Backwards, in High Heels Thomas J. Carty, 2020-01-10 A careful in depth account of Ambassador Faith Whittlesey's time both in and outside of Washington a pioneer for women in politics American Swiss Foundation Ginger Rogers did everything that Fred Astaire did so the saying goes but she did it backwards and in high heels Faith Whittlesey popularized this quotation during the 1980s and many attribute the line to her In this book the life and career of Faith Whittlesey gives concrete meaning to the quotation Raised in western New York State by highly motivated Irish American parents of limited means she worked to reach an eminent position as Ronald Reagan's ambassador to Switzerland twice and to serve as the highest ranking woman on Reagan's White House staff from 1983-1985 There she occupied the West Wing office soon to be Hillary Clinton's and as a widow since 1974 with three children provided a female influence of her own to presidential culture well before it was fashionable After leaving government service Whittlesey practiced private sector diplomacy serving from 1989 as Chairman and then Emeritus of the American Swiss Foundation organizing several private high level delegations to visit China and participating both publicly and at times behind the scenes in discussion of the most significant public policy issues of recent decades This book tells the story of the political career of a remarkable and sometimes polarizing political figure who despite daunting obstacles was able to achieve exceptional influence then use her position for the furtherance of common good *The Philadelphia Inquirer*

The Pennsylvania Railroad Albert J. Churella, 2024-11-26 The final volume of Albert J Churella's landmark series *The Pennsylvania Railroad* concludes the story of the iconic transportation company covering its long decline from the 1930s to its merger with the New York Central Railroad in 1968 Despite some parallels with World War I the experience of World War II had a substantially different impact on the Pennsylvania Railroad The introduction of new technologies personnel and commuter routes had significant effects on this giant of American transportation The recession of 1958 sparked a period of decline from which it and many other railroads struggled to fully recover *The Pennsylvania Railroad The Long Decline 1933-1968* provides an unparalleled look at the final years of this legendary company which in its prime was the largest corporation in the world with a budget second only to that of the US federal government

The Hollow Parties Daniel Schlozman, Sam Rosenfeld, 2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America's political parties Featured on *The Ezra Klein*

Show and The Weekly Show with Jon Stewart America's political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today's parties at once overbearing and ineffectual have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party's first generation who stood up to the Slave Power And they show how today's fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity The Hollow Parties offers powerful answers to pressing questions about how the nation's parties became so dysfunctional and how they might yet realize their promise *Urban Reform and Sexual Vice in Progressive-Era Philadelphia* James H. Adams, 2015-07-01 This book examines the intersection and interplay between Progressive Era rhetoric regarding commercialized vice and the realities of prostitution in early twentieth century Philadelphia Arguing that any study of commercial sexual vice in a historical context is difficult given the paucity of evidence this work instead focuses on reformers construction of a cultural view of prostitution which Adams argues was based more upon their perceptions of the trade than on reality itself Looking at the urban core of the city Progressive reformers saw vice immorality and decay but as they frequently had little face to face interaction with prostitutes plying their trade they were forced to construct culturally fueled archetypes to explain what they believed they saw Ultimately reformers in Philadelphia were battling against a rhetorical creation of their own design and any study of anti vice reform in the early twentieth century tells us more about the relationship between activists and the government than it does about vice itself

Black Parish, White Priest Joseph F. O'Callaghan, 2025-08-05 How long are you going to stay queried his skeptical Black parishioners I hope to die here responded Denis their new White pastor With that commitment he encouraged their sense of self worth and urged them to claim their rights in the church and in the broader community As he gained their trust they called him Father O not to be familiar but in love Working with Black ministers he endeavored to improve the quality of life for everyone by creating the Chester Community Improvement Project and Better Housing for Chester As tensions arose between Black parents and White teachers in his parochial school and as his outspokenness provoked the city's politicians complaints were made to Cardinal Krol Archbishop of Philadelphia Citing anonymous sources the cardinal fired Denis as pastor When he moved to another parish in obedience to the cardinal Denis lamented All I want to do is cry these are my people Because Cardinal Krol would not identify his anonymous informants Denis refused to resign as pastor and demanded a

hearing in accordance with canon law The dispute was resolved when the cardinal permitted Denis to accept a position at Saint Mary Seminary in Baltimore There before dying of cancer he devoted himself to teaching young seminarians the nuts and bolts of being a pastor Admonishing them to be good shepherds he affirmed if you are going to live the gospel you have to speak out As he learned you also have to be prepared to suffer the consequences Tinicum & Eastwick Will Caverly,2024-12-31 When plans to overhaul Southwest Philadelphia in the 1950s scheduled both the integrated neighborhood of Eastwick and the ecologically valuable Tinicum marshes to be razed two grassroots movements took up the cause battling eminent domain in the name of environmental conservation and economic injustice In the 1950s city planners eager to change the face of Philadelphia had designs on the city s southwest They planned to raze the integrated neighborhood of Eastwick and level the ecologically valuable Tinicum marshlands to make room for a new city within a city In response two grassroots movements began a resistance that spanned decades battling eminent domain in the name of environmental conservation and economic injustice The Eastwick neighborhood s resistance to the project was racially diverse and working class in nature Led by housewives they went toe to toe with a government bureaucracy hungry for progress As Eastwick rallied to defend itself a parallel grassroots effort by bird watchers desperately worked to save the embattled Tinicum marshes These unspoiled remains of Pennsylvania s last freshwater tidal marsh were home to hundreds of threatened species of wildlife Amid protest marches and bomb threats political intrigue and outrage a question emerged that would forever influence the region Who deserves a home wildlife or human beings Through oral history and exhaustive research Tinicum Eastwick documents one of the most egregious civil rights violations in Pennsylvania history as well as one of the state s greatest environmental triumphs Author Will Caverly confronts the intersection of eminent domain and environment told through the struggles everyday residents of Southeastern Pennsylvania endured to pursue justice
