**Psyche as Hero** Lee R. Edwards,1987      Psyche as Hero Lee R. Edwards,1987      Psyche As Hero Lee R. Edwards,1984-01-01      *Heroines of Popular Culture* Pat Browne,1987 From life and literature come the heroines of this volume The essays demonstrate that women can fit the role of hero as defined by Joseph Campbell A hero ventures forth from the world of common day into a region of supernatural wonder fabulous forces are there encountered and a decisive victory is won the hero comes back from this mysterious adventure with the power to bestow boons on his fellow man Contributors to this volume cover a wide range of heroic women      Female Heroism in the Pastoral Gail David,2020-07-09 The past decade has given us explorations of such forms as the Bildungsroman the Künstlerroman the utopian and Gothic novel as women have written them studies are even now emerging of the female authored elegy sonnet sequence and other pure and mixed poetic modes Women s work in non fiction prose and in the dramatic genres is being resurrected and reassessed At the same time feminist critics continue to deconstruct women as signs in patriarchal literary forms explaining the effect of male gender on structures of signification the narrative and stylistic codes of genre This series welcomes such studies encouraging as well accounts of sexuality and textual inheritance the influence of female authorship on the evolution of a genre or the creation of a new genre and challenges to genre theory from a gender perspective      *Heroes and Heroism in British Fiction Since 1800* Barbara Korte,Stefanie Lethbridge,2016-11-09 This book is about the manifestations and explorations of the heroic in narrative literature since around 1800 It traces the most important stages of this representation but also includes strands that have been marginalised or silenced in a dominant masculine and higher class framework the studies include explorations of female versions of the heroic and they consider working class and ethnic perspectives The chapters in this volume each focus on a prominent conjuncture of texts histories and approaches to the heroic Taken together they present an overview of the literary heroic in fiction since the late eighteenth century      *The Feminization of Quest-Romance* Dana A. Heller,2014-03-19 What happens when a woman dares to imagine herself a hero Questing she sets out for unknown regions Lighting a torch she elicits from the darkness stories never told or heard before The woman hero sails against the tides of great legends that recount the adventures of heroic men legends deemed universal timeless and essential to our understanding of the natural order that holds us and completes us in its spiral Yet these myths and rituals do not fulfill her need for an empowering self image nor do they grant her the mobility she requires to imagine enact and represent her quest for authentic self knowledge The Feminization of Quest Romance proposes that a female quest is a revolutionary step in both literary and cultural terms Indeed despite the difficulty that women writers face in challenging myths rituals psychological theories and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience a number of revolutionary texts have come into existence in the second half of the twentieth century by such American women writers as Jean Stafford Mary McCarthy Anne Moody Marilynne Robinson and Mona

Simpson all of them working to redefine the literary portrayal of American women's quests. They work in part by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms even if it means sacrificing themselves in the name of rebellion. In later texts female heroes survive their lightning out experiences to explore diverse alternatives to the limiting roles that have circumscribed female development. This study of *The Mountain Lion*, *Memories of a Catholic Girlhood*, *Coming of Age in Mississippi*, *Housekeeping* and *Anywhere but Here* identifies transformations of the quest romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and heroic action. *Allegories of Writing* Bruce

Clarke, 1995-08-23 This is a theoretical study of human metamorphosis in Western literature. [Zora Neale Hurston's \*Their Eyes Were Watching God\*](#) Cheryl A. Wall, 2000 This casebook collects the most widely cited and influential essays published on Hurston's classic novel over the last quarter of the 20th century. [Callisto Myth from Ovid to Atwood](#) Kathleen Wall, 1988-07-01 Kathleen Wall traces the myth through fifteen works of English American and Canadian literature providing a fresh feminist reading of these narratives. Among the works analysed are selections by Margaret Atwood, Charlotte Brontë, Thomas Hardy and George Eliot. The resulting text reveals many facets of the realities of women's experience from the Middle Ages to the twentieth century. And ultimately Wall shows rape to be an expression of dominance rather than lust, giving increased support to the definition suggested by feminists. Wall demonstrates that the Callisto myth is a powerful archetype which illustrates both the victimization of women and their search for independence and autonomy, an archetype that should not be ignored by modern women. *Margins in the Classroom* Kostas Myrsiades, Linda S. Myrsiades, 1994

*Pedagogy is Politics* Maria-Regina Kecht, 1992 [Unsung Heroines](#) Ruth Sidel, 2006-04-28 Annotation Based on interviews with single mothers. Sidel offers a corrective to the negative views of this population in the popular media.

**Narrative Authority and Homeostasis in the Novels of Doris Lessing and Carmen Martín Gaité** Linda E. Chown, 2019-10-02 This study originally published in 1990 assesses a shift in the presentation of self-consciousness in two pairs of novels by Doris Lessing and Carmen Martín Gaité. 1. Lessing's *The Summer Before the Dark* 1973 and Martín Gaité's *Retah las* 1974 and 2. Lessing's *The Memoirs of a Survivor* 1974 and Martín Gaité's *The Back Room* 1978. Three major structural divisions facilitate examining implications of the novels for 1. feminism, 2. literary narrative and 3. the lives of people at large. **Revising Life** Susan R. Van Dyne, 2000-11-09 Provides a compelling argument for Plath's revision of the painful parts of her life: the failed marriage, her anxiety for success and her ambivalence towards her mother. The reader will feel the tension in the poetry and the life. CHOICE Examines Plath's twin goals of becoming a famous poet and a perfect mother. This book's main points are clearly and forcefully argued: that both poems and babies require struggle, pain, endless labor and fears of monstrous offspring and that in the end Plath ran out of the resources necessary to produce both. Often maligned as a self-indulgent confessional poet, Plath is here retrieved as a passionate theorist. Library Journal Susan Van Dyne's reading of

twenty five of Sylvia Plath's Ariel poems considers three contexts Plath's journal entries from 1957 to 1959 especially as they reveal her conflicts over what it meant to be a middle class wife and mother and an aspiring writer in 1950s America the interpretive strategies of feminist theory and Plath's multiple revisions of the poems **The Birth of Pleasure** Carol Gilligan, 2003-08-12 The author of the classic *In a Different Voice* offers a brilliant provocative book about love that has powerful implications for the way we live and love today Compelling A thrilling new paradigm The Times Literary Supplement Carol Gilligan whose *In a Different Voice* revolutionized the study of human psychology now asks Why is love so often associated with tragedy Why are our experiences of pleasure so often shadowed by loss And can we change these patterns Gilligan observes children at play and adult couples in therapy and discovers that the roots of a more hopeful view of love are all around us She finds evidence in new psychological research and traces a path leading from the myth of Psyche and Cupid through Shakespeare's plays and Freud's case histories to Anne Frank's diaries and contemporary novels

**Cupid** Julius Lester, 2007 Cupid the spoiled and mischievous god of love is attracted to and marries the beautiful mortal Psyche and both learn many lessons about the nature of love **Doris Lessing** Gayle Greene, 1994 An original and compelling appraisal of this important international literary figure **Routledge Library Editions: George Eliot** Various Authors, 2022-07-30 This set reissues 5 books on George Eliot originally published between 1963 and 1989 The volumes examine many of Eliot's most respected works including *Middlemarch* *The Mill on the Floss* and *Silas Marner* As well as providing in depth analyses of Eliot's work this collection also includes an extensive collection of her critical articles written between 1846 and 1868 This set will be of particular interest to students of literature **Reconstructing Desire** Jean Wyatt, 1990 This provocative study explores the function of the unconscious in reading and creative processes The book asks if reading can change the reader and if women through reading can change the unconscious fantasy structures that govern desire Using models
