**A Diary of the Russo-Japanese War** ,1904      **The Russo-Japanese War 1904-1905** Geoffrey Jukes,2014-06-06 The Russo Japanese war saw the first defeat of a major European imperialist power by an Asian country When Japanese and Russian expansionist interests collided over Manchuria and Korea the Tsar assumed Japan would never dare to fight However after years of planning Japan launched a surprise attack on the Russian Port Arthur on the Liaoyang Peninsula in 1904 and the war that followed saw Japan win major battles against Russia This book explains the background and outbreak of the war then follows the course of the fighting at Yalu River Sha ho and finally Mukden the largest battle anywhere in the world before the First World War      **The Russo-Japanese War 1904-1905** Geoffrey Jukes,2002 The Russo Japanese war saw the first defeat of a major European imperialist power by an Asian country When Japanese and Russian expansionist interests collided over Manchuria and Korea the Tsar assumed Japan would never dare to fight However after years of planning Japan launched a surprise attack on the Russian Port Arthur on the Liaoyang Peninsula in 1904 and the war that followed saw Japan win major battles against Russia This book explains the background and outbreak of the war then follows the course of the fighting at Yalu River Sha ho and finally Mukden the largest battle anywhere in the world before the First World War Bloomsbury Publishing      **A Diary of the Russo-Japanese War** ,1904      **The Russo-Japanese War Fully Illustrated.v 1-3(no.1-10)Apr.1904-Sept.1905** ,1905      **An Outline of the Russo-Japanese War 1904, 1905** Charles Ross,2014-03-25 The Russo Japanese War 8 February 1904 5 September 1905 was the first great war of the 20th century It grew out of rival imperial ambitions of the Russian Empire and the Empire of Japan over Manchuria and Korea The major theatres of operations were Southern Manchuria specifically the area around the Liaodong Peninsula and Mukden and the seas around Korea Japan and the Yellow Sea Russia sought a warm water port on the Pacific Ocean for their navy as well as for maritime trade From the end of the First Sino Japanese War and 1903 negotiations between Russia and Japan had proved impractical Japan offered to recognize Russian dominance in Manchuria in exchange for recognition of Korea as a Japanese sphere of influence Russia refused this so Japan chose war to counter what it described as Russian aggression in Asia After discussions broke down in 1904 the Japanese Navy attacked the Russian eastern fleet at Port Arthur a naval base in the Liaotung province leased to Russia by China which led to war The Japanese defeated the Russians in a series of battles on land and at sea The resulting campaigns in which the Japanese military attained victory over the Russian forces arrayed against them were unexpected by world observers Over time the consequences of these battles would transform the balance of power in East Asia resulting in a reassessment of Japan s recent entry onto the world stage The author in his study of war has been impressed by the numberless apparently trifling facts which appear in memoirs and reminiscences but which seldom appear in histories and which nevertheless often show up events in a perfectly new light This publication provides a recap of the events The original text and artwork have been used in this publication occasionally there may be instances of

imperfections with these old texts i.e blurred or missing pages poor image quality      Rethinking the Russo-Japanese War, 1904-5, 2007-05-17 Despite the growing number of publications on the Russo Japanese War an abundance of questions and issues related to this topic remain unsolved or call for a reexamination This 30 chapter volume the first in the two volume project Rethinking the Russo Japanese War provides a comprehensive reexamination of the origins of the conflict the various dimensions of the nineteen month conflagration the legacy of the war and its place in the history of the twentieth century Such an enterprise is not only timely but unique It has benefited from a multinational team of thirty two scholars from twelve nations representing a broad disciplinary background The majority of them focus on topics never researched before and without exception provide a novel and critical view of the war This reexamination is of course facilitated by a century long perspective as well as an impressive assortment of primary and secondary sources many of them unexplored and in a number of cases unavailable earlier      **The Tide at Sunrise** Denis Warner, Peggy Warner, 1974 Opening round The first Pearl Harbor The momentum of decision Rising sun rising Russia the boiling pot Korea the cockpit Carving up China The wedding of the moon and the mud turtle The end of the mangy triumvirate And so to war The early stage One hundred victories in one hundred battles A place of honor in the naval annals Practical joke Little grandfather arrives And fights On to the Yalu Russia's day Nanshan The siege begins Te li ssu and the Motien Pass The Yellow Sea Elusive victory The disastrous frontal assault Liaoyang Nogi fails again Sha ho On the dogger bank The long long trail The fall of Port Arthur The place of peace Sabotage St Petersburg and San de pu Mukden Journey of the damned Battle of shadows Portsmouth The aftermath Unfinished business      Russo-Japanese War on Land John H.
