Protest And Politics Christianity And Contemporary Affairs:

Protest and politics : Christianity and contemporary affairs Robert Dean Linder (ed),1968 *Protest and Politics. Christianity and Contemporary Affairs. D. by Robert G. Clouse, Robert D. Linder, Richard V. Pierard ,1968* *Sin and Politics* Jeong Kii Min,2009 *Sin and Politics* Issues in Reformed Theology is an overview of the relationship between sin and politics from the reformational point of view This short theological history is comprised of three parts politics without sin creational politics politics with sin fallen politics and politics beyond sin redeemed politics As a creation of human culture politics have been tainted with sinful distortion in this world but will be recovered in the future Kingdom by the eternal kingship of the Lord of Lords *Sin and Politics* includes a summary and commentary on political discussions by various Reformed theologians It uncovers the Reformed tradition s positive regard for politics and the profound theological root of politics *A Study Guide to Accompany Protest and Politics* Robert Dean Linder,Richard V. Pierard,1970 **Progressive Evangelicals and the Pursuit of Social Justice** Brantley W. Gasaway,2014-10-30 In this compelling history of progressive evangelicalism Brantley Gasaway examines a dynamic though often overlooked movement within American Christianity today Gasaway focuses on left leaning groups such as Sojourners and Evangelicals for Social Action that emerged in the early 1970s prior to the rise of the more visible Religious Right He identifies the distinctive public theology a set of biblical interpretations regarding the responsibility of Christians to promote social justice that has animated progressive evangelicals activism and bound together their unusual combination of political positions The book analyzes how prominent leaders including Jim Wallis Ron Sider and Tony Campolo responded to key political and social issues over the past four decades Progressive evangelicals combated racial inequalities endorsed feminism promoted economic justice and denounced American nationalism and militarism At the same time most leaders opposed abortion and refused to affirm homosexual behavior even as they defended gay civil rights Gasaway demonstrates that while progressive evangelicals have been caught in the crossfire of partisan conflicts and public debates over the role of religion in politics they have offered a significant alternative to both the Religious Right and the political left *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two* James Leo Garrett Jr.,2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garret Jr 1950 2015*

will inform and inspire readers regardless of their religious or denominational affiliations **Christianity and Democracy**

John W. De Gruchy, 1995-06 The need for global democratisation is now widely recognised but there is considerable debate about what this means and how it can be achieved In this important study John de Gruchy examines the historic and contemporary roles of Christianity in the development of democracy He traces the gestation of modern democracy in medieval Christendom and then describes the virtual breakdown of the relationship as democracy becomes the polity of modernity Five twentieth century case studies the USA Nicaragua sub Saharan Africa Germany and South Africa demonstrate the extent to which ecumenical Christianity has begun to reconnect with democracy and act as its contemporary midwife De Gruchy argues that democracy needs to rediscover its spiritual heritage while Christianity needs to develop a theology adequate for its participation in the realisation of a just democratic world order **Christian Perspectives on Sociology**

Stephen Grunlan, Milton Reimer, 2001-04-02 Essential Papers on Jewish-Christian Relations in the United States Naomi W. Cohen, 1990 *The Cross and the Flag* Robert G. Clouse, Robert D. Linder, Richard V. Pierard, 2007-05-01

American nationalism is it synonymous with evangelical Protestantism Do Christians carry a cross in one hand and wave a flag with the other The following chapters by young Christian scholars respond to this all too frequent identification of evangelicalism with the interests values and policies of Americanism Some of today s most sensitive issues are discussed militarism disarmament revolution war the Israel Arab tinder box ecology poverty racism the radical right the radical left and Women s Liberation Committed to a high view of Scripture these critical lovers and loving critics of evangelicalism attempt to be Biblical socially economically and politically as well as theologically They have no hesitancy in attacking a number of sacred cows they have no hesitancy either in advocating positions which their fellow believers call leftist Their approach however while occasionally sharp and necessarily negative is objective dispassionate and peaceful We are reminded in this courageous book that the political problems inevitably become moral problems and on moral problems the Bible speaks in a loud voice The writers plead for some serious thinking and rethinking instead of a closed minded patriotism which proudly renders to Caesar the things which are God s Vernon Grounds Conservative Baptist Theological Seminary **Evangelical America**

Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key

issues such as human rights environmentalism and gender and sexuality *The Great Reversal* David Moberg, 2007-01-01 Why did the evangelical church which had been the leader in social welfare and reform prior to the twentieth century discontinue its involvement in social concerns Is a commitment to personal evangelism incompatible with an interest in social issues In this provocative book Dr Moberg analyzes the Great Reversal of the early twentieth century and discusses its causes and effects all in the context of seeing the Bible as the guide to faith and conduct The importance of recognizing and coping with social evil as well as personal sin is emphasized and the author concludes with a summary of developments that are helping to reverse the Great Reversal and restore evangelical Christianity to its rightful place of leadership *Religious Leadership in National Political Conflict* Lloyd Tichaenda Nyarota, 2013-03-07 It is one thing for a religious leader to confront and challenge political leaders it is altogether another thing when such a leader becomes a partisan political leader This is what happened in the case of Bishop Abel Tendekai a bishop of the United Methodist Church For such a religious leader to attempt to traverse both worlds political and religious are in some ways uncharted waters in other ways they are treacherous waters The pages which follow in this lucid and detailed volume is an effort to look back on the challenge and complexity of moving from colonialism to independence to the making of a new independent nation on the Continent of Africa What happens when the prophetic voice expected of and from the Church becomes the identified political entity How does it challenge itself or how is it distinguished from the political power it seeks to hold accountable on behalf of all the people These are several of the questions Nyarota tackles through the examination of the impact of the struggle for liberation upon the United Methodist Church its leader Bishop Muzorewa as both find themselves in the midst of nation building political struggle and the vying for political power **The Unequal Yoke** Richard V. Pierard, 2006-10-26 In this hard hitting book Richard V Pierard examines the growing affinity between evangelical Christianity and political and economic conservatism that was occurring in the 1960s and eloquently appeals for a dissolution of these unwarranted ties The Christian faith stresses love for one's neighbor selflessness humility and peacemaking virtues which are at variance with the practices of the right Pierard's critique of the linkage of Christianity with American nationalism militarism and capitalism is as relevant today as it was 35 years ago By bringing this unfortunate situation into the open he hopes to encourage evangelical leaders to break this unequal yoke and unleash the spiritual forces of American evangelicalism for meaningful participation in the growth of world Christianity Mainstreaming Fundamentalism Keith Bates, 2023-08-18 In *Mainstreaming Fundamentalism* John R Rice and Fundamentalism's Public Reemergence Keith Bates embarks on a thematic and chronological exploration of twentieth century Baptist fundamentalism in postwar America sharing the story of a man whose career intersected with many other leading fundamentalists of the twentieth century such as J Frank Norris Bob Jones Sr Bob Jones Jr and Jerry Falwell Unique among histories of American fundamentalism this book explores the theme of Southern fundamentalism's reemergence through a biographical lens John R Rice's mission to inspire a broad cultural activism within fundamentalism

particularly by opposing those who fostered an isolationist climate would give direction and impetus to the movement for the rest of the twentieth century To support this claim Bates presents chapters on Rice s background and education personal and ecclesiastical separatism and fundamentalism and political action tracing his rise to leadership during a critical phase of fundamentalism s development until his death in 1980 Bates draws heavily upon primary source texts that include writings from Rice s fundamentalist contemporaries his own The Sword of the Lord articles and his private papers particularly correspondence with many nationally known preachers local pastors and laypeople over more than fifty years of Rice s ministry The incorporation of these writings combined with Bates s own conversations with Rice s family facilitate a deeply detailed engaging examination that fills a significant gap in fundamentalist history studies Mainstreaming Fundamentalism John R Rice and Fundamentalism s Public Reemergence provides a nuanced and insightful study that will serve as a helpful resource to scholars and students of postwar American fundamentalism Southern fundamentalism and Rice s contemporaries
