The Letters Michael Biggs,2013-10-17 If God were to write you a letter in 200 words or less what might it say Would it be full of harshness pointing out all your faults and wrong doings Would it be a laundry list of things you should have done or should be doing places to go or people to see In The Letters my hope is that you will see the God of hope grace and encouragement He is not the ogre that we are sometimes led to believe he is As you read these letters you will discover a God who knows your name He knows what you like pecan pie what you are good at drums and ping pong what you dislike broccoli and what makes you happy seeing your loved one at the end of your day And most of all you will discover a God who not only loves you but is very very fond of you Some will use this book as a nightly read Some might find it to be a valuable group study book Others will dip into it from time to time when dealing with issues Some in lands outside the borders of America will read this and perhaps wonder at the images of God presented here For all of you you were kept
