Proud Blood

Tony Martin

Proud Blood:

Born of Proud Blood Roberta C.M. DeCaprio, 2012-11-09 When Apache warrior Gabriel Golden Eagle escorts his sisters to England to live with his mother's family he only intends to see them safe and claim the family inheritance so he can free his village from the white man's cruel tyranny. What he doesn't count on is meeting Riley Flanders. Infatuated with another woman, Gabriel doesn't pay much attention to Riley until the day she is kidnapped. The minute Riley sets eyes on the handsome warrior, her heart is won. Though his interest lies with someone else when Riley is kidnapped, Gabriel comes to her rescue. While fighting together to escape their enemies, a romance ignites. But will his heart remain hers? True love has been right beneath their noses all along, and Riley hopes Gabriel takes the time to notice. *Blood in the Face* (revised new edition) James Ridgeway, 2025-01-14 In 1990 *BLOOD IN THE FACE: The Ku Klux Klan, Aryan Nations, Nazi Skinheads and the Rise of a New White Culture* was the first book to uncover the contours, beliefs, leaders, and wider influence of the American racist far right movement. It told their story from the inside out, complete with interviews, recruiting pamphlets, cartoons, rants, sermons, threats, police reports, and more. The accompanying analysis by veteran investigative reporter James Ridgeway detailed the movement's volatile history and its expansion beginning in the 1980s, insisting that the groups making up this fringe culture were too powerful and too much a part of American culture to be ignored or dismissed. When the book's prescience about the dangers of the racist far right became manifest in the Oklahoma City bombing of 1995, a second edition of *BLOOD IN THE FACE* was released with a new introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co-conspirators were connected. Since then, both the book and the documentary film that accompanied its release, also titled *BLOOD IN THE FACE*, have earned cult followings. In the past 25 years, Ridgeway's final warning that the fringe was becoming part of the fabric of American politics and culture have come to chilling fruition in the rise of the Tea Party, the racist backlash against the presidency of Barack Obama, the resurgence of anti-immigrant Nativism, the growth of racist far right media, and the election of Donald Trump with the thunderous support of white nationalists. **Red Blood and Blue** Harrison Robertson, 1901 *The blood of the gods, Ayecan* Mario Cerda, 2025-07-30 Five shamans. One ancestral war. A land where gods still remember their names. In the aftermath of the Conquest, a dark spiritual force rises from the jungles to erase every trace of ancestral memory. The invaders burn codices, silence shamans, and torture those who preserve the old gods. But five powerful men and women from different Indigenous nations refuse to forget. Each of them holds a gift: the power to summon sacred spirits, channel the divine, and face the dark priest who incarnates the very destruction of their world. With fierce resistance, ancient rituals, and the guidance of mythological beings, they journey to awaken the blood of the gods that still runs through their people. *Ayecan* is the first installment in the series *Novels and Wisdom of the Ancestral Mexican World*, a fusion of spiritual fantasy, historical fiction, and Indigenous power. *Blood and Culture* Cynthia Miller-Idriss, 2009-08-28 Ethnographic study that examines how patterns of national identity are constructed and transformed.
