Catalog of Copyright Entries Library of Congress. Copyright Office,1977 **Munsey's Magazine for ...** ,1917

Munsey's Magazine ,1917 **To Run for Life from Swastika and Red Star** Alfred Reisfeld,2002 When the Germans invaded Poland in September 1939 the author and his father were drafted into the Polish Army After a few days of hopeless fighting the brigade in which the author served was routed and dispersed This precipitated a headlong flight of soldiers and civilians alike anxious to escape the murderous attack of the rapidly advancing enemy armored columns and their attendant aircraft which ceaselessly bombed and strafed roads and villages For some three weeks Aaron Reisfeld and his father desperately sought to escape the Nazi onslaught by fleeing eastward to the Russian border and the perceived safety that country offered It was a harrowing ordeal covering hundreds of kilometers during which the Reisfelds endured hunger exposure bombing shelling and countless dangers on roads clogged with millions of terrified escaping refugees At the outbreak of war the author lived a comfortable life in a reasonably affluent home in the town of Lodz and was about to complete his last year of high school Little did he know it would be more than a decade before he could complete his education and obtain a degree in textile engineering from Nottingham College in England In that decade the author survived many trials by fire and mortal danger first in escaping from the Nazis then fighting the Germans in North Africa as a soldier in the British Army and finally serving in the Israeli Army in that country s bloody war for independence While he managed to escape the fires of the Holocaust his mother sister and most members of his extended family were consumed in it along with six million Jews and untold numbers of gentiles Running from the advancing Nazis the author and his father through sheer determination willpower to survive and luck managed to reach the Russian Zone of Occupation and its temporary safety Soon however they found they had to flee from the Russians as well when they began deporting into the Siberian hinterland capitalists professionals and the intelligentsia who were unlikely to hew to the Soviet ideology and order Fleeing the Russians the Reisfelds brought off another harrowing escape this time by crossing a raging river in the middle of a cold wintry night into Romania where they hoped to find a temporary haven Because they had crossed illegally into the country the author and his father were apprehended by the Romanian police and forced to serve a brief jail sentence before being set free and allowed to stay in that country From their base in Bucharest Reisfeld s father tried to arrange for his mother s and

sister's escape from Nazi occupied Poland. Such arrangements were difficult to make but possible by bribing the right police and Nazi officials. Reisfeld's father succeeded in making those arrangements and his mother and sister were set to travel to then neutral Italy from where they could continue on to Palestine. But just as they were about to depart Italy entered the war on Germany's side thus trapping them in Poland and sealing their doom. The security they found in Romania did not last as both Germany and the Soviets were poised to march into Romania and partition the country between them. The Reisfelds had to flee once again before they could be overtaken by their dreaded enemies. They managed to book passage on one of the last passenger ships to leave Romania barely days ahead of the German occupation. After a tour of eastern Mediterranean ports the Reisfelds finally landed in Haifa where they were taken in by family members already established in Palestine. Yet this was hardly the end of the author's peregrinations. With the war raging in North Africa and creeping closer to Palestine, Aaron joined the British Army's Corp of Royal Engineers as a sapper lifting and planting mines, blowing up fortifications and building and destroying bridges among other things.

Run for Freedom Kevin Muir, 2001. This is the dramatic, highly charged love story of a young man from a Catholic family and a Protestant nurse in Belfast in the 1980s. Run with the Wolves T. C. Tombs, 2012-09-26. During the turbulent fifteenth century, fearsome creatures roam the night and terrorize the countryside. Willie, a young Medinian serf, was bitten during an attack on the farm livestock and now suffers from the same full moon affliction as his mentor Woodrow and the rest of the Pack. As Willie moves from one moon cycle to the next, he soon realizes that his fate has been changed forever. While he attempts to adjust to his new life and uncertain future, Lord Victor, the king of Varakov, is determined to provoke a war that threatens to destroy all who reside in Sanctuary. Caught up in the midst of this dire situation, Woodrow must decide whether to honor his sacred pledge to his dark master or stand in opposition and risk his wrath. As the Hunters Moon arrives and the goddess Diana rises in the sky to lay claim to her children, the Pack leader embarks on a dangerous trek to seek out the cavern of the Oracle. Now only time will tell if the reclusive old sage holds the answers he desperately seeks. Beware of the full moon. This one is for all of the werewolf lovers.
