Run Catch Kiss:

Run Catch Kiss Amy Sohn, 1999 **Run Catch Kiss** Amy Sohn, 2012-08-07 I was only twenty two and already I was infamous So begins Amy Sohn's hilarious and wise debut novel *Run Catch Kiss* When the saucy Ariel Steiner returns home to New York City to be an actress she is buoyed by daydreams of becoming Hollywood's hottest ingenue Nothing can stand in her way nothing that is but her freshman fifteen pounds a senile talent agent and the fact that she's living back home with her parents in Brooklyn While waiting for the ever elusive big break Ariel discovers a hidden talent for channeling her erotic fantasies and becomes a sex columnist at New York's hottest downtown weekly Soon art and life are imitating one another and the junkies commitmentphobes and other subjects of Ariel's columns are wreaking havoc on her life But when she finally falls in love the real Ariel must stand up Is she a nice Jewish girl who wants to settle down or a brazen sex kitten who'd rather meet a deadline than the man of her dreams Sharp savvy and irresistible *Run Catch Kiss* is a tongue in cheek commentary on that dangerous turn of the century phenomenon the single girl who wants it all *Run Catch Kiss* Amy Sohn, 2000 After graduating from university Ariel has big plans to take the world by storm Working as a temp and in bit parts in farcical theatrical productions Ariel finally lands herself a plum part as the city's raciest sex columnist At first her own shenanigans produce tales to shock but when Ariel finally meets a man she likes her torrid tales become thin on the ground The only way to keep up the column is to start twisting the truth a bit until she gets found out fired fed up and friendless Hilarious and wise *RUN CATCH KISS* is a tongue in cheek commentary on the voyeuristic and avaricious culture that created that dangerous nineties phenomenon the single girl who wants it all **Seductress** Betsy Prioleau, 2004-10-26 In this road map to restoring feminine sexual power Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses These are the women who ravished the world from such classic figures as Cleopatra and Mae West to such lesser known women as the infamous Violet Gordon Woodhouse who lived in a ménage with four men Smarts imagination courage and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life Through an exposé of their secrets *Seductress* provides an authoritative empowering guide to erotic sovereignty **This Is Where I Leave You** Jonathan Tropper, 2010-07-06 Original publication and copyright date 2009 [Chick Lit](#) Suzanne Ferriss, Mallory Young, 2013-03-07 From the bestselling *Bridget Jones's Diary* that started the trend to the television sensation *Sex and the City* that captured it on screen chick lit has become a major pop culture phenomenon Banking on female audiences' identification with single urban characters who struggle with the same life challenges publishers have earned millions and even created separate imprints dedicated to the genre Not surprisingly some highbrow critics have dismissed chick lit as trashy fiction but fans have argued that it is as empowering as it is entertaining This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles accounting for both its popularity and the intense reactions positive and negative it has provoked The contributors explore the characteristics that cause readers to attach the

moniker chick to a particular book and what if anything distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other They critique the genre from a range of critical perspectives considering its conflicted relationship with feminism and postfeminism heterosexual romance body image and consumerism The fourteen original essays gathered here also explore such trends and subgenres as Sistah Lit Mommy Lit and Chick Lit Jr as well as regional variations As the first book to consider the genre seriously Chick Lit offers real insight into a new generation of women s fiction

Out of the frying pan, into the PHYRE yve hand,2010-06-19 Phyre Rodriguez grew up in the foster care system of NYC She was snatched away from her mother at the age of 8 by social services Six months before her 18th birthday her paternal Grandmother the notorious La Reyna came to rescue Phyre Soon all that Phyre thought about her Mother s untimely death her grandmothers questionable business dealings and associates come crashing down around her in a show down with her father Twists and turns at every end wiill have you on the edge of your seat turning page after page for this climactic ending

Soar David Banks,G. F.

Lichtenberg,2014-09-09 In the spirit of Waiting for Superman a respected educator whose advice has been solicited from the likes of Hillary Clinton Cory Booker and beyond presents a plan for educating the country s most educationally endangered group young men of color **Wedding Chic** Nina Willdorf,2005-01-04 Brides to be can put aside the temptation to elope Wedding Chic is here to help make sense of it all with the low budget high style scoop With real saving secrets straight from planners photographers florists caterers newlyweds and other savvy sources this is the essential guide for women on planning the wedding they ve always wanted without spending the rest of their married years paying it off Brides will learn to Avoid getting bullied by the professionals Find the best planner for their pennies Get the most bloom for their buck Make saving on their photographer a snap Find low cost entertainers that are music to their ears Create a booze budget and wedding menu at palatable prices Slip into a teensy weensy honeymoon bikini without losing their shirts Be queen for the day without getting totally ripped off Sexidemic Lawrence R. Samuel,2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we ve had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation s continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We ve fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives **Office Mate** Stephanie Kisee,Helaine Olen,2007-10-01 The greatest pool of potential mates is not online in a bar or on a blind date it is in the workplace This book tells you how to navigate this territory gracefully with specific dos and don ts for office romance *Manning Up* Kay S Hymowitz,2012-03-06 In Manning Up Manhattan Institute fellow and City Journal contributing editor Kay Hymowitz argues

