*Rules of the Wild* Francesca Marciano, 2009-07-29 A mesmerizing novel of love and nostalgia set in the vast spaces of contemporary East Africa Romantic often resonantly ironic moving and wise *Rules of the Wild* transports us to a landscape of unsurpassed beauty even as it gives us a sharp eyed portrait of a closely knit tribe of cultural outsiders the expatriates living in Kenya today Challenged by race by class and by a longing for home here are safari boys and samaritans reporters bent on their own fame travelers who care deeply about elephants but not at all about the people of Africa They all know each other They meet at dinner parties they sleep with each other they argue about politics and the best way to negotiate their existence in a place where they don't really belong At the center is Esm a beautiful young woman of dazzling ironies and introspections who tells us her story in a voice both passionate and self deprecating Against a paradoxical backdrop of limitless physical freedom and escalating civil unrest Esm struggles to make sense of her own place in Africa and of her feelings for the two men there whom she loves Adam a second generation Kenyan who is the first to show her the wonders of her adopted land and Hunter a British journalist sickened by its horrors *Rules of the Wild* evokes the worlds of Isak Dinesen Beryl Markham and Ernest Hemingway It explores unforgettably our infinite desire for a perfect elsewhere for love and a place to call home It is an astonishing literary debut

*Germans on the Kenyan Coast* Nina Berman, 2017-01-16 Shed s light on the romantic psychosexual and psychosocial and economic entanglements that tie German tourists to their Kenyan hosts Daily Nation Diani a coastal town on the Indian Ocean is significantly defined by a large European presence that has spurred economic development and is also supported by close relationships between Kenyans and European immigrants and tourists Nina Berman looks carefully at the repercussions that these economic and social interactions have brought to life on the Kenyan coast She explores what happens when poorer and less powerful members of a community are forced to give way to profit based real estate development what it means when most of Diani's schools and water resources are supplied by funds from immigrants and what the impact of mixed marriages is on notions of kinship and belonging as well as the economy This unique story about a small Kenyan town also recounts a wider tale of opportunity oppression resilience exploitation domination and

accommodation in a world of economic political and social change In this richly detailed book Nina Berman tracks the influx of thousands of German speaking tourists and residents especially in the 1990s and the making of a distinctive Kenyan European cultural enclave in the coastal community of Diani as many of these visitors choose to extend their stay as long term residents Ann Biersteker author of *Masomo ya Kisasa Contemporary Readings in Swahili* An informative and thought provoking work that deserves to be read by scholars of Kenya and those interested in globalized structures of gentrification north south humanitarian assistance and love and romance in Africa *African Studies Quarterly* *Artificial Africas* Ruth Mayer,2002 A groundbreaking investigation of Western conceptions of Africa *The Law of the Land; A Novel* Emerson Hough,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Chaytor,K.R. Gray,2013-11-11 C O OKID1 I welcome the opportunity to prepare a Foreword to the book on Environmental Policy and Law in Africa edited by Kevin R Gray and Beatrice Chaytor It is a pleasure to do that because the book is a contribution to the cause of capacity building for development and implementation of environmental law in Africa a goal towards which I have had an undivided focus over the last two decades There is still some belief in and outside Africa that for developing countries in general and Africa in particular development and implementation of environmental law is not a priority This belief prevails strongly in many quarters of the industrialised countries In fact the view is held either out of blatant ignorance or by some renegade industrialists who fail to appreciate Michael Royston s 1979 thesis that Pollution Prevention Pays 2 That group for obvious reasons must have their correspondent counterparts in Africa to provide hope that

industries rejected as derelict in the West or inoperable due to rigorous environmental regulation can find homes to which they can escape and dump their polluting industries      *Margery Perham and British Rule in Africa* Mary Bull, Alison Smith, 2013-12-02 Margery Perham was an outstanding influence on official and academic thinking on British Colonial rule and decolonization in Africa during the middle part of the century The book traces how the Second World War transformed her view of colonial rule and of the rate at which it would have to be relinquished      *Domestic and Regional Environmental Laws and Policies in Africa* Jean-Claude N. Ashukem, Semie M. Sama, 2023-11-10 This book explores African domestic and regional responses and approaches to environmental protection and sustainability Written by African experts the collection consists of five parts covering the whole of Africa It provides broad coverage of specific themes including environmental constitutionalism climate change gender and the environment wildlife trade environmental justice and human displacement The key aims are first to explore theoretical and empirical studies to interrogate and provide clarity on academic discourse on how and whether environmental human rights approaches and policy implications have effectively enhanced environmental protection and sustainability at African domestic levels Second to investigate and present innovative solutions on how African domestic legal regimes deal with environmental justice natural resources governance refugees environmental rights and climate induced displaced persons Finally to propose innovative legal and institutionalised solutions to Africa s ecological realities by determining the legal and regulatory gaps on environmental human rights issues on the continent The collection will be a valuable resource for researchers academics and policymakers in human rights law environmental law political science ecology and conservation environmental management disaster management and development studies

Refusal, Transition and Post-apartheid Law Karin Van Marle, 2009-11-01 Refusal Transition and Post apartheid Law under editorship of professor Karin van Marle is indeed long overdue As some of the authors in the relevant contributions to this publication rightly point out Van Marle s call for a jurisprudence of generosity enabled through an ethics of refusal signals a new shift in South African jurisprudence Through the lens of Van Marle s ethics of refusal and her jurisprudence of generosity the articles present fresh and meaningful interpretations in respect of a range of very relevant topics ranging from property theory and a rethinking of human rights to the role of forgiveness and the dangers inherent in modern technology      **Morality and the Law in British Detective and Spy Fiction, 1880-1920** Kate Morrison, 2020-05-28 Who decides what is right or wrong ethical or immoral just or unjust In the world of crime and spy fiction between 1880 and 1920 the boundaries of the law were blurred and justice called into question humanity s moral code As fictional detectives mutated into spies near the turn of the century the waning influence of morality on decision making signaled a shift in behavior from idealistic principles towards a pragmatic outlook taken in the national interest Taking a fresh approach to Sir Arthur Conan Doyle s popular protagonist Sherlock Holmes this book examines how Holmes and his rival maverick literary detectives and spies manipulated the law to deliver a fairer form of justice than that ordained by parliament Multidisciplinary this work

views detective fiction through the lenses of law moral philosophy and history and incorporates issues of gender equality and race By studying popular publications of the time it provides a glimpse into public attitudes towards crime and morality and how those shifting opinions helped reconstruct the hero in a new image *Crime Fiction and the Law* Maria

Aristodemou, Fiona Macmillan, Patricia Tuitt, 2016-12-08 This book opens up a range of important perspectives on law and violence by considering the ways in which their relationship is formulated in literature television and film Employing critical legal theory to address the relationship between crime fiction law and justice it considers a range of topics including the relationship between crime fiction legal reasoning and critique questions surrounding the relationship between law and justice gender issues the legal political and social impacts of fictional representations of crime and justice post colonial perspectives on crime fiction as well as the impact of law itself on the crime fiction s development Introducing a new sub field of legal and literary research this book will be of enormous interest to scholars in critical cultural and socio legal studies as well as to others in criminology as well as in literature Books of 1912- Chicago Public Library, 1912 **Africa**
