Psychic Pets The Secret World Of Animals:

Psychic Pets Joseph Edward Wylder,1989 **Dogs That Know When Their Owners Are Coming Home** Rupert Sheldrake,2011-04-26 With a scientist s mind and an animal lover s compassion world renowned biologist Rupert Sheldrake presents a groundbreaking exploration of animal behavior that will profoundly change the way we think about animals and ourselves How do cats know when it s time to go to the vet even before the cat carrier comes out How do dogs know when their owners are returning home at unexpected times How can horses find their way back to the stable over completely unfamiliar terrain After five years of extensive research involving thousands of people who have pets and work with animals Dr Sheldrake proves conclusively what many pet owners already know there is a strong connection between humans and animals that defies present day scientific understanding Sheldrake compellingly demonstrates that we and our pets are social animals linked together by invisible bonds connecting animals to each other to their owners and to their homes in powerful ways His provocative ideas about these social or morphic fields explain the uncanny behavior often observed in pets and help provide an explanation for amazing animal behavior in the wild such as migration and homing **Dogs That Know When Their Owners Are Coming Home** not only provides fascinating insight into animal and human behavior but also teaches us to question the boundaries of conventional scientific thought and shows that the very animals who are closest to us have much to teach us about biology nature and consciousness **Psychic Pets & Spirit Animals** Fate,1996 Contains thirty six true stories from those who have experienced paranormal encounters with their pets including extraordinary human **Talk to Your Dog** Susie Green,2022-02-08 Learn everything you need to communicate with your furry friend Why do dogs behave the way they do What makes one breed so different to another And how can owners work around these inborn personality traits **Talk to Your Dog** will teach you everything you need to build an even stronger relationship with your canine companion Find out where when and why they want to be stroked and how to give them a soothing reiki massage Heart warming enlightening and absolutely true stories reveal how dogs use their unique powers to help humans including warning them of danger going to their rescue and playing a role in healing them Uncover dogs secret agenda and what they would do if left to their own devices Whether your pet is a lovable mutt or an aristocratic Borzoi it s worth taking the time to get to know these magical creatures First Published in 2005 this is a new edition **The Mythology of Horses** Gerald Hausman,Loretta Hausman,2012-09-05 An extraordinary collection of myths and facts about horses their honored place in human history and the mystique that has surrounded them in cultures around the globe Horses have always held a mystical sway over the human imagination no other creature has inspired the same reverence or cross cultural fascination **The Mythology of Horses** offers a comprehensive look at horse breeds around the world exploring their heritage physical attributes and place in human society as well as the folklore popular mythology and true stories surrounding each breed In this evocative one of a kind reference folklorists Gerald and Loretta Hausman present stories from breeders Olympic equestrians and cowboys along with

tales about famous horse owners from Buffalo Bill to Roy Rogers Genghis Khan to Napoleon Vividly capturing the aura that has surrounded horses throughout time this collection will fascinate horse lovers of all kinds **The Hidden Powers of Animals** Karl Shuker,2001 Reveals the amazing truths about animals and their sensitivities skills and strengths from the bat's ability to catch insect prey in complete darkness to animals that cure their own ailments by using herbs in their habitats

Talk to Your Cat Susie Green,2022-03-08 We all know cats can talk but how do we find out what our cat is actually saying Talk to Your Cat is the book that reveals the secrets of the enigmatic feline With a host of cat lore and wisdom as well as explaining body language facial expressions and the meaning of meows the book breaks down the mysteries surrounding why cats do what they do You'll find information on cat psychology how breeding controls behaviour finding the root cause of what has made your cat unhappy and all sorts of fascinating facts to help you better understand your feline friend Soon you will know everything there is to know about your cat But we may never understand why they knocked that glass off the table

Psychic Pets - How Animal Intuition and Perception Has Changed Human Lives Emma Heathcote James,2010-11-01 Is your pet special When you talk to it do you feel it listening and even understanding Has an animal ever saved your life physically emotionally or spiritually Like humans animals are spiritual beings Their many qualities include unconditional love joy forgiveness patience courage and gratitude virtues that are often lacking in our high tech world We all know a pet that can anticipate its owners return home but did you know that some dogs have the ability to spot cancerous tumours Horses have been known to drag their injured riders back to the stables the US Epilepsy Institute say dogs can tell when someone is about to have a seizure and all types of animals are now used in alternative therapy In this riveting collection of testimonials from around the world Emma Heathcote James investigates and celebrates inspirational tales of amazing animals Do pets possess an innate psychic ability which gives them powers of perception and even permits them to see into the future It's time to take a look at what we humans might be missing and to give our pets the respect that they are due *The Sense of Being Stared At* Rupert Sheldrake,2013-06-22 Explores Rupert Sheldrake's more than 25 years of research into telepathy staring and intention precognition and animal premonitions Shows that unexplained human abilities such as the sense of being stared at and phone telepathy are not paranormal but normal part of our biological nature Draws on more than 5 000 case histories 4 000 questionnaire responses and the results of experiments carried out with more than 20 000 people Reveals that our minds and intentions extend beyond our brains into the world around us and even into the future Nearly everyone has experienced the feeling of being watched or had their stare result in a glance in their direction The phenomenon has been cited throughout history in nearly every culture along with other commonplace paranormal occurrences such as premonitions and telepathy In this newly updated edition Sheldrake shares his more than 25 years of research into telepathy the power of staring remote viewing precognition and animal premonitions Drawing on more than 5 000 case histories 4 000 questionnaire responses and the results of experiments on staring thought transference phone

