## **Run To The Mountain:**

Run to the Mountain Thomas Merton, 2009-10-13 When Thomas Merton died accidentally in Bangkok in 1968 the beloved Trappist monk's will specified that his personal diaries not be published for 25 years presumably because they contained his uncensored thoughts and feelings Now a quarter of a century has passed since Merton's death and the journals are the last major piece of writing to appear by the 20th century's most important spiritual writer The first of seven volumes Run to the Mountain offers an intimate glimpse at the inner life of a young pre-monastic Merton Here readers will witness the insatiably curious graduate student in New York's Greenwich Village give way to the tentative spiritual seeker and brilliant writer Merton playfully lists everything from his favorite lines of poetry and songs to the things he most loves and hates Thomas Merton was an inveterate diarist his journals offer a complete and candid look at the rich transformations of his adult life As Brother Patrick Hart general editor of the series notes Perhaps his best writing can be found in the journals where he was expressing what was deepest in his heart with no thought of censorship With their publication we will have as complete a picture of Thomas Merton as we can hope to have

**National Road in Maryland**, The Robert P. Savitt, 2019 The 200 year old National Road also known as The National Pike Cumberland Road US 40 and Baltimore Cumberland Turnpike is often referred to as The Main Street of America It was the nation's first federally funded highway and eventually passed through more than 25 cities and towns in Maryland The 33 mile Maryland portion of the original road was linked with privately constructed turnpikes to extend it to 170 miles in the state In its early days the National Road thrived as it helped to open the American West to settlement and commerce With the rise of railroad transportation in the 1850s the turnpike became almost obsolete and deteriorated significantly But the road was rescued in the early 1900s as the increasing popularity of automobile travel led to its revival In recent years some of the original structures along the road have been restored including restaurants inns and other commercial establishments Hostelrys and eateries such as the Casselman Inn

in Grantsville the South Mountain Inn between Middletown and Boonsboro and the Vintage restaurant in New Market draw on their links to the old National Road to attract travelers Through exhibits and lectures local civic groups and historical societies continue to memorialize and celebrate the rich history of America s main street the National Road The Encyclopaedia Britannica ,1911 Pennsylvania Gazetteer of Streams Pennsylvania.
