(Second Printing.).** Dorothy Bomar BRADLEY (and BRADLEY (Robert Austin)), 1968 *Revelation, Mystical Phenomena and Divine Promises* Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God *Imitatio Ezechielis: The Irregular Grammar of Revelation Reconsidered* Garrett Evan Best, 2025-02-27 Revelation contains the most unusual Greek written in the ancient world In Imitatio Ezechielis Best makes a unique contribution by arguing that the irregular Greek is due to John s imitation of the nature of the grammar found in the inaugural vision of his prophetic exemplar Ezekiel The wide ranging and multidisciplinary argument draws on Greek and Hebrew linguistics ancient rhetoric mimesis criticism and Jewish merkabah mysticism *Revelations about Revelation* Larry G. Pittman, 2024-06-03 Revelations About Revelation was born of a Pastor s heart for laypeople to help them understand a book of the Bible which has been grossly misinterpreted for ages by many preachers and Bible teachers The author seeks to explain as simply as possible what the Apostle John was actually expressing to people of his own time in the context of the circumstances they were facing to help them stand firm for Jesus in the face of persecution Too many times Revelation has been presented as some horrifying prediction of the future when John plainly states that he was sharing with the Church in his own time the tribulation and the Kingdom and the patient endurance Revelation 1 9 He was not speaking of some far off future tribulation but the one they were facing at the end of the First Century AD which has continued to this day and will continue in one form or another in varying degrees of ferocity until Christ returns The author of the present work first preached through Revelation for the two congregations he was serving in 1985 He felt the need to pass this message along to more people than would ever hear him preach so he began

putting it all together in a book in 1987 After a busy life of ministry other work and public service approaching retirement he was finally able to edit and complete the basic manuscript and prepare it for publication which he hopes will be helpful to the reader in understanding the strange images of Revelation that those who read may draw strength from the witness of John in difficult times and find courage to stand strong for Christ in any and all circumstances Glory be to God      **Revelation:**
