Campion-Vincent,2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come *An Epidemic of Rumors* Jon D. Lee,2014-03-15 In *An Epidemic of Rumors* Jon D Lee examines the human response to epidemics through the lens of the 2003 SARS epidemic Societies usually respond to the eruption of disease by constructing stories jokes conspiracy theories legends and rumors but these narratives are often more damaging than the diseases they reference The information disseminated through them is often inaccurate incorporating xenophobic explanations of the disease s origins and questionable medical information about potential cures and treatment Folklore studies brings important and useful perspectives to understanding cultural responses to the outbreak of disease Through this etiological study Lee shows the

similarities between the narratives of the SARS outbreak and the narratives of other contemporary disease outbreaks like AIDS and the H1N1 virus His analysis suggests that these disease narratives do not spring up with new outbreaks or diseases but are in continuous circulation and are recycled opportunistically Lee also explores whether this predictability of vernacular disease narratives presents the opportunity to create counter narratives released systematically from the government or medical science to stymie the negative effects of the fearful rumors that so often inflame humanity With potential for practical application to public health and health policy An Epidemic of Rumors will be of interest to students and scholars of health medicine and folklore

Narrative Landmines Daniel Leonard Bernardi, Pauline Hope Cheong, Chris Lundry, Scott W. Ruston, 2012-03-12 Islamic extremism is the dominant security concern of many contemporary governments spanning the industrialized West to the developing world Narrative Landmines explores how rumors fit into and extend narrative systems and ideologies particularly in the context of terrorism counter terrorism and extremist insurgencies Its concern is to foster a more sophisticated understanding of how oral and digital cultures work alongside economic diplomatic and cultural factors that influence the struggles between states and non state actors in the proverbial battle of hearts and minds Beyond face to face communication the authors also address the role of new and social media in the creation and spread of rumors As narrative forms rumors are suitable to a wide range of political expression from citizens insurgents and governments alike and in places as distinct as Singapore Iraq and Indonesia the case studies presented for analysis The authors make a compelling argument for understanding rumors in these contexts as narrative IEDs low cost low tech weapons that can successfully counter such elaborate and expansive government initiatives as outreach campaigns or strategic communication efforts While not exactly the same as the advanced technological systems or Improvised Explosive Devices to which they are metaphorically related narrative IEDs nevertheless operate as weapons that can aid the extremist cause

The Cave 4 Apocryphon of Jeremiah and the Qumran Jeremianic Traditions Kipp Davis, 2014-10-13 The Cave 4 Apocryphon of Jeremiah C from Qumran survives in several copies and presents significant links between the prophet Jeremiah the scriptural book of Jeremiah and the collectors of the Dead Sea Scrolls Because the prophet is only occasionally named in the Scrolls and there are only a few clear instances where the book is cited Jeremiah appears to have had a limited impact on the imagination of the Qumranites However through a careful appraisal of the Apocryphon manuscripts and a reconsideration of Jeremiah s influence in the Dead Sea Scrolls via his reputational authority this study shows that clusters of traditions were tied to Jeremiah s prophetic and priestly distinction with an emphasis on matters of leadership and empire

The Fragile Balance of Terror Vipin Narang, Scott D. Sagan, 2023-01-15 In The Fragile Balance of Terror the foremost experts on nuclear policy and strategy offer insight into an era rife with more nuclear powers Some of these new powers suffer domestic instability others are led by pathological personalist dictators and many are situated in highly unstable regions of the world a volatile mix of variables The increasing fragility of deterrence in the twenty first century is created by

a confluence of forces military technologies that create vulnerable arsenals a novel information ecosystem that rapidly transmits both information and misinformation nuclear rivalries that include three or more nuclear powers and dictatorial decision making that encourages rash choices The nuclear threats posed by India Pakistan Iran and North Korea are thus fraught with danger The Fragile Balance of Terror edited by Vipin Narang and Scott D Sagan brings together a diverse collection of rigorous and creative scholars who analyze how the nuclear landscape is changing for the worse Scholars pundits and policymakers who think that the spread of nuclear weapons can create stable forms of nuclear deterrence in the future will be forced to think again Contributors Giles David Arceneaux Mark S Bell Christopher Clary Peter D Feaver Jeffrey Lewis Rose McDermott Nicholas L Miller Vipin Narang Ankit Panda Scott D Sagan Caitlin Talmadge Heather Williams Amy Zegart

