Nevertheless the crisis was at hand Mr J Fillken Wilberfloss editor in chief of Cosy Moments was about to leave his post and start on a ten weeks holiday In New York one may find every class of paper which the imagination can conceive Every grade of society is catered for If an Esquimau came to New York the first thing he would find on the bookstalls in all probability would be the Blubber Magazine or some similar production written by Esquimaux for Esquimaux Everybody reads in New York and reads all the time The New Yorker peruses his favourite paper while he is being jammed into a crowded compartment on the subway or leaping like an antelope into a moving Street car There was thus a public for Cosy Moments Cosy Moments as its name an inspiration of Mr Wilberfloss s own is designed to imply is a journal for the home It is the sort of paper which the father of the family is expected to take home with him from his office and read aloud to the chicks before bed time It was founded by its proprietor Mr Benjamin White as an antidote to yellow journalism One is forced to admit that up to the present yellow journalism seems to be competing against it with a certain measure of success Headlines are still of as generous a size as heretofore and there is no tendency on the part of editors to scamp the details of the last murder case Nevertheless Cosy Moments thrives It has its public Its contents are mildly interesting if you like that sort of thing There is a Moments in the Nursery page conducted by Luella Granville Waterman to which parents are invited to contribute the bright speeches of their offspring and which bristles with little stories about the nursery canary by Jane aged six and other works of rising young authors There is a Moments of Meditation page conducted by the Reverend Edwin T Philpotts a Moments Among the Masters page consisting of assorted chunks looted from the literature of the past when foreheads were bulgy and thoughts profound by Mr Wilberfloss himself one or two other pages a short story answers to correspondents on domestic matters and a Moments of Mirth page conducted by an alleged humorist of the name of B Henderson Asher which is about the most painful production ever served up to a confiding public The guiding spirit of Cosy Moments was Mr Wilberfloss Circumstances had left the development of the paper mainly to him For the past twelve months the proprietor had been away in Europe taking the waters at Carlsbad and the sole control of Cosy Moments had passed into the hands of Mr Wilberfloss Nor had he proved unworthy of the trust or unequal to the duties In that year Cosy Moments had reached the highest possible level of domesticity Anything not calculated to appeal to the home had been rigidly excluded And as a result the circulation had increased steadily Two extra pages had been added Moments Among the Shoppers and Moments with Society And the advertisements had grown in volume But the work had told upon the Editor Work of that sort carries its penalties with it Success means absorption and absorption spells softening of the brain Whether it was the strain of digging into the literature of the past every week or the effort of reading B Henderson Asher s Moments of Mirth is uncertain At any rate his duties combined with the heat of a New York summer had sapped Mr Wilberfloss s health to such an extent that the doctor had ordered him ten weeks complete rest in the mountains This Mr Wilberfloss could perhaps have endured if this had been all There are worse places than the mountains of America in which to spend ten weeks of the tail end of summer when the sun

has ceased to grill and the mosquitoes have relaxed their exertions But it was not all The doctor a far seeing man who went down to first causes had absolutely declined to consent to Mr Wilberfloss s suggestion that he should keep in touch with the paper during his vacation He was adamant He had seen copies of Cosy Moments once or twice and he refused to permit a man in the editor s state of health to come in contact with Luella Granville Waterman s Moments in the Nursery and B Henderson Asher s Moments of Mirth The medicine man put his foot down firmly **Psmith, Journalist** PG
