was told by a seer that he would become president of the United States In his dreams he foresaw his own sudden death Trauma and heartbreak opened the psychic door for this president whose precognitive dreams evil omens and trance like states are carefully documented in this bold and poignant chronicle of tragic beginnings White House s ances and paranormal eruptions of the Civil War era Aided by the deathbed memoir of his favorite medium Lincoln s remarkable psychic experiences comes to life with communications from beyond ESP true and false prophecies and thumbnail sketches of the most influential spiritualists in his orbit Surveying clairvoyant incidents in Lincoln s life from cradle to grave the book also examines the Emancipation Proclamation and the unseen powers that moved pen to hand for its historic signing

Secrets of the Psychics Massimo Polidoro, 2012-06-14 This intriguing examination of the bizarre and the strange by a topnotch investigator will interest both skeptics and believers alike Illustrations **Forbidden Science** J. Douglas Kenyon, 2008-02-11 Reveals the cutting edge of New Science and shows how established science disallows inquiry that challenges the status quo even when it produces verifiable results Contains 43 essays by 19 researchers denoting cutting edge heretical or suppressed scientific research including Immanuel Velikovsky Nikola Tesla Rupert Sheldrake and Masaru Emoto Edited by Atlantis Rising publisher J Douglas Kenyon Following the model of his bestselling *Forbidden History* and *Forbidden Religion* J Douglas Kenyon has assembled from his bimonthly journal Atlantis Rising material that explores science and technology that has been suppressed by the orthodox scientific community from the true function of the Great Pyramid and the megaliths at Nabta Playa to Immanuel Velikovsky s astronomical insights free energy from space cold fusion and Rupert Sheldrake s research into telepathy and ESP There is an organized war going on in science between materialistic theory and anything that could be termed spiritual or metaphysical For example Masaru Emoto s research into the energetics of water although supported by photographic evidence has been scoffed at by mainstream science because he has asserted that humans affect their surroundings with their thoughts The materialism or absolute skepticism of the scientific establishment is detrimental to any scientific inquiry that thinks outside the box This mentality is interested in preserving funding for its own projects those that will not rock the establishment From Tesla s discovery of alternating current to Robert Schoch s re dating of the Sphinx this book serves as a compelling introduction to the true history of alternative and New Science research **Hidden Depths** Robin Waterfield, 2013-01-22 In Hidden Depths Robin Waterfield explores the fascinating world of hypnosis tracing the history of this often misunderstood craft beginning with a passage in the book of Genesis and continuing through his own personal experiences today Waterfield uses the history and controversy surrounding the practice of hypnosis to gain insight into our behavior and psychology and considers how hypnotic techniques have been absorbed into society through advertising media and popular culture *Freedom Justice Community* John G Root Jr, 2024-06-12 Money makes the world go round This should be Money goes round the world We have a world economy that could be benefiting everyone Money is like manure it is only good when it is spread around Everyone s work needs to be

fertilized with the right amount of money for society to be healthy Money is the root of all evil or the love of money is the root of all evil Do we assume that the problem is human nature not money itself This book demonstrates that the problem is not human nature and it is not money itself The problem is who issues the money how it is issued and what it is issued for Monetary reform is necessary but not sufficient to bring about the world we know in our hearts To bring about the world we know in our hearts we must share that knowing with each other This book aims to show that when the individual is Free to express the love that wells up naturally to fulfill their life's purpose when society is Just because it is based on the people's active consent and participation in adjudicating remediating harm and when everything that the people provide each other to satisfy their needs and desires is the result of a voluntary initiative inspired and supported by the Community and funded as a right then the individual will be sovereign and will be creating contributing to and maintaining a society that benefits everyone

A Short History of (Nearly) Everything Paranormal Terje G. Simonsen, 2020-06-09 A superb survey of the paranormal and a travelogue through the twilight zone of human consciousness hailed by experts as the best introduction to psychic phenomena Herbie Brennan New York Times bestselling author This is the most entertaining and broad survey of the paranormal ever made combining forgotten lore evidence from parapsychological experiments and the testimonies of scientists archaeologists anthropologists psychologists physicists and philosophers Exploring the possibility that paranormal phenomena may be objectively real this travelogue through the twilight zone of human consciousness is both scientifically rigorous and extremely entertaining Readers may be surprised to learn that reputable scientists among them several Nobel laureates have claimed that Telepathy is a reality Cleopatra's lost palace and Richard III's burial place were recovered with clairvoyance The US military set up an espionage program using psychics Could it be that what we usually call supernatural is a natural but little understood communication via this mental internet The winner of the most prestigious award in the field the Parapsychological Association Book Award *A Short History of Nearly Everything Paranormal* is an engaging entertaining and informative analysis of a controversial subject

You Are the Mystery David D Zink, 2000-12-12 Joan and David Zink have woven for us an essential and timely fabric from the present day research tracing the dynamic development of the concept of psycho integration Through the exploration by psychologist of the phenomena associated with demonstrable alteration in skin temperatures and the cardiovascular responses to central control we have come to that point where bio feedback is available to the individual as a signpost for improving his own state of well being through his own intentional and conscious control Thus the paths of insight into the unconscious have now broadened We are each given the possibilities of accepting responsibility for our own growth and understating of our own levels of consciousness By their scholarly and critical reviews of the literature beginning with the insights of Freud and Jung and expanding since WWII through clinical physiologists sources of bio feedback Joan and David Zink have clearly delineated for us the problems of the mind body dichotomy Rational acceptance of functional psycho integration is now available for further exploration and for clinical

applications Of special value are the chapters expanding and simplifying the evidence of the importance to man of his own inner development with discovery of his own powers in spiritual understanding and self direction Current research has provided a meeting ground for Occidental and Oriental philosophies Occidental man will thereby be enabled to pursue the development of his highest self and to achieve his own individual understanding of his place in the Greater Universe
