**A New Jersey Anthology** Maxine N. Lurie, 2010-01-27 This anthology contains seventeen essays covering eighteenth century agrarian unrest the Revolutionary War politics in the Jackson era feminism and the women s movements slavery from the seventeenth to the nineteenth centuries strikes and labor struggles land use and regional planning issues Blacks in Newark the current political state of New Jersey and more The contributors are Michal R Belknap Patricia U Bonomi Lyle W Dorsett John P Dwyer Jim Fisher Charles E Funnell Steve Golin Bradley M Gottfried Paul E Johnson David L Kirp Mark Edward Lender Maxine N Lurie Richard P McCormick Mary R Murrin Larry A Rosenthal Amy Shapiro Warren E Stickle III Lorraine E Williams Giles R Wright **Quakers and Their Allies in the Abolitionist Cause, 1754-1808** Maurice Jackson, Susan Kozel, 2016-03-17 This volume explores the significant connections between the Quaker community and the abolitionist cause in America The case studies that make up the collection mainly focus on the greater Philadelphia area a hotbed of the abolitionist movement and the location of the first American abolition society founded in 1775 Despite the importance of Quakers to the abolitionist movement their significance has been largely overlooked in the existing historiography These studies will be of interest to scholars of slavery and abolition religious history Atlantic studies and American social and political history **Lenape Country** Jean R. Soderlund, 2015 In 1631 when the Dutch tried to develop plantation agriculture in the Delaware Valley the Lenape Indians destroyed the colony of Swanendael and killed its residents The Natives and Dutch quickly negotiated peace avoiding an extended war through diplomacy and trade The Lenapes preserved their political sovereignty for the next fifty years as Dutch Swedish Finnish and English colonists settled the Delaware Valley The European outposts did not approach the size and strength of those in Virginia New England and New Netherland Even after thousands of Quakers arrived in West New Jersey and Pennsylvania in the late 1670s and 80s the region successfully avoided war for another seventy five years Lenape Country is a sweeping narrative history of the multiethnic society of the Delaware Valley in the seventeenth and early eighteenth centuries After Swanendael the Natives Swedes and Finns avoided war by focusing on trade and forging strategic alliances in such events as the Dutch conquest the Mercurius affair the Long Swede conspiracy and English attempts to seize land Drawing on a wide range of sources author Jean R Soderlund demonstrates that the hallmarks of Delaware Valley society commitment to personal freedom religious liberty peaceful resolution of conflict and opposition to hierarchical government began in the Delaware Valley not with Quaker ideals or the leadership of William Penn but with the Lenape Indians whose culture played a key role in shaping Delaware Valley society The first comprehensive account of the Lenape Indians and their encounters with European settlers before Pennsylvania s founding Lenape Country places Native culture at the center of this part of North America **Cape May County, New Jersey** Jeffery M. Dorwart, 1992 New settlements appeared in the pine wilderness of the mainland and on the uninhabited Atlantic Ocean barrier islands These changes caused social and political conflicts and new development assaulted the fragile seashore

environment Fishing and shipbuilding were key industries throughout the early history of Cape May County In addition familiar industries such as cranberry harvesting and nearly forgotten endeavors such as goldbeating sugar refining and cedar shingle mining played vital roles in the county s economic development Dorwart also traces the origins of the seashore resort industry through the history of the city of Cape May with its unique architectural styles and heritage as well as the founding of Wildwood Ocean City and the newer resort towns

**Not for Filthy Lucre's Sake** Daniel J. Weeks,2001-06 The late seventeenth and early eighteenth centuries were tumultuous times for New Jersey The settlers in East New Jersey rose in violent opposition to the proprietary government of the province Antiproprietary agitators including Richard Saltar defied the authority of the province courts often forcibly breaking up the proceedings and physically assaulting the judges Daniel J Weeks reveals that the antiproprietary movement was more than a spontaneous outburst against the perceived oppressions of the proprietors It was in fact a concerted and well planned effort to overthrow proprietary power in New Jersey and establish a government based on the consent of the majority of the freeholders The troubles had their roots in the very first days of settlement after the proprietors private owners of the land and government refused to recognize the land patents of the settlers BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The North Atlantic World in the Seventeenth Century Kenneth Gordon Davies,

**The World of William Penn** Richard S. Dunn,Mary Maples Dunn,2015-09-29 A collection of 20 essays by a distinguished panel of specialists in British and American history that explores the complex political economic intellectual religious and social environment in which William Penn lived and worked

*The North Atlantic World in the Seventeenth Century* K. G. Davies,1974-09-06 The North Atlantic World in the Seventeenth Century was first published in 1974 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In his preface the author writes Europe s style was both courageous and ignoble Europe s achievement both magnificent and appalling There is less need now that Europe s hegemony is over for pride or shame to color historical judgments In that candid vein Mr Davies provides a balanced and impartial history of British French and Dutch beginnings in North America the Caribbean and West Africa to the end of the seventeenth century He contrasts two styles of empire the planting of trading posts in order to gather fur fish and slaves and the planting of people in colonies of settlement to grow tobacco and sugar He shows that the first style involving little outlay of capital was favored by European merchants the second by rulers and landlords In his conclusion he examines the impact made by the Europeans on the people they traded with and expropriated and assesses the diplomatic economic and cultural repercussions of the North Atlantic on Europe itself Should provide valuable supplementary reading in courses in British imperial and American colonial history as well as a source of information for those who teach them History

**The Protestant International and the Huguenot Migration to Virginia** David E. Lambert,2010 In 1700 King William III assigned Charles de Sailly to accompany Huguenot refugees to

Manakin Town on the Virginia frontier The existing explanation for why this migration was necessary is overly simplistic and seriously conflated Based largely on English language sources with an English Atlantic focus it contends that King William III grateful to the French Protestant refugees who helped him invade England during the Glorious Revolution 1688 and win victory in Ireland 1691 rewarded these refugees by granting them 10 000 acres in Virginia on which to settle Using French language sources and a wider more European focus than existing interpretations this book offers an alternative explanation It delineates a Huguenot refugee resettlement network within a Protestant International highlighting the patronage of both King William himself and his valued Huguenot associate Henri de Ruigny Lord Galway By 1700 King William was politically battered by the interwoven pressures of an English reaction against his high profile foreign favorites Galway among them and the Irish land grants he had awarded to close colleagues to Galway and others This book asserts that King William and Lord Galway sponsored the Manakin Town migration to provide an alternate location for Huguenot military refugees in the worst case scenario that they might lose their Irish refuge
