Rudyard Kipling And His World:

Rudyard Kipling and His World Kingsley Amis, Politics and Awe in Rudyard Kipling's Fiction Peter Havholm, 2016-12-05 There has been a resurgence of interest in Kipling among critics who struggle to reconcile the multiple pleasures offered by his fiction with the controversial political ideas that inform it Peter Havholm takes up the challenge piecing together Kipling's understanding of empire and humanity from evidence in Anglo Indian and Indian newspapers of the 1870s and 1880s and offering a new explanation for Kipling's post 1891 turn to fantasy and stories written to be enjoyed by children By dovetailing detailed contextual knowledge of British India with informed and sensitive close readings of well known works like *The Man Who Would Be King* *Kim* *The Light That Failed* and *They* Havholm offers a fresh reading of Kipling's early and late stories that acknowledges Kipling's achievement as a writer and illuminates the seductive allure of the imperialist fantasy *Encyclopedia of World Trade: From Ancient Times to the Present* Cynthia Clark Northrup, Jerry H. Bentley, Alfred E. Eckes, Jr, Patrick Manning, Kenneth Pomeranz, Steven Topik, 2015-04-10 Written for high school or beginning undergraduate students this four volume reference valiantly attempts to provide a historical framework for the perhaps overly broad concept of world trade Entry topics were selected on trade organizations influential people commodities events that affected trade trade routes navigation religion communic **The Who's Who of Nobel Prize Winners, 1901-2000** Louise S. Sherby, 2001-12-30 The Who's Who of Nobel Prize Winners is a one stop source of detailed information on the men and women who earned the Nobel Prize during the 20th century Organized chronologically by prize each extensive article contains in depth information on the laureate's life and career as well as a selected list of his or her publications and biographical resources on the individual A concise commentary explains why the laureate received the award and summarizes the individual's other important achievements This completely updated edition also contains a history of the prize Four indexes distinguish this title from similar biographical references and enable researchers to search by name education nationality or citizenship and religion *English Culture and the Decline of the Industrial Spirit, 1850-1980* Martin J. Wiener, 2004-09-13 Drawing upon a wide array of sources Martin Wiener explores the English ambivalence to modern industrial society **How the Just So Stories Were Made** John Batchelor, 2021-05-11 A fascinating richly illustrated exploration of the poignant origins of Rudyard Kipling's world famous children's classic *From How the Leopard Got Its Spots to The Elephant's Child* Rudyard Kipling's Just So Stories have delighted readers across the world for more than a century In this original study John Batchelor explores the artistry with which Kipling created the Just So Stories using each tale as an entry point into the writer's life and work including the tragedy that shadows much of the volume the death of his daughter Josephine Batchelor details the playful challenges the stories made to contemporary society In his stories Kipling played with biblical and other stories of creation and imagined fantastical tales of animals development and man's discovery of literacy Richly illustrated with original drawings and family photographs this account reveals Kipling's public and private

lives and sheds new light on a much loved and tremendously influential classic Multicultural Writers from Antiquity to 1945 Alba Amoia,Bettina L. Knapp,2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world *Masterpieces of the World's Best Literature* Jeannette Leonard Gilder,1910 **Critic and Literary World** Jeannette Leonard Gilder,Joseph Benson Gilder,1892 *Postcolonial Studies* Benita Parry,2004-07-31 A powerful selection of essays by one of the most important critics in postcolonial studies arguing for practices of reading and criticism fully attentive to historical circumstances and socio material conditions *The World's Progress* Delphian Society,1911 The Warner Library: The world's best literature Charles Dudley Warner,John William Cunliffe,Ashley Horace Thorndike,Harry Morgan Ayres,Helen Rex Keller,Gerhard Richard Lomer,1917 *the world's progress* ,1913 The Literary Digest Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1898 **Mousetraps and the Moon** Robert Wilcocks,2000-01-01 In Mousetraps and the Moon Robert Wilcocks offers a trenchant reappraisal of Freud and the origins of psychoanalysis in the late 19th century Commenting on Freud s relationship with Wilhelm Fliess and his enthusiasm for the works of Rudyard Kipling this book goes farther than most contemporary critiques of Freud and calls for a massive re evaluation of his legacy both as a response to human suffering and as an approach to literary criticism *Mother India* Pranay Gupte,2011-06-20 The first major biography of Indira Gandhi covers the breadth and scope of 20th century India and the woman who left her indelible mark on that troubled country Both widely supported and bitterly opposed she was eventually removed from office only to make a stunning comeback **Constructions of 'the Jew' in English Literature and Society** Bryan Cheyette,1995-10-26 Combining cultural theory discourse analysis and new historicism with readings of the works of major contemporary authors this study concludes that the Jew is characterized unstereotypically as the embodiment of uncertainty within English literature and society The Literary World ,1889 The Literature of Region and Nation Ronald P Draper,1989-01-27 **The World's Work** ,1922 A history of our time

Decoding **Rudyard Kipling And His World**: Revealing the Captivating Potential of Verbal Expression
