Most business owners love to think they are saving their business from impending doom by doing everything and in the process gain themselves a really expensive job there is no escape from I know I've made every mistake in the book But it's actually ridiculously simple Here it is Step 1 Hit the Pause Button Step 2 Work out what you really want Step 3 Take action to get what you want Everybody knows the first step is the hardest There are literally millions of problems to solve in your business and they all have to be done right now Right Wrong And it took a global pandemic for you to realize you could stop and you could change But how do you turn that gift you just received into a business that serves you and your life The life you want not the one you got after years of working too hard for too many hours That's what The Power Hour does And I detail every step inside this book Here's Just A Fraction Of What's Inside The framework to build a Life Serving business Follow this and you'll remember why you love it Why now is the perfect moment to reset your business and capitalise on this unique time Don't do this The rules that will trap you in busy and cause your business to take over your life The North Star of building your business and why most ignore it The 1 one hour investment creates ease and flow every week How to deploy the B Word that ensures you build a business that doesn't require 24/7 hustle and grind How to make decisions that propel you towards business success with no sleepless nights Generate clear boundaries in a single week and win back 8 hours of life How even a complete people pleaser can start to say No without guilt The 4 step system that kills procrastination that is the exact opposite of what the gurus teach and why they make it complicated And much much more      Running a Bed and Breakfast For Dummies Mary White, 2009-03-16
