Renner,2008-06-26 This book is written by an Everyman a person who has traveled through the ups and downs of life with his eyes wide open and his heart exposed The eyes have seen too much The heart has taken a few hits It started with a poem One poem reflecting a single thought Then a second and a third and a fourth The poems span a period and in themselves have become a reflection of the writer me The observations are not so unusual It is unusual however I guess to maintain a printed word of the journey
