Marvel: What If...Kitty Pryde Stole the Phoenix Force? (An X-Men and America Chavez Story) Rebecca Podos, Marvel, 2025-10-14 Kitty Pryde Betsy Braddock and America Chavez race against time itself to save Jean Grey and the X Men in this epic Multiversal adventure reimagining Marvel origin stories So many worlds so little time Infinite possibilities creating infinite realities Long have I watched generations of mutants live in a world shaped by Jean Grey s legacy But what if that legacy was cut tragically short dooming the world to a future without the X Men What if a watcher must do more than watch The year is 1990 The X Men all perished more than a decade ago and Kitty Pryde is no hero Emma Frost rescued Kitty from an obscure existence as a mere rebellious teen kicked out of boarding school terrified of ever being discovered as a mutant After growing up under the tutelage of the White Queen Kitty is an apex predator of a superior species yet she lives alone in a tiny rundown apartment preferring isolation to a knife in the back What is her alternative The world is what it is But sometimes Kitty isn t so sure of that Sometimes it feels like she phases right out of her own life Breathe in She s suddenly surrounded by friends she s never known living out events that never happened Breathe out It s all back to normal Kitty always shoves these flashes down until someone from that other life finds her This familiar stranger Betsy Braddock is a rambling confirmation that something is wrong with their world Betsy has a wild theory and if it s right Kitty s only shot at changing the present is to free fall into the past The girls follow a tenuous psychic trail back to Xavier s School for Gifted Youngsters in its glory days and embed themselves with the X Men There they discover that the inflection point that will unravel their future revolves around a certain omega level mutant destined to become the Phoenix But little do Kitty and Betsy know they re not alone in their search The year is 1975 Jean Grey has weeks left to live The Whisperer is coming He has recruited an ally and accounted for every foreseeable variable He will leave nothing to chance He will lead this reality to its Doom