Conspiracy Narratives South of the Border Gonzalo Soltero, 2020-10-25 This book examines four conspiracy narratives from Mexico that push the boundaries of conspiracy research in a new direction They include narratives about Lee Harvey Oswald's visit to Mexico City shortly before he apparently assassinated JFK and street gangs across borders and how some of our worst fears are projected into them Mexico is a fertile terrain for conspiracy theories due to its complex social environment and its proximity to the United States which not only made it a strategic platform during the Cold War but also today's land of bad hombres that according to Donald Trump should be fended off with a wall Conspiracy theories are always narrative in nature telling us about the state of the world and the actors behind such states of affairs This narrativity tends to be so enthralling that they have increasingly become the substance of entertainment and even politics This volume analyses Mexican conspiracy narratives explaining how they produce meaning in a variety of different social and political contexts This book will be of interest to researchers of conspiracy theories crime and its representations Mexican politics and society and US Latin American relations

The Watercooler Effect Nicholas DiFonzo Ph.D., 2008-09-11 A fresh look at informal communication and how information spreads rapidly An absorbing and compelling book Daniel J Levitin author of This Is Your Brain on Music and The World in Six Songs Nicholas DiFonzo is one of the world's experts on why rumors spread If you've ever wondered where rumors come from or whether some new rumor is true this book will fascinate you Chip Heath coauthor of Made to Stick Why Some Ideas Survive and Others Die During the 2008 presidential election both campaigns sought to detect decipher and defuse a host of derogatory rumors After Hurricane Katrina rumors swirled about stranded residents shooting rescue workers Tipping off the economic crisis costly rumors crippled financial institutions as they flew through the stock market Psychologist Nicholas DiFonzo has studied hearsay for more than fifteen years and in this book he shows how the process that gave rise to these troubling rumors is fundamentally the same as a t t e around the company watercooler With The Watercooler Effect you'll learn how businesses or campaigns can control destructive rumors how to sort fact from fiction why a no comment response can be more detrimental than helpful how an organization can increase trust from within why rumors can actually become more truthful the more they spread DiFonzo argues that rumors stem

from our deeply rooted motivation to make sense of the world and are a window into both individual and group psychology Using fascinating case studies and surprising research findings *The Watercooler Effect* gives you the tools to find the truth behind the rumor *The Psychology of Organizational Change* Shaul Oreg,Alexandra Michel,Rune Todnem By,2013-04-18 This volume examines organizational change from the employee s perspective *Spring Man* Petr Janecek,2022-10-31 *Spring Man* A Belief Legend between Folklore and Popular Culture deconstructs the nationalistic myth of Spring Man that was created after the Second World War in visual culture and literature and presents his original form as an ambiguous ghostly denizen of oral culture Petr Janecek analyzes the archetypal character social context and cultural significance of this fascinating phenomenon with the help of dozens of accounts provided by period eyewitnesses oral narratives and other sources At the same time the author illustrates the international origin of the tales in the originally British migratory legend of Spring heeled Jack that reaches back to the second third of the nineteenth century and Janecek also draws parallels between the Czech myth of Spring Man and similar urban phantom narratives popular in the 1910s Russia 1940s United States and Slovakia and 1950s Germany as well as other parts of the world **Handbook of Research on Historical Pandemic Analysis and the Social Implications of COVID-19** Cortijo Ocaña, Antonio,Martines, Vicent,2021-09-18 The current health situation has been described as chaotic and devastating Humanity s trust in the future and in its human capacity to overcome a disaster of such magnitude is even starting to wither away If science still lacks a response to the pandemic can the humanities offer something to cope with this situation The world can adopt a historical perspective and realize that this is not the first time a global pandemic has struck Issues including illness suffering endurance resilience human survival etc have been dealt with by literature philosophy psychology and sociology throughout the ages and should be explored once again in response to the COVID 19 pandemic The Handbook of Research on Historical Pandemic Analysis and the Social Implications of COVID 19 explores the issue of disease from a variety of philosophical legal historical and social perspectives to offer both comprehension and consolation to the human psyche This group of scholars within the fields of education psychology linguistics history and philosophy provides a comprehensive view of the humanities as it relates to the pandemic within the frame of human reaction to pain and calamity This book also looks at the impact the COVID 19 pandemic has had on society in a multidisciplinary capacity that examines its effects in education government business and more Covering topics such as public health legislation sociology impacts on women and population genetics this book is essential for sociologists psychologists communications experts historians researchers students and academicians **What Happens Next?** Gail de Vos,2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited s *Tales Rumors and Gossip Exploring Contemporary Folk*

