through its lower counterpart can be seen within the mass consciousness of the whole human family In no area of that mass is it stilled but moves constantly to produce an awakening of man to Its presence Men and women everywhere are becoming restless dissatisfied and overburdened with the world of material values they have created for themselves They seek new values which will bring lasting peace to their world little knowing as yet the nature of that peace In recognition of and cooperation with this activity of the Soul a New Thought Form Presentation of The Wisdom has been created and placed in availability for those who seek it It can be contacted as an abstraction via the activity of meditation and must then be translated into a concrete form by the one who meditates This series of instructions is an interpretation of that new thoughtform and has been written in an effort to aid man in the search for his Soul The Nature of the Soul by Lucille Cedercrans third edition pp 3 4 The Psychology of the Soul Gunda Scholdt,2021-08-30 This book is an introduction to Spiritual Psychology It is an in depth and comprehensive presentation of the path of the soul and the true nature of the human being The special feature of the book is the synthetic view of the different aspects of Ageless Wisdom such as the monad the soul the person ality the seven rays as soul archetypes the seven chakras the seven planes the initiation path of man but also the practice of spiritual therapy The book is clearly structured and has many visuals that introduce the readers to the complex subject of the Seven Rays to help them realise who they really are The book can be regarded as an introduction to the basics of esoteri cism It can also be treated as a textbook for people in psychological pedagogical counselling and healing professions who wish to expand their view of humanity and assist those who are seeking advice on their spiritual path of development *Journey of the Soul* Sylvia Browne,2001-09 This set includes the three titles in the Journey of the Soul Series God Creation and Tools for Life Souls Perfection and The Nature of Good and Evil It aims to ask and answer questions including Does God exist What is the meaning of life and How can an all loving God allow violence to exist By combining her philosophical and theological views Sylvia intends to create a spiritual umbrella that rises above traditional religion and points a path to God **Your Multiple Souls - How They Direct Your Creativity, Genius, Complexity, and Moods** Ruth Rendely,2015-04-14 Often when some breakthrough in science or technology occurs several individuals unbeknownst to each other simultaneously arrive at the same conclusions For the past twenty five years Ruth Rendely has been waiting to see if someone else would come forward with the revolutionary discoveries about the nature of souls that she first comprehended in 1989 At that time she was living in Japan and began occasionally doing past life readings exploring her abilities as a psychic counselor in addition to being a lecturer at two Tokyo universities For some unknown reason while she was doing these readings a spirit guide began imparting some new information to her about human souls He kept showing her clients who had more than one soul and saying that it was normal This book is the result of that exploration which reveals why souls might want to share a body and what happens when they do This theory helps to explain complexity in human behavior Complex normal behavior can mean problems in relationships and career choices

while complex deviant behavior can mean murder mayhem and suicide Although most of us hold a reverential feeling about the nature of the soul in reality souls vary in levels of maturity and treat bodies on a sliding scale between respect and disrespect Ruth has been shown instances of souls treating bodies much like teenagers going for a joy ride in a stolen car riding for a few days and then abandoning the car What almost nobody realizes is that quite a few souls avoid attachment to a body before that body reaches physical maturity When Ruth's spirit guide first presented these theories to her she was naturally dumbfounded but after he trained her to practically apply them she became convinced of their veracity Since those early years she has assisted souls in entering and exiting human bodies Her talents go beyond clearing entities or lost souls from a person's aura which many adepts can do With the help of spirit guides Ruth has literally induced what the author Ruth Montgomery referred to as Walk ins Most individuals who have experienced these changes have felt profound relief Ruth has stopped counting the number of suicides that she helped to prevent in utilizing this knowledge and procedures [Open the Mind Exercise the Soul](#) John Cappello,2012-05 Open the Mind Exercise the Soul is the first book from internationally known psychic medium John Cappello It links psychic ability with personal experiences and intellectual thought as it answers many questions about the relationship between religion philosophy and science with this controversial subject This is an intelligent discussion offering a fresh new look at psychic abilities Have you ever wondered Why do psychic abilities exist What is the proof What is our soul's role in using them How do I access my gifts Can we connect with crossed over loved ones What is really going on Open the Mind Exercise the Soul will answer these questions and more Explored with real world examples and new techniques it boldly challenges you to examine your own abilities and receive clarity While guiding you through the development of your own psychic gifts you will learn to embrace experiences you may have questioned and relate to the author as he discusses his own path in metaphysics For practicing psychics or beginners the book combines historical information with spiritual exercises to assist you in gaining insight *The Reality Whisperer* Brad Johnson,2016-12-31 Liberation is not something sought it is something chosen Brad Johnson The Reality Whisperer is a guide book revealing profound universal insight It details incredible intuitive knowledge shared by Brad Johnson a psychic teacher channeler healer and metaphysical researcher for over 8 years From exploring the origins of humanity incarnation the essence of the soul and the mechanics of the universe questions that have intrigued us for ages will be understood with great clarity You will learn how to connect with the higher mind just as the author of this book is able to Through the Reality Whisperer you will receive detailed guidance on how to Work with the will of nature Develop your empathic abilities Center your focus on creating an empowering reality for yourself Interact and interpret the dream world Connect with the living library of Earth and function as a Living Librarian Educate yourself about the death process and what it really represents Harnessing the amazing potential of the human will Constructing your light body more [Psychic Power and Soul Consciousness](#) Korra Deaver,1990 *Your Psychic Soul* Judith Pennington,2012-12 The purpose of this book is to show you the reader how to tap

