Reefer Warrior:

Reefer Warrior K. Hawkeye Gross, 1998-01-01 This is the outrageous story of how Hawkeye went from flying combat missions in Vietnam to smuggling dope by the boat and plane load into the U S from Colombia His amusing reflections of his adventures and misadventures offer a vivid and accurate portrayal of the drug smuggling world of the late 1960s and 1970s with its colorful cast of war heroes dealers middlemen and addicts *A Warrior's Heart* Tim Mehl, 2017-02-12 A Warrior's Heart is the spiritual autobiography of Tim G Mehl In it he shares about his struggles with ADD ADHD as a child in a time when schools and parents did not know how to handle a child with these issues This along with a difficult home life created feelings of self worthlessness and a low self esteem that led him toward the hippie movement of the 60s His story takes you through those hippie years along with the beginning of drug use and eventually dropping out of high school to enlist in the United States Navy He goes into great detail of the verbal abuse he sustained by his father as well as the serious respiratory illness of his mother who passed away just five days before his fifteen birthday When suicide seemed to be the only answer for his pain and hurt he found the love of God on the very day that he decided to kill himself He shares the incredible things that the Lord did in him for him and through him which eventually led him to become a peace officer with almost a thirty year law enforcement career He shares stories of God's protection even when he wasn't walking his Christian witness Near death experiences and how God protected him and kept him safe on the streets throughout his career as well as during his 10 year assignment working undercover Tim also shares his healing from the wounds and scars left by his feelings of failure rejection and worthlessness that penetrated deep into his heart By learning to forgive and receive forgiveness Tim takes you through his discovery of understanding and knowing God as his heavenly Father who has never rejected him or thought of him as a failure or worthless Becoming an ordained minister in 2004 God is using Tim and his wife Myrth in various areas of ministry within their church I have no doubt whatsoever that there are young people out there who are going through some of the exact things that I went through If this book about my testimony can reach just one person for Jesus Christ then everything that I ever went through was worth it I'd do it all over again if just one person comes to know Jesus as Lord and Savior

Drug Wars Curtis Marez, 2004 Inaugurated in 1984 America's War on Drugs is just the most recent skirmish in a standoff between global drug trafficking and state power From Britain's nineteenth century Opium Wars in China to the activities of Colombia's drug cartels and their suppression by U.S. backed military forces today conflicts over narcotics have justified imperial expansion global capitalism and state violence even as they have also fueled the movement of goods and labor around the world In *Drug Wars* cultural critic Curtis Marez examines two hundred years of writings graphic works films and music that both demonize and celebrate the commerce in cocaine marijuana and opium providing a bold interdisciplinary exploration of drugs in the popular imagination Ranging from the writings of Sigmund Freud to pro drug lord Mexican popular music gangsta rap and Brian De Palma's 1983 epic *Scarface* *Drug Wars* moves from the representations and realities of the Opium Wars to the long history of drug and immigration enforcement on the U.S. Mexican border and to cocaine use and interdiction in South America Middle Europe and among American Indians Throughout Marez juxtaposes official drug policy and propaganda with subversive images that challenge and sometimes even taunt government and legal efforts As Marez shows despite the state's best efforts to use the media to obscure the hypocrisies and failures of its drug policies be they lurid descriptions of Chinese opium dens in the English popular press or Nancy Reagan's Just Say No campaign marginalized groups have consistently opposed the expansion of state power that drug traffic has historically supported Curtis Marez is assistant professor of critical studies at the University of Southern California School of Cinema Television
