Prove It Jesus:

Prove It! Jesus Amy Welborn, 2002-10-04 Prove It Jesus gives you the true facts about Jesus including who He really was whether the Gospels are reliable historical accounts of His life what's behind all the miracle stories evidence for the Resurrection and most importantly what it all means for you Prove It Jesus explains all those difficult questions you have about Jesus His teachings and most importantly what His words and His living presence can mean for you today if you believe

The Ascension of Jesus Christ into Heaven: the Hidden Context Ezzat Hegazi, 2020-12-06 A single statement in Luke's Gospel opens an obscure gate to a galactically different view of exactly what happened to Jesus Christ at the end of his time on Earth Contrary to our common understanding Jesus's ascension into heaven happens to be the ultimate proof of his messiahship so much so it made his enemies race against time to prevent it from being fulfilled at any cost The real significance of Jesus's ascension was never made clear in the canonical gospels for it stood stubbornly against the very teachings of the Pauline Church This book takes you on a short journey to see how Jesus's ascension was the exact antithesis of the belief about his rising from the dead and to hear about the story of Jesus Christ as it was most likely told by the earliest Judeo Christians It will also bring to light the real reason behind the persecution of the early Judeo Christians culminating with the murder of James the Righteous it has everything to do with the early Judeo Christians steadfast belief in Jesus's ascension into heaven against what was being publicized about Jesus

Jewish-Christian 2000 Years War Against Jesus Christ Mohammad Fawzi, 2014-12-12 Noticing how the world today is sinking into darkness as it did many times before through its history seeing how the Muslims are working hard against the message that Allah sent how Christians created their own preaching and faith how the Jews worked all of their lives against the LORD and the men that the LORD sent Mohammad Fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs he will also deal with the darkness of the Atheists In a world full with darkness and evil done against the LORD the need for those who have the truth is increasing not the false truth some claim to have but the genuine truth that is supported with solid proofs and convincing evidence It is time for those who can do something to step up

Shilling,2022-12-12 Have you ever loved someone who was choosing a life that was leading them to hell I mean really loved them watching them make choice after choice after choice and no amount of noise from your own corner could guide them to a different path Have you ever just wanted to scream at those you love deeply and say it is not only that I want to help you get to Heaven but I also want you to be able to taste and see RIGHT NOW the goodness of God Have you ever begged God to give you some avenue some path to change the trajectory of their lives some introduction to a new way of seeing the Truth God offers This place of anguish this earnest pleading is the foundation for this book I know a lot of broken people and I am guessing you do too I pray dearest friend that somehow this can be something you share with the people you love so they can start to see a new way I pray they can re vision the stories of their own lives and come to see Him who is The Way The Only Way The Way to Truth and Life And if you are the one who needs a re vision and if we are honest we all do then please know I have been crying out on your behalf as well as my own behalf praying we all take one step closer to Him today and everyday hereafter until He calls us home **A Liberal Theology for the Twenty-First Century** Michael J. Langford,2017-03-02

Liberal theology in its typical form represents the attempt to approach religion from a rational perspective without denying or belittling the importance of religious experience and religious commitment Versions of liberal theology can be found in all the great religions This book is primarily concerned with a Christian tradition that goes back to the second century and reached a high point in the seventeenth This tradition includes a method of inquiry which when re evaluated in the light of recent discussions on the nature of rationality and applied to contemporary issues reveals that there are versions of materialism monism and theism that can accord with rationality While liberal theology cannot demonstrate the truth of theism it can present it not only as one of the rational options but as an option that has uniquely attractive characteristics and when the liberal tradition is taken at its best it can support a version of Christianity which continues to refer to God as a transcendent reality and which can continue to support recognizable doctrines of incarnation redemption and Trinity The liberal theology introduced and advanced in this book can be contrasted with many recent radical theologies and could be called liberal orthodoxy Students of philosophy theology and religious studies as well as clergy and interested lay readers will find this an accessible insight into liberal theology and to current debates on materialism atheism and inter faith dialogue

Discovering the Revelations of God Thomas Idler, 2024-05-29 If you're wondering where God is and whether He's real consider the obvious If He is real wouldn't He reveal Himself and give us the answers we're looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn't realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that's why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him *Pensées*