roles and personalities among other things that make up someone who is a Wise One. Wise Ones have come in the guises of teachers, shaman, leaders, hunters, mediums, entertainers, and others. Realm of the Wise One is an informational guide devoted to the tribe of the Wise Ones both in human form and on the other side. This book requires an untainted open mind to what's unseen or misunderstood. What readers have said about the Realm of the Wise One: Read the book, Realm of the Wise One, and what an awesome book! It was full of wisdom and beauty that it touched my heart. A Reader Reading Realm of the Wise One had calmed my anxiety down within minutes. I have shared this book with a few people that are ready to receive the messages, and they've told me it helped their journey tremendously. Thank you, Kevin Hunter, for your work here on earth and beyond. A Reader: I'm devouring Realm of the Wise One for the second time. I went through it so fast the first time it was a bit of a whirlwind. Much of it got blown away by all of the "Oh my God" so it's not just me. I've read Doreen Virtue's information on realms, but that was barely an appetizer. This book explains it to me with all the words I had inside me already. Fascinating. A Reader: I'm about 100 pages into the book, Realm of the Wise One. I woke up at 2:45 one morning and rather than going online, I started reading it. It has helped me connect to the spirit dimensions in a very visceral way. I feel the presence of the spirit realms in a way that felt more elusive before. I definitely see so much of myself in the wise one archetype. It has helped me own those parts of myself rather than thinking I should be different. In particular, the introverted part of me that has about zero tolerance for small talk or BS. I don't identify with all of it, so I am thinking I might have some other archetypes mixed in there, but I definitely have a lot of the wise one in me. And there are some definite unicorns in my life. It's fascinating to read about all of this. I look forward to learning more. Thank you to the author for gifting the book to the Universe. A Reader: I bought Realm of the Wise One and it had me hooked. I liked this one so much and would be interested to read more books on Wise Ones by this author. A Reader: I'm on the last chapter of the book, Realm of the Wise One. I have so much to say. I don't even know where to begin. First of all, AWESOME BOOK! It made me understand and see some people in my own life and where they are coming from. One of them being my uncle. I see so much of a Wise One in him that it's not even funny. But what made me laugh so hard is the way Incarnated Angels are portrayed. I loved that chapter because it's like it was describing me to a tee. A Reader: I've been reading the book, Realm of the Wise One, and it's a page turner to me. Wow. A Reader: Love the book, Realm of the Wise One. Actually reading the book again to absorb the invaluable information. The first time I came across the Wise One Realm was in Doreen Virtue's book. The information seemed a little limited. I had to find more information but couldn't find it anywhere. I asked my Spirit Family for help for about a year. And one day I was guided to look for a new book to read. I almost fell out of my chair and started laughing when I saw this book. It definitely has answered many questions about who I am. Great book. A Reader: I am on page 99 of the Realm of the Wise One book, and this book is so positively energetic. I love it. A Reader: I have been reading this book and can't put it down. It's so good. Kevin Hunter should be a teacher in a school or college or counselor. This stuff he wrote is right to the point and right on the mark. I kept thinking

maybe I will return to the crystal city and the dancing there This was an amazing book to me A Reader *Unfolding the Powers of the Soul* Levi Dowling,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Soul's Perfection** Sylvia Browne,2000-06-01 Sylvia Browne and her guides help solve a great mystery namely what is the meaning of life Most human beings and many teachers and great scholars have pondered this question over the years but there has never been a truly definitive answer This leaves most of us with a feeling of being incomplete in some way Here Sylvia and her guides take you to that place within you where you can achieve a sense of intellectual and spiritual fulfillment They explain that we are here to perfect our souls by absorbing God s knowledge We are the experiencing side of God where God is the primary intellect of creation Simply put to really know something means that we must also truly experience it For example we can read a book about boat building but only after actually building that boat will we fully understand it from an all encompassing perspective Soul s Perfection takes you through the complete scope of your soul s journey from planning each incarnation on the Other Side to making life meaningful here on Earth If you wish to stand proudly before God some day then the concepts discussed here will bring you wisdom depth and spiritual insight Metaphysical Divine Wisdom on Psychic Spirit Team Heaven Communication Kevin Hunter,2019-06-25 In *Psychic Spirit Team Heaven Communication* spiritual motivational author Kevin Hunter examines the areas tied to psychic phenomena and mediumship You are psychic Everything that is not human made but God created has access to these Divine communication receptors deep within the soul s DNA regardless if there is awareness of that or not This is one of the ways that everything and everyone is affected and connected to one another Some of the topics discussed include fine tuning your soul for stronger psychic reception the psychic abilities built into all souls psychically connecting and other psychic related wisdom communicating with the Divine the core psychic clair senses picking up on heavenly input psychic insights psychic accuracy psychic timing how much does your Spirit Team know blocking Divine guidance the power of your sensitivities psychic spirit team communication the author s channeling process spirit guides and angels connecting with the tarot and much more Let more Light into your soul s life with the *Metaphysical Divine Wisdom* collection of books Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again The *Metaphysical Divine Wisdom* practical motivational guide to spirituality series of books include *Psychic Spirit Team Heaven Communication* *Soul Consciousness and Purpose* *Manifesting Fearless Assertive Confidence* *Balancing the Body Mind and Soul* *Increasing Prayer with Faith for an Abundant Life* and *Universal Physical Spiritual and Soul Love* Your Magical Soul Jeffrey Allan Marks,2011-01 A left brained analytical medium and paranormal researcher takes a tour through his right brained psychic experiences in combination with an examination of the findings of
