The Francis Ford Coppola Encyclopedia James M. Welsh, Gene D. Phillips, Rodney F. Hill, 2010-08-27 Francis Ford Coppola's career has spanned five decades from low budget films he produced in the early 1960s to more personal films of recent years Because of the tremendous popular success of *The Godfather* and the tremendous critical success of its sequel Coppola is considered to be one of the best directors of all time The entries in this encyclopedia focus on all aspects of Coppola's work from his early days with producer Roger Corman to his films as the director of the 1970s This extensive reference contains material on all of the films Coppola has played a role in from screenwriter to producer to director including such classics as *Patton* *The Godfather* *The Conversation* *The Godfather Part II* and *Apocalypse Now* Each entry is followed by a bibliography of published sources both in print and online making *The Francis Ford Coppola Encyclopedia* the most comprehensive reference on this director's body of work

Cinemas of Boyhood Timothy Shary, 2021-01-13 Drawing from political sociology pop psychology and film studies *Cinemas of Boyhood* explores the important yet often overlooked subject of boys and boyhood in film This collected volume features an eclectic range of films from British and Indian cinemas to silent Hollywood and the new Hollywood of the 1980s culminating in a comprehensive overview of the diverse concerns surrounding representations of boyhood in film

Godfather Gene D. Phillips, 2014-04-23 This critical biography by the acclaimed film historian is certainly the definitive work on the director behind *The Godfather* and *Apocalypse Now* Publishers Weekly Gene Phillips blends biography studio history and film criticism to complete the most comprehensive work on Coppola ever written The force behind such popular and critically acclaimed films as *Rumble Fish* and the *Godfather* trilogy Coppola has imprinted his distinct style on each of his movies and on the landscape of American popular culture In *Godfather* Phillips argues that Coppola has repeatedly bucked the Hollywood factory system in an attempt to create distinct films that reflect his own artistic vision often to the detriment of his career and finances Phillips conducted interviews with the director and his colleagues and examined Coppola's production journals and screenplays Phillips also reviewed rare copies of Coppola's student films his early excursions into soft core pornography and his less celebrated productions such as *One from the Heart* and *Tucker The Man and His Dream* The result is the definitive assessment of one of Hollywood's most enduring and misunderstood mavericks
