Run The Other Way Fixing The Broken Two Party System One Race At A Time:

Run the Other Way Bill Hillsman, 2004-04-26 Bill Hillsman is simply in the words of Slate com the world s greatest political adman With his groundbreaking consulting work on Paul Wellstone s senatorial Jesse Ventura s gubernatorial and Ralph Nader s presidential campaigns he was the first to publicly challenge the conventional strategies of political campaigns the inefficiency of campaign spending the desultory banal and insulting political ads As Hillsman says I don t believe you can annoy someone into voting for your candidate Hillsman first rocked the political establishment during Wellstone s 1990 Senate bid with witty sharp political ads that had audiences glued to their television sets and talking about the commercials for weeks afterward In the end he helped Wellstone overcome a 7 million campaign spending disadvantage to win the election And the risk taking continued when he ran Jesse Ventura s Reform Party gubernatorial and Ralph Nader s Green Party presidential campaigns In one Nader ad a child looks out at the viewer and says When I grow up I want politicians to ignore me In an ad from Ventura s campaign a boy playing with a Jesse Ventura action figure New from the Reform Party takes on Ventura s voice to growl I don t want your stupid money With bold and brilliant ads like these Hillsman helped two underdog candidates become senator and governor transformed Minnesota politics and showed the country that it has viable and appealing options outside of the two major parties Run the Other Way offers fascinating and disturbing insights into the shadowy cronyistic world of political consulting the grossly overpaid consultants incompetent and inaccurate pollsters fundraisers who take a dollar for every dollar they raise and strategists who use negative advertising to intentionally keep people from voting But it also gives us a from the trenches look at how Americans can turn the weapons trained on us back against the master propagandists and in so doing revitalize our badly damaged democracy Fleshing out his case with real life stories from his involvement in numerous campaigns Hillsman takes us behind the electioneering scenes of old Washington hands and trouble making independents including Ross Perot Warren Beatty John McCain Arianna Huffington and Colin Powell An outsider with an insider s vantage point Hillsman sees America at a crucial historical moment defined by the continuing decline of both major political parties and the rise of independent voters Edgy controversial and often humorous his political ads have energized voters and revolutionized election campaigning over the last fifteen years This is a book for everyone who s ever run for office thought about running for office or voted for someone running for office Run the Other Way investigates the many imperfections in the greatest system of government in the world and challenges all of us to make it better

U.S. Election System Paul McCaffrey, 2004 The unique way in which Americans elect their public officials is explored in this volume from financing campaigns to registering voters to the function of the electoral college Articles also examine the two party system the nomination and convention process and issues particular to the 2004 election
