2019), 2019-01-01 About the publication The African Charter on the Rights and Welfare of the Child African Children's Rights Charter is the continental instrument for protecting and promoting the rights and welfare of the Child The Children's Charter adopted in 1990 forms part of the salient features of the African human rights system complementing the parent human rights instrument the African Charter on Human and Peoples Rights African Charter To give meaning and effect to its provisions the African Children's Rights Charter in article 34 establishes an organ namely the African Committee of Experts on the Rights and Welfare of the Child African Children's Rights Committee or Committee to monitor implementation by member states to advocate for children's rights and to hold state parties accountable to their obligations as state parties Working collaboratively on the continent's human rights system the organs comprising the African human rights namely the African Commission on Human and Peoples Rights Commission the African Court on Human and Peoples Rights Court and the African Children's Rights Committee have undertaken to publish the African Human Rights Yearbook This is an instrumental platform to highlight the mandate of the organs to foster collaboration and to illustrate Africa's commitment to uphold human rights It is an important initiative that highlights various aspects of the norms and institutions relevant for human rights on the continent This is the third volume of the Yearbook It includes a focus on the 2019 theme of the African Union Refugees Returnees and Internally Displaced Persons Towards Durable Solutions to Forced Displacement in Africa The African Children's Committee has at the same time undertaken and published a study on Children on the Move 2019 focusing not only on refugees detainees and internally displaced persons but also drawing inspiration from the protective mandate of the African Children's Rights Charter to draw the continent's attention to the protection and promotion of the rights and welfare of children who are on the move The focus on themes of the African Union enables a critical analysis of the extent of their implementation and relevance to the human rights discourse in the continent Furthermore the special focus of the Yearbook on various groups of people in vulnerable situation such as children and

women signals the need to enhance their protection and prioritise their plight The role of academic writing in advancement of human rights deserves due notice and appreciation by human rights implementing bodies Peer reviewed academic research provides credible and independent knowledge about human rights in a specific country or region as well as in various contexts and thematic areas Academia plays a major role in the development of a human rights resource base that enables sustainable enhancement of human rights protection and promotion The African Human Rights Yearbook is an excellent example of the important role played by academia in strengthening human rights protection and promotion in Africa The breadth of knowledge enveloped in the Yearbook is evidenced by the long list of highly established scholars that informed it By questioning and analysing the institutional architecture and the work of the three human rights bodies the Yearbook has an invaluable role of ameliorating their functioning as a collective system For this reason it is critical that the Committee Commission and Court take note of the various recommendations stemming from the research and apply them when relevant for better protection and promotion of human rights in Africa Mrs Goitseone Nanikie Nkwe Chairperson of the African Committee of Experts on the Rights and Welfare of the Child La Charte africaine des droits et du bien tre de l enfant Charte des droits de l enfant est l instrument central en mati re de protection et de promotion des droits et du bien tre de l enfant en Afrique Adopt e en 1990 elle fait partie int grante des instruments cl s du syst me africain des droits de l homme et compl te cet effet la Charte africaine des droits de l homme et des peuples le trait fondateur du syst me africain des droits de l homme Pour mieux prot ger les droits des enfants le Comit africain d experts sur les droits et le bien tre de l enfant Comit fut cr travers l article 34 de la Charte des droits de l enfant Cet organe a pour mission de surveiller et de contr ler l application et la mise en oeuvre de la Charte Il veille que les Etats respectent et rendent compte de la mise en oeuvre des obligations qui leur incombent en vertu de la Charte Travaillant en troite collaboration dans le cadre de la protection des droits de l homme en Afrique la Commission africaine des droits de l homme et des peuples la Cour africaine des droits de l homme et des peuples et le Comit africain d experts sur les droits et le bien tre de l enfant ont mis en place l Annuaire africain des droits de l homme Cette initiative sert d opportunit pour promouvoir les missions d volues auxdits organes raffermir les liens de collaboration entre eux et rappeler l engagement pris par l Afrique afin de prot ger les droits humains L Annuaire est une initiative importante car elle met en exergue les diff rents aspects normatifs et institutionnels des droits de l homme en Afrique Ce troisi me volume de l Annuaire est d di au th me que l Union africaine a retenu pour l ann e 2019 Ann e des r fugi s des rapatri s et des personnes d plac es Vers des solutions durables aux d placements forc s en Afrique En parall le le Comit a entrepris et publi une cartographie des enfants en mouvement en Afrique 2019 ax e sur les r fugi s les d tenus et les d plac s internes Tirant ses fondements du mandat de protection que conf re la Charte des droits de l enfant la cartographie attire l attention du continent sur la protection et la promotion des droits et du bien tre des enfants en mouvement L emphase sur les th mes de l Union africaine dans l Annuaire permet d examiner le degr de leur mise en oeuvre

et leur importance au débat sur la question des droits de l'homme en Afrique. Par ailleurs, l'accent mis sur les catégories et groupes en situations de vulnérabilité dont les enfants et les femmes sert à rappeler la nécessité de renforcer leur protection et de prioriser leur infortune. Les organes de protection des droits de l'homme devraient reconnaître sa juste valeur et le rôle que jouent les travaux scientifiques dans la promotion des droits de l'homme. Les travaux de recherche scientifique relus et examinés par les pairs fournissent des connaissances crédibles et indépendantes sur les droits de l'homme dans un pays ou une région spécifique ainsi que dans divers contextes et domaines thématiques. Les universités jouent un rôle prépondérant dans la mise en place des ressources adéquates en matière des droits de l'homme en vue de renforcer durablement leur protection et promotion. L'Annuaire africain des droits de l'homme est un parfait exemple de l'important rôle joué par les universités dans le renforcement de la protection et de la promotion des droits de l'homme en Afrique. La profondeur des connaissances que regorge l'Annuaire peut être illustrée de par la longue liste d'universitaires et des chercheurs qui le constituent. En interrogeant et en analysant l'architecture institutionnelle et le travail des trois organes de défense des droits de l'homme, l'Annuaire joue un rôle inestimable dans l'amélioration de leur fonctionnement en tant que système collectif. Pour cette raison, il est essentiel que le Comité, la Commission et la Cour prennent note des diverses recommandations découlant des recherches entreprises et les appliquent le cas échéant pour une meilleure protection et promotion des droits de l'homme en Afrique.