that the gains of the feminist revolution have had a dramatic unanticipated effect on the current generation of young men. Traditional roles of family man and provider have been turned upside down as pre adult men stuck between adolescence and real adulthood find themselves lost in a world where women make more money are more educated and are less likely to want to settle down and build a family. Their old scripts are gone and young men find themselves adrift. Unlike women they have no biological clock telling them it's time to grow up. Hymowitz argues that it's time for these young men to man up. Why There Are No Good Men Left Barbara Dafoe Whitehead, 2008-12-24. A hard hitting groundbreaking exploration of the new mating conditions that are changing the face of love, commitment and marriage as we know it. A double revolution is at work in modern American love. A revolution in higher education has created the most professionally accomplished and independent generation of young women in history and a revolution in mating has created a prolonged and perplexing search for Mr. Right. Based on extensive research and interviews, *Why There Are No Good Men Left* explores the romantic plight of this high status woman with findings that are sure to rouse debate. Cultural historian Barbara Dafoe Whitehead documents the new social climate in which the demands of work, the epidemic of cohabitation, the disappearance of courtship and the exacting standards of educated women are leading them to stay single longer and to find the search for a mate even harder when the time is right. From the frontlines of college where dating is dead to the trenches of corporate solitude, Whitehead reports on a wholesale shift that has stacked the marriage deck against the best and brightest women. The thirty something perplexed single woman is today's new cultural icon. *Why There Are No Good Men Left* is the first book to take a serious approach to analyzing where she came from and to ask how she can realize her dreams of lasting love. **The May Queen** Andrea N. Richesin, 2006. With original essays by women in their thirties, this intriguing collection celebrates this often maligned period in a woman's life as productive, dynamic and vibrant. **Chick Lit and Postfeminism** Stephanie Harzewski, 2011-02-09. Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s, chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature, journalism and advice manuals. Stephanie Harzewski examines such best sellers as Bridget Jones's Diary, The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners, the popular romance and the bildungsroman. Further, Harzewski uses chick lit as a lens through which to view gender relations in U.S. and British society in the 1990s. *Chick Lit and Postfeminism* is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo-American marriage and education patterns, heterosexual rituals, feminism and postmodern values. **Evolution, Feminism, and Romantic Fiction** Ania Grant, 2025-08-14. Romantic fiction has long been dismissed as trivial and denounced for peddling supposedly oppressive patriarchal myths of heterosexual love and marriage. Despite such criticism, the popularity of romantic fiction has only increased in recent decades. Drawing on research

from the evolutionary sciences Ania Grant proposes that narrative patterns of romantic stories and their enduring appeal reflect the importance of love as a fundamental human drive She examines two of the most successful and critically scrutinized romantic narratives of the past 200 years Jane Austen's classic novel *Pride and Prejudice* and the hit television series *Sex and the City* and argues that such texts simulate the cognitive and emotional complexities of mate choice one of the most consequential decisions from both a biological and a cultural perspective Her biocultural analysis aligns the interpretation of romantic fiction with the feminist ideals of female autonomy and gender equality It also suggests that positive identification with romantic heroines gives audiences the hope and energy to pursue the transformation of gender relations in real life The book will be of interest to anyone who ever wondered why so many women and some men around the world are enthralled by romantic stories It will also appeal to anyone who has ever been inspired by romantic happy endings to strive for a world in which men and women love and cooperate with each other even if it seems like a utopian ideal while the war of the sexes rages on

Chick Lit Rocío Montoro, 2012-04-26 In recent times Chick Lit has risen to a certain level of prominence This is the first book length study that looks into the distinctive features of this much discussed genre Chick Lit is examined in relation to its linguistic peculiarities and their role as far as narrative sociological and feminist issues are concerned amongst others Montoro's stylistics includes a cognitive slant that highlights further readerly aspects of the texts The approach illuminates how the genre works and how it is set apart from others In this respect the stylistics of chick lit is understood in its context of production and reception Montoro evaluates reading processes and investigates readers responsive attitude to the genre This interdisciplinary work explores the boundaries of the stylistics of chick lit and works reflectively looking at how exploring this genre can help the twofold aim of testing existing models of linguistic and cognitive analysis It will be essential reading for those interested in cutting edge stylistics