telepathy and other phenomena carried out with more than 20 000 people as well as reports and data from dozens of independent research teams Sheldrake shows that these unexplained human abilities such as the sense of being stared at are not paranormal but normal part of our biological nature He reveals that telepathy depends on social bonds and traces its evolution from the connections between members of animal groups such as flocks schools and packs Sheldrake shows that our minds and intentions extend beyond our brains into our surroundings with invisible connections that link us to each other to the world around us and even to the future

The Mythology of Dogs Gerald Hausman, Loretta Hausman, 1997-12-15 Fascinating stories abound in this magnificent treasure trove of dog stories ranging from beloved shaggy dog tales to rare references from 7th century Tibet to the works of John Steinbeck and Rudyard Kipling Includes accounts of the Maltese who hid under the skirt of Mary Queen of Scots at her beheading a Newfoundland who valiantly tried to save his owner as the TITANIC went down and much more Illustrated throughout

The Publishers Weekly, 2001 *The Psychic's Guide to the Universe: Memoirs of a Secret Psychic* Betty Jane Roschlau, 2012-02-27 My Purpose in writing this Book It is a gift to the countless children and young people who have lived with the fear of threatening ghosts they could not tell anyone about Ghosts are frustrated souls terrified of the Judgment Day They avoid the Light because of unresolved Karma and are drawn to the innocence of children for help This is the story of my personal life guided by paranormal experiences My childhood development was interrupted by sexual abuse when I was 6 years old I was confused and desperate until the Watcher came to my rescue I experienced fear and self doubt growing up but whenever evil cast a dark shadow across my path he showed me many psychic gifts that served to protect me Once I understood my paranormal experiences were gifts I could use I was able to overcome my fear I want to share this blessing with all who have suffered in silence In *The Psychic's Guide to the Universe* you will find the answers you need With all my Love Betty Roschlau

Perspectives on Human-Animal Communication Emily Plec, 2013-01-04 Despite its inherent interdisciplinarity the Communication discipline has remained an almost entirely anthropocentric enterprise This book represents early and prominent forays into the subject of human animal communication from a Communication Studies perspective an effort that brings a discipline too long defined by that fallacy of division human or nonhuman into conversation with animal studies biosemiotics and environmental communication as well as other recent intellectual and activist movements for reconceptualizing relationships and interactions in the biosphere This book is a much needed point of entry for future

scholarship on animal human communication as well as the whole range of communication possibilities among the more than human world It offers a groundbreaking transformation of higher education by charting new directions for communication research policy formation and personal and professional practices involving animals The World's Greatest Psychics Francine Hornberger, Francine LaSala, 2004 For thousands of years people have been intrigued and mystified by oracles and prophets Yet who are the most extrasensory preceptors of all time and who are the frauds This amazing collection includes the stories of fifty of the world's all time top psychics and details of their most astounding predictions From St John the Divine who had a vision of the end of the world to the shadowy Rasputin Nostradamus Madame Blavatsky and Uri Geller are also included and their histories profiled with a revealing look at how their work has been credited or discredited **Is Your Pet Psychic?** Richard Webster, 2012-07-08 You probably know about some of the amazing feats regularly accomplished by animals from salmon who navigate through hundreds of miles of water to their birthplace to spawn to bloodhounds who can track the tiniest trace of a scent with noses one million times stronger than ours Although psychic powers such as telepathic communication have yet to be explained by modern science all animals both human and nonhuman have the potential But like any talent psychic talent must be developed and practiced Part collection of amazing animal stories part psychic manual Is Your Pet Psychic is your guide to understanding and developing your pet's psychic powers Read extraordinary tales of animal heroes animal ghosts and more Discover how you can test your pet's psychic abilities Learn how to communicate telepathically with your pet The exercises in this book will help you and your pet develop the natural psychic potential inherent within all living things As you experiment with them you will explore one of the true wonders of nature and strengthen the special bond you share with your pet **The Theosophical Movement**, 1979 **Publishers Weekly**, 1985 **What Animals Tell Me** Monica Diedrich, 2005 Describes the techniques she uses to get in touch with the minds of dogs cats birds horses rabbits and even a wolf Directly quoted conversations reveal pets intelligence devotion and a sense of humor
