Excerpt from The Provisional Government of Maryland 1774 1777 The form of government which the Lord Proprietor had established in the Province of Maryland and to which it had been almost continuously subject since its foundation in 1634 came to an end in the early struggles of the Revolution After a comparatively short interval a new constitution was drawn up and adopted and the new government of the State was put in the place of the old Proprietary government But the one did not abruptly end nor the other abruptly begin The powers of the Proprietary government were only gradually forced into disuse to be as gradually assumed by another rising Authority which eventually established and in its turn gave way before the new State government It is the history of the government of the Province during this transitional period or of what is known as the Provisional Government of Maryland that this paper is designed to study About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Provisional Government of Maryland (1774-1777).