Literature in Grades 7-12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations *What Happens Next: Contemporary Urban Legends and Popular Culture* traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV. The author examines if the popularity of contemporary legends in the media has changed the form, role, and integrity of familiar legends. In addition to revisiting some of the legends highlighted in her first book, de Vos shares new tales in circulation which she sees as a direct result of technological advancements. *Narrating the Sex Trade* Tracie L. Wilson, 2025-09-30

Examining a range of sex trade accounts from state documents, activist groups, folk narratives, and key figures in Polish, Ukrainian, and Yiddish literature, this book applies new materialist perspectives to cultural history, coloniality, and imperialism in the study of Europe's eastern borderlands. The text centers on late nineteenth and early twentieth century contexts with eastern Galicia and Lviv as its focal point. However, these narratives flow across time and space, stretching back to the early modern period and continuing to the present across cities in the Americas, in Asia, and along the Mediterranean Sea. The book addresses the convergence of sex trade stories with older narratives, including links to early modern abduction accounts and antisemitic tropes. It also examines the involvement of prominent activists whose personal lives contributed to modern research in psychology and sexuality, such as Bertha Pappenheim, Anna O, and Karl M. Baer. Its groundbreaking approach, unsettling notions of center and periphery, is relevant to the study of a myriad of geographic contexts worldwide and to both historical analysis and present-day situations. This volume is intended for undergraduates, postgraduates, specialists, and general readers interested in east-central Europe, gender, coloniality, imperialism, migration, technology, and modernity. *The Oxford Handbook of Gossip and Reputation* Francesca Giardini, Rafael Wittek, 2019-05-22

Gossip and reputation are core processes in societies and have substantial consequences for individuals, groups, communities, organizations, and markets. Academic studies have found that gossip and reputation have the power to enforce social norms, facilitate cooperation, and act as a means of social control. The key mechanism for the creation, maintenance, and destruction of reputations in everyday life is gossip, evaluative talk about absent third parties. Reputation and gossip are inseparably intertwined but up until now have been mostly studied in isolation. *The Oxford Handbook of Gossip and Reputation* fills this intellectual gap, providing an integrated understanding of the foundations of gossip and reputation, as well as outlining a potential framework for future research. Volume editors Francesca Giardini and Rafael Wittek bring together a diverse group of researchers to analyze gossip and reputation from different disciplines, social domains, and levels of analysis. Being the first integrated and comprehensive collection of studies on both phenomena, each of the 25 chapters explores the current research on the antecedents, processes, and outcomes of the gossip-reputation link in contexts as diverse as online markets, non-industrial societies, organizations, social networks, or schools. International in scope, the volume is organized into seven sections devoted to the exploration of a different facet of gossip and reputation.

Contributions from eminent experts on gossip and reputation not only help us better understand the complex interplay between two delicate social mechanisms but also sketch the contours of a long term research agenda by pointing to new problems and newly emerging cross disciplinary solutions

The Human Sausage Factory Eda Kalmre, 2013-08-10 Under certain conditions some rumours which were established as part of folklore already long ago may become fixed in the memory and the subconscious of several generations This is what happened with the rumour about a human sausage factory after the Second World War In Tartu Estonia this rumour obtained a symbolic meaning and power due to the politics of the totalitarian Soviet regime The memories of the post war period are still vivid in the collective mind and the onetime rumour of sausage factories incorporates the population's tensions pain loss choices defiance and irreconcilability The individual and community emotions that are brought to a focus in this discourse are an indicator of defining social boundaries and behaviour of us and them When describing the events that took place in Tartu folklore becomes a powerful tool with which to construe the meaning of the era at the social level Through documents photos and people's memories the book offers an insight into the city of Tartu after the Second World War and reveals the several layers of meaning represented by rumour in this period

