*Protus Rising* Ken Catran,1999-03-15      **Proteus Rising** Peter Dingus,2006 On a vast Martian Colony in the year 2331 the authorities discover a movement that could make humanity obsolete In a bold and dangerous experiment that began fifteen years earlier two scientists under the cloak of rudimentary genetic therapy necessary for life on Mars planted a revised genetic code into a group of children code named the Proteus File      Century Monthly Magazine Josiah Gilbert Holland,Richard Watson Gilder,1921      Creative Unity Rabindranath Tagore,2012-05-22 WE STAND BEFORE this great world The truth of our life depends upon our attitude of mind towards it an attitude which is formed by our habit of dealing with it according to the special circumstance of our surroundings and our temperaments It guides our attempts to establish relations with the universe either by conquest or by union either through the cultivation of power or through that of sympathy And thus in our realization of the truth of existence we put our emphasis either upon the principle of dualism or upon the principle of unity The Indian sages have held in the Upanishads that the emancipation of our soul lies in its realizing the ultimate truth of unity They said Ishavasyam idam sarvam yat kinch jagatyam jagat Yena tyaktena bhunjitha ma gradha kasyasvit dhanam Know all that moves in this moving world as enveloped by God and find enjoyment through renunciation not through greed of possession The meaning of this is that when we know the multiplicity of things as the final truth we try to augment ourselves by the external possession of them but when we know the Infinite Soul as the final truth then through our union with it we realize the joy of our soul Therefore it has been said of those who have attained their fulfilment sarvarn eva vishanti they enter into all things Their perfect relation with this world is the relation of union      *Studies in English and Comparative Literature* Agnes Irwin,1910      Under the Peak William T. Mercer,2022-06-06 Reprint of the original first published in 1869      **The Kid Sensation Series (Books 1 - 3)** Kevin Hardman,2014-01-26 Get the first three books in the Kid Sensation Series at a tremendous discount Additional books in the Kid Sensation Series include the short story Extraction and the upcoming fourth novel in the series Revelation \_\_\_\_\_ SENSATION Kid Sensation 1 Like millions of other kids Jim grew up wanting to be a superhero Unlike most of his contemporaries however Jim actually had the goods a plethora of super powers that would have been the envy of any meta on the planet But when his tryout with the Alpha League the world s premiere group of supers goes disastrously wrong Jim basically becomes an outcast Two years later Jim is still bitter about what happened to him However he soon finds himself the centerpiece in an odd turn of events that gives him a second chance at his dream But nothing is as easy as it sounds as Jim soon discovers Among other things he s made an enemy of a prospective super teammate he s being stalked by an unknown pursuer and a shadowy cabal bent on world domination has identified him as the only obstacle to their plans It s a lot for one super to handle even with a smorgasbord of abilities But if saving the world were easy everyone would do it \_\_\_\_\_ MUTATION Kid Sensation 2 Kid Sensation is back The intrepid teen super with the plethora of powers returns in a new adventure Having saved the planet and earned a place with the

world's premiere superhero team Jim aka Kid Sensation is preparing to attend the prestigious Academy where teen supers from every corner of the globe learn to master their abilities At the same time however he is approached by a mysterious government organization that wants Jim to work for them and they won't take No for an answer Moreover at the Academy itself an insidious and highly contagious virus is running amok through the student population striking at the heart of their abilities Students are losing control of their powers with lethal consequences Now in addition to evading the machinations of government agents Jim must solve the mystery behind the virus and how to stop it before every super everywhere becomes fatally infected \_\_\_\_\_ INFILTRATION Kid Sensation 3 Having a surfeit of super powers is great for battling bad guys and saving the world as Jim aka Kid Sensation is finding out but less useful in dealing with day to day situations like bonding with his superhero father adjusting to a team environment and coping with what might be perceived as a growing rivalry between himself and another teen super On top of all that despite having a serious girlfriend he finds himself inexplicably drawn to a new female super he's just met At the same time some villain has just gotten himself a new toy an unknown weapon of tremendous power that is able to strike without warning causing unprecedented destruction and loss of life Perhaps more terrifying the wielders of this weapon make no demands and issue no threats they simply attack Even the Alpha League the world's greatest superhero team is not immune suffering an assault on their very own doorsteps It quickly becomes clear that the only way to stop this new evil is from within With his unique abilities Jim is the only person capable of infiltrating the enemy's ranks It's up to him to figure out who is behind these attacks what they want and find a way to stop them and their secret weapon before they bring the entire world to its knees teen young adult science fiction fantasy coming of age superhero paranormal urban magic anthologies romance **Under the Peak; Or, Jottings in Verse, Written During a**

Iain, 2022-05-20 Ryann never wanted to be a commander Nor did she want to be a fugitive on the run from the company that trained and enhanced her And she definitely didn't want to end up in a lawless desert city hunting an ancient tech relic for a double crossing crime boss The relic is the key to untapped power and others hunt it with ruthless determination willing to kill any who get in their way As enemies close in as the company watches from the shadows and as her crew crumbles around her Ryann must fight like she's never fought before Desert Bound is the first book in the sci fi adventure series ShadowTech *Selections from Wordsworth's Poems. With Notes, Etc* William Wordsworth, 1874 Plays Political Dan Laurence, George Bernard Shaw, 1999-08-26 While some of Shaw's earlier plays are still performed his later plays such as the ones in this volume are barely known As the collective title indicates the themes here are political yet frankly it is doubtful how seriously we can now take Shaw as a political thinker Despite writing in the 1930s he has little to say of the nature of totalitarianism although he satirises Fascist dictators in Geneva the satire is disappointingly mild Neither did Shaw appear to foresee on the evidence of these plays at least the imminent collapse of the British Empire But it is Shaw the dramatist rather

than Shaw the political philosopher who still holds our attention even in plays as explicitly political as these He had a sharp intellect and a quirky sense of humour and his dialogue still glints and sparkles he couldn't write a dull line if he tried No matter how serious the themes he addresses the crispness of his writing and his lightness of touch still scintillate Shaw seems perhaps unfairly out of fashion nowadays But even in these lesser known works he demonstrates his matchless ability still undimmed to provoke and to entertain
