Grolman,2001-06-30 Emma Lou Diemer a composer who successfully combines a classicist s interest in form with a fresh contemporary harmonic vocabulary has produced a diverse sophisticated and largely unheralded opus including 350 works composed for orchestra symphonic band chamber ensemble keyboard chorus voices and solo and electronic instruments This complete guide to her extensive work examines her influences and her unique musical style reveals her philosophy of composing and offers the reader access to detailed information about her work Though her organ psalm settings and hymn preludes are considered standard repertoire as are a number of her choral compositions Diemer has not received her due attention or acclaim an oversight fully corrected by this valuable addition to music scholarship Beginning with a brief biography that outlines Diemer s life and art this thoroughly cross referenced book goes on to enumerate the composer s many works and performances in a section divided by style and instrument A complete discography and bibliography round out the volume along with alphabetical chronological and genre specific indexes *O Praise God in His Holiness (Psalm 150)* ,2010-11 This piece was commissioned by All Saints Church Northampton UK and its Director Edward Whiting and received its premiere in the Jean Langlais Festival 2006 The organ for this first performance had no playing aids and no line of sight to the conductor and so the style is antiphonal The feeling throughout should be one of great and highly rhythmic exuberance reflecting the spirit of this much loved psalm with a more relaxed and gentle feel for the middle section