Political Humility Blake Roeber, 2024-04-30 This book aims to change the way we think about politics talk about politics and vote It does this in two ways First it shows it's impossible for a Republican Democrat or voter in any political party to possess a significant level of knowledge of facts that would help their party secure or maintain political power It calls this knowledge political knowledge and shows how unfeasible it is for anyone to have it Second it explains how we might best be politically engaged given that we have virtually no political knowledge To argue that it is impossible for any person to possess a significant amount of political knowledge the book depends on two empirically verified facts The first is that we have virtually no means of acquiring political information except by believing what other people say The second is that when people start talking about politics they become highly unreliable They're very likely to say false things when voicing political opinions because they employ a belief forming process that psychologists call identity protective cognition This is a type of reasoning aimed not at truth but at preserving one's membership in some identity defining group In combination these two observations cast serious doubt on all of our political beliefs As the book explains however the proper response to this doubt is not to simply avoid politics Rather the best response is a kind of humble but real engagement with politics that constantly manifests one's awareness that one is at best making educated guesses rather than speaking and acting from knowledge

Out of the Burning House Sandy Hobbs, Willie Thompson, 2011-05-25 This unique collaboration between a Marxist historian and behaviourist psychologist is a vivid picture of the cultural milieu they experienced at Aberdeen University and of social forces often overlooked in histories of the time Scientific Humanism The New Left and precursors of the Women's Liberation Movement As students together in the MacMillan Era they shared an attachment to socialist secular and scientific values Like Brecht they saw those unwilling to commit to revolutionary socialism as like people

in a burning house asking if it is raining outside before they agree to escape They followed different paths in their subsequent lives one became an historian and long time member of the Communist Party the other although a radical behaviourist unusually focussed on contemporary folklore and child labour *Social Network Analysis* David Knoke, Song Yang, 2019-12-02 David Knoke and Song Yang's *Social Network Analysis* Third Edition provides a concise introduction to the concepts and tools of social network analysis The authors convey key material while at the same time minimizing technical complexities The examples are simple sets of 5 or 6 entities such as individuals positions in a hierarchy political offices and nation states and the relations between them include friendship communication supervision donations and trade The new edition reflects developments and changes in practice over the past decade The authors also describe important recent developments in network analysis especially in the fifth chapter Exponential random graph models ERGMs are a prime example when the second edition was published P models were the recommended approach for this but they have been replaced by ERGMs Finally throughout the volume the authors comment on the challenges and opportunities offered by internet and social media data

Thank you very much for reading **Rumor Mills The Social Impact Of Rumor And Legend**. Maybe you have knowledge that, people have search hundreds times for their favorite readings like this Rumor Mills The Social Impact Of Rumor And Legend, but end up in infectious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some harmful virus inside their desktop computer.

Rumor Mills The Social Impact Of Rumor And Legend is available in our digital library an online access to it is set as public so you can get it instantly.

Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Rumor Mills The Social Impact Of Rumor And Legend Introduction

Rumor Mills The Social Impact Of Rumor And Legend Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rumor Mills The Social Impact Of Rumor And Legend Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rumor Mills The Social Impact Of Rumor And Legend : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rumor Mills The Social Impact Of Rumor And Legend : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rumor Mills The Social Impact Of Rumor And Legend Offers a diverse range of free eBooks across various genres. Rumor Mills The Social Impact Of Rumor And Legend Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rumor Mills The Social Impact Of Rumor And Legend Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rumor Mills The Social Impact Of Rumor And Legend, especially related to Rumor Mills The Social Impact Of Rumor And Legend, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rumor Mills The Social Impact Of Rumor And Legend, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rumor Mills The Social Impact Of Rumor And Legend books or magazines might include. Look for these in online stores or libraries. Remember that while Rumor Mills The Social Impact Of Rumor And Legend, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow

Rumor Mills The Social Impact Of Rumor And Legend eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rumor Mills The Social Impact Of Rumor And Legend full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rumor Mills The Social Impact Of Rumor And Legend eBooks, including some popular titles.

FAQs About Rumor Mills The Social Impact Of Rumor And Legend Books

What is a Rumor Mills The Social Impact Of Rumor And Legend PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rumor Mills The Social Impact Of Rumor And Legend PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rumor Mills The Social Impact Of Rumor And Legend PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rumor Mills The Social Impact Of Rumor And Legend PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rumor Mills The Social Impact Of Rumor And Legend PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
