Minoans on Crete to the ancient Egyptians and Hebrews and onward to early and medieval Christian sects Earl Lee shows how these religious rites influenced the development of Western religion In particular he reveals how Christianity originated with Jesus s effort to restore the sacred rites of Moses including the Marzeah or Feast for the Dead Examining the connections between these rites and the mysterious funeral of Father Sauniere in Rennes le Ch teau the author explains why the prehistoric Cult of the Dead has held such power over Western civilization so much so that its echoes are still heard today in our literature film and arts
