everything changes abruptly The accident which obliges Emmanuel a professional motorcycle pilot and a motorcyclist in the  
national police to leave the world of valid people and join the handicapped world In parallel before the accident during his  
coma and even afterwards some mysterious signs appear and interfere in his life Chance or synchronicity Were these signs  
meant to warn him Was the accident planned In order to slow his life down or make it take a different turn Through his story  
you will discover the hidden face of the daily life of a paraplegic with all his suffering psychological and physical as well as  
the different steps in his reconstruction full of obstacles and setbacks EXCERPT It was 3 o clock in the morning on 22nd  
February 2013 and the alarm clock was ringing It was time to get up to serve and represent the French Republic As every  
other week on Friday morning I turned into a night bird I drove to Toulouse Central Police Station where I slipped into my  
show costume or should I say my National Police motorcyclist outfit I joined my colleagues for the regular alcohol level tests  
and we all departed together for a precise location in order to set up the device That morning like many other mornings our  
spot was located at the Ponts Jumeaux a very good place for catching drunken road delinquents My mission was simple when  
I say my mission it was more the motorcyclist s mission chasing the naughty drivers who refused to submit to the test or  
sometimes even just drove straight into the police roadblock This mission was one I particularly enjoyed ABOUT THE  
AUTHOR Born in 1973 Emmanuel Siaux was a motorcyclist in the French national police for twenty years France Road Rallye  
Champion and Team Manager of the French National Police Motorcyclist team On the eve of his fortieth birthday an accident  
on duty confines him to a wheelchair obliging him to face a new challenge the long road to reconstruction and learning to live
