Biblical Theology of Life in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary

theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together

Psalms of Christ Daniel H. Fletcher, 2018-05-10 The book of Psalms is a treasure trove of teaching about Jesus Christ While the church has traditionally recognized only about fifteen psalms as messianic anticipating God's promised Messiah the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter *Psalms of Christ* applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select non messianic psalms Following the New Testament as the guide for how to read the Old in light of the gospel *Psalms of Christ* proposes fresh readings of so called non messianic psalms by illustrating their christological character and exploring how they testify to the gospel by evoking Jesus's person purpose and passion

Paul, Apostle of the Living God Mark Goodwin, 2001-03-01 In *Paul Apostle of the Living God* Mark Goodwin examines the tradition of living God language in biblical Jewish and early Christian sources and then demonstrates the ways in which Paul adopted this tradition in his own letters As he explores Paul's writings Goodwin concludes that the epithet makes Paul's wider argument in 2 Corinthians 2 7 14 clearer and more coherent In the end Goodwin says Paul's use of the living God tradition helps us to appreciate Paul's understanding of himself as an apostle of the living God commissioned and sent out to bring new life to the Gentiles
