Proud Northern Lady Lady Anne Clifford 1590 1676:

Proud Northern Lady Martin R. Holmes, 1984 **Proud Northern Lady** Martin Holmes, 1975 Lady Anne Clifford, "Proud Northern Lady" ,1990* Lady Anne Clifford, Countess of Pembroke, Dorset and *1590-1676* ,1990 Montgomery (1590-1676) Richard T. Spence, 1997 Lady Anne Clifford was one of the most renowned noblewomen of the Stuart era Born on 30 January 1590 at Skipton Castle in Yorkshire she spent much of her life fighting to win the baronial titles and estates in Westmorland and Yorkshire of her famous father George Clifford the Queen's champion Having steadfastly resisted the browbeating of her husbands the earls of Dorset and Pembroke and also James I in 1643 she inherited the estates and in 1649 moved north to take possession There she won enduring fame by restoring her ruined castles and churches founding almshouses and erecting monuments her philanthropy was legendary She died at Brougham Castle in Westmorland on 22 March 1676 aged eighty six the last of her line In this first full scale biography for over seventy years and the first ever cirtical study Lady Anne emerges as a far more fascinating and complex personality than has been The Diary of Anne Clifford 1616-1619 Katherine Acheson, 2019-05-23 Originally published in 1995 this book supposed contains a full version of The Diary of Anne Clifford alongisde an introduction and textual notes Anne Clifford left one of the most extensive autobiographical records of the seventeenth century and it was first published this edition was the first critical edition of any of her works Ashgate Critical Essays on Women Writers in England, 1550-1700 Mihoko Suzuki,2020-07-24 Until recently Anne Clifford has been known primarily for her Knole Diary edited by Vita Sackville West which recounted her steadfast resistance to the most authoritative figures of her culture including James I as she insisted on her right to inherit her father's title and lands Lucy Hutchinson was known primarily as the biographer of her husband a Puritan leader during the English Civil Wars The essays collected here examine not only these texts but in Clifford's case her architectural restorations and both the Great Book which she had compiled and the Great Picture which she commissioned in order to explore the identity she fashioned for herself as a property owner matriarchal head of her family patron and historian In Hutchinson's case recent scholars have turned their attention to her poetry her translation of Lucretius and her biblical epic Order and Disorder to analyze her contributions to early modern scientific and political writing and to place her work in relation to Milton's Paradise Lost Autobiography in Early Modern England Adam Smyth, 2010-08-05 Explores life writing forms almanacs financial accounts commonplace books and parish registers which emerged during the sixteenth Writing Women in Jacobean England Barbara Kiefer Lewalski, 1993 When was feminism born and seventeenth centuries in the 1960s or in the 1660s For England one might answer the early decades of the seventeenth century James I was King of England and women were expected to be chaste obedient subordinate and silent Some however were not and these are the women who interest Barbara Lewalski those who as queens and petitioners patrons and historians and poets took up the pen to challenge and subvert the repressive patriarchal ideology of Jacobean England Setting out to show how these women

wrote themselves into their culture Lewalski rewrites Renaissance history to include some of its most compelling and neglected voices As a culture dominated by a powerful Queen gave way to the rule of a patriarchal ideologue a woman s subjection to father and husband came to symbolize the subjection of all English people to their monarch and all Christians to God Remarkably enough it is in this repressive Jacobean milieu that we first hear Englishwomen s own voices in some number Elizabeth Cary Aemilia Lanyer Rachel Speght and Mary Wroth published original poems dramas and prose of considerable scope and merit others inscribed their thoughts and experiences in letters and memoirs Queen Anne used the court masque to assert her place in palace politics while Princess Elizabeth herself stood as a symbol of resistance to Jacobean patriarchy By looking at these women through their works Lewalski documents the flourishing of a sense of feminine identity and expression in spite of or perhaps because of the constraints of the time. The result is a fascinating sampling of Jacobean women's lives and works restored to their rightful place in literary historyand cultural politics. In these women s voices and perspectives Lewalski identifies an early challenge to the dominant culture and an ongoing challenge to our understanding of the Renaissance world Women of the English Renaissance and Reformation. Retha M. Warnicke, 1983-04-28 Warnicke has written an excellent monograph dealing with an inordinately neglected topic the education of English women during the Tudor and early Stuart eras Her approach a generational one is both perceptive and insightful She carefully identifies the women and discusses the reasons and nature of their education as well as their accomplishments Equally masterful is her successful integration of the subject with the major historical ecclesiastical political and social currents of the time Women, Property, and the Letters of the Law in Early Modern England Margaret W. Ferguson, A. R. Buck, Nancy E. Wright, 2004-01-01 Women Property and the Letters of the Law in Early Modern England turns to these points of departure for the study of women's legal status and property relationships in the early modern period

A Historical Dictionary of British Women Cathy Hartley,2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as The Europa Biographical Dictionary of British Women this newly re worked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and Christina Foyle

James, 2017-07-05 A significant contribution to the understanding of sixteenth century English art in an historical context this study by Susan James represents an intensive rethinking and restructuring of the Tudor art world based on a broad detailed survey of women s diverse creative roles within that world Through an extensive analysis of original documents James examines and clarifies many of the misperceptions upon which modern discussions of Tudor art are based The new evidence she lays out allows for a fresh investigation of the economics of art production particularly in the images of Elizabeth I of strategies for influencing political situations by carefully planned programs of portraiture of the seminal importance of extended clans of immigrant Flemish artists and of careers of artists Susanna Horenboult and Lievine Teerlinc and their impact on the development of the portrait miniature Drawn principally from primary sources this book presents important new research which examines the

contributions of Tudor women in the formation distribution and popularization of the visual arts particularly portraiture and the portrait miniature James highlights the involvement of women as patrons consumers and creators of art in sixteenth century England and their use of the painted image as a statement of cultural worth She explores and analyzes the amount of time money effort and ingenuity which women across all social classes invested in the development of art in the uses they found for it and the surprising and unexpected ways in which they exploited it Women and Epistolary Agency in Early Modern Culture, 14501690 James Daybell, Andrew Gordon, 2016-06-10 Women and Epistolary Agency in Early Modern Culture 1450 1690 is the first collection to examine the gendered nature of women's letter writing in England and Ireland from the late fifteenth century through to the Restoration The essays collected here represent an important body of new work by a group of international scholars who together look to reorient the study of women s letters in the contexts of early modern culture The volume builds upon recent approaches to the letter both rhetorical and material that have the power to transform the ways in which we understand study and situate early modern women s letter writing challenging misconceptions of women's letters as intrinsically private domestic and apolitical The essays in the volume embrace a range of interdisciplinary approaches historical literary palaeographic linguistic material and gender based Contributors deal with a variety of issues related to early modern women s correspondence in England and Ireland These include women s rhetorical and persuasive skills and the importance of gendered epistolary strategies gender and the materiality of the letter as a physical form female agency education knowledge and power epistolary networks and communication technologies In this volume the study of women s letters is not confined to writings by women contributors here examine not only the collaborative nature of some letter writing but also explore how men addressed women in their correspondence as well as some rich examples of how women were constructed in and through the letters of men As a whole the book stands as a valuable reassessment of the complex gendered nature of early modern women s correspondence
